No.B8-32389/50 dated 25-8-50.

Sir,

Stationery--paper--manifolding--local purchase--requested.

6 tons of manifolding paper were ordered from M/s Titaghur Paper Mills Co., Ltd., Calcutta for supply during the first quarter of 1950-51. No supply has so far been received. The mills state that they would include this item in their manufacturing programme of the next 3 to 4 weeks and that supply would be expedited thereafter. There is, therefore, likely to be considerable delay in the actual arrival of stock. This is an item for which there has been urgent pressing demands from all indenting officers. These officers have been all along promised that supplies will be made in September 1950 when stock is expected. There is therefore bound to be a sudden demand again next month for this paper from all indenting officers. I, therefore, request that Government may be pleased to sanction the local purchase of 5000 reams (about 3 months requirements) of manifolding paper. I am calling for quotations and would proceed with the purchase in anticipation of sanction, on account of urgency. The order to be placed with the Mills for the remaining two quarters, will be correspondingly reduced.

Early orders are requested.
