9502

Sir,

Sub.- Modified overseas scholarship scheme 1949-50.

Ref.- Government Memo. No.1471 M/50-1 dated 25.4.50.

I invite reference to my letter No.1769 A/49-1 dated 20.5.49 on the above subject. The demand as approved by the Advisory Board of the Government of India may be accepted and the deputation of Sri B.R.Somayajulu, Chief Operation Engineer (North) as recommended in my letter referred to may be proceeded with, if the scheme is finally approved by them.

A

The enclosure to the Government of India letter does not call for any remarks except in regard to the country where the training is to be arranged. Since training in U.S.A. has not been approved, it may be arranged as follows:-

- 6 months with the British Electricity Authority and the associated hydro-electric Power Board in Scotland in studying direction, administration and modern technical practice in electric supply undertakings.
- 3 months in study tour inspecting electrical installations in France and Italy and if possible (i.e. if currency can be got) in Sweden and Switzerland also.

G. Sundaram
Chief Engineer for Electricity.

MAY 1950
EDUCATION DEPARTMENT

3rd May 1950.

10007

Dear Mr. Paul,

Sub:- Modified Overseas Scholarships Scheme - 1949-50 - Candidates sponsored by the Corporation of Madras.

Ref:- My Office letter G.D.C.No.A3-775/50, dated the 26th April 1950.

p15/ante

- - - -

Further to my letter referred to, I send herewith a copy of the programme drawn by Sri. O.T. Raghavan, Executive Engineer, Water Supply, who is one of the candidates sponsored by the Corporation. I shall be glad if you could kindly forward it to the Government of India so that the value of the study proposed to be undertaken by Sri. Raghavan could be better appreciated by them. As the Corporation is to go in for improved methods of filteration as well as distribution, it would be better if Sri. Raghavan is given a chance to study the methods both in England and in America. As the State Government meet half the cost of Capital Water Supply Schemes, it is also in the interest of the Government that a properly trained person should be in charge of the actual execution of such large schemes by the Corporation. I may also mention that Sri. Raghavan is an Examiner for the B.E. Degree examinations in Madras and other Universities. The specialised training proposed to be given to him will be of benefit to the Universities also where he could give some extension lectures to the University students on the practical side of water supply. He has lately given a series of lectures at the Annamalai University in connection with Project Work for the Final Year Civil Engineering students.

Yours sincerely,

To

Sri. Rajiah D. Paul, M.A.,
Secretary to Government,
Education Department,
Fort St. George,
Madras.

TOUR IN THE UNITED KINGDOM AND THE CONTINENT.

(1) LONDON.-

(a) Metropolitan Water Board, London - Distribution system of London Water Supply and adjacent water undertakings.

Sub: AGRICULTURE - Agricultural Department - Training of officers under the modified overseas Scholarship Scheme 1949-50 - Proposals.

—

Ref: From the Government of India, Ministry of Education, F.24-1/50-51 dated 8th April 1950.(Issued as Memo. No. 27685 J/50-1 (dated 28-4-1950).
From the D.A. Lr. No. D2.470/50 dated 1-5-50.

--

To A.S.

In their letter dated 8th April 1950, the Government of India stated that they propose to implement a Modified Overseas Scholarship Sche on a very limited scale in view of the financial stringency and the limited funds placed at their disposal for this purpose. The exact fin cial implications are not known. It is stated that a further communic tion will follow. The Advisory Board of the Government of India have i this connection approved the demand among other things for the training two scholars, one in 'Rice Research' for a period of five months, and another in 'Soil Science', for a period of one year. The Government India have enquired whether the approved demand is acceptable. They also pointed out that this enquiry does not commit them to any final de- sion on the subject. The D.A. who was consulted on the subject has a to the two overseas scholarships for his Dept. and has suggested that place of study in the case of Rice Research, may be confined to the U. Italy and Spain. He has also suggested that the question of deputati of officers may be proceeded with.

2. With reference to the above recommendations of the D.A. submitted that the Advisory Board has not approved the training in U. as the proposal is to restrict the training to the 'Soft Currency' ar It seems that this training in Rice Research can be confined to Italy Spain. For orders whether the two Scholarships for the Agricultural may be accepted.

3. In the circumstances stated above it is for orders

(i) whether the allocation of the two scholarships to the Agricultural Department of this Govt. may be accepted, subject to a decision on the question of financial implications.

(ii) whether the restriction to areas according to the availabi of dollars may be accepted; and

(iii) whether in the meantime the selection of personnel for the training may be proceeded with and kept ready.

After orders are passed the case may be sent to Educa

-2-

for taking necessary extracts and for sending a suitable consolidated reply to the G. of I. They are requested to circulate the case to H.M.(Agri) before doing so. They may also let Fin. see before circulation.

6 S.Cs.

Sir,

Sub:- MODIFIED OVERSEAS SCHOLARSHIPS SCHEME, 1949-50.
Ref:- Your letter No.F.24-1/50-S1, dated the 21st April 1950.

p1CF

This Govt. have examined the demands for overseas scholarships for technological and scientific subjects approved by the Advisory Board of the Govt. of India forwarded with your letter cited. They consider that the scholarships for the following subjects are essential in the order of preference indicated:-

pp3-6CF

I. AGRICULTURE

1. Rice Research

2. Latest Developments in Soil Science

p3cf

II. P.W.D.(ELECTRICITY)

1. Direction , Administration and Management of Electricity Supply Undertakings

III. ANIMAL HUSBANDRY

1. Pharmacology - Training in big Pharmaceutical Institutes

IV. CORPORATION OF MADRAS

1. Water Supply Purification and Sewage Disposal.

2. Modern Advances in Building Engg. and Transport Engg.

The scholarships allotted for P.W.D.(Highways), P.W.D. (Irrigation) and the Madras City Improvement Trust are not required by this Govt.

p21cf

2. It is proposed to depute Sri B.R.Somayajalu, C.O.E. (North) for training abroad in "Electricity -Direction Administration and Management of Electricity Supply Undertakings". His training may be arranged as follows:-

6 months with the British Electricity Authority and the associated hydro-electric Power Board in Scotland in studying direction, administration and modern technical practice in electric supply undertakings;

A7

3 months in study tour inspecting electrical installations in France and Italy and if possible in Sweden and Switzerland, also.

Sri O.T.Raghavan and Sri G.Janardana Rao will be deputed by the Corporation of Madras for training abroad as already proposed. Their training in the U.K. or in any other country in the soft currency area is accepted.

Names of officers and their designation to be deputed for the remaining subjects will be intimated later. A copy of the tour programme for Sri O.T. Raghavan sent by the Corpn is enclosed.

~~Yours faithfully,~~

REGISTERED/ACK DUE.

No. F.141/49.S.2.,
Government of India,
Ministry of Education,

New Delhi 3, the 31/5/- May, 1950.

From
The Secretary to the Government of India.

To
The Secretary to the Government of Madras,
Education Department,
MADRAS.

ASSISTANT SECRETARIAT
1 JUN 1950
13793
EDUCATION DEPT.

Subject:- Modified Overseas Scholarships Scheme - 1949-1950.

....

Sir,

I am directed to state that as already stated in this Ministry letters of even No., dated the 8th April, 1950 and 21st April 1950 the Government of India had very limited funds at their disposal for the implementation of the Modified Overseas Scholarships Scheme to cater to the needs of all Universities and educational institutions under Union and State Governments and Governmental Organisations and other Organisations. As the main objective of the Modified Overseas Scholarships Scheme is to send students abroad for training in subjects facilities for which are not available in India and to improve the standard of instruction and research in the country itself so that it may progressively become unnecessary for the country to send students for foreign training, this Ministry considered it appropriate to give first priority to the needs of educational institutions in India, whether directly under Union Government or the State Governments. The Government of India regret very much that because of shortage of funds they could not meet even some of the urgent demands of educational institutions, let alone those of Government Departments.

2. The Government of India taking into consideration the essential requirements received from the State

Governments....

Governments and the educational institutions in India, have allocated 6 scholarships as per enclosed statement. It will be observed therefrom that in certain cases alternative award has been approved. Kindly intimate urgently to this Ministry for which of the items in question as per statement enclosed the State Government desire to send their nominees.

3. The requisite number of application forms have been forwarded separately. Three sets of applications duly filled in by each candidate, each complete with testimonials, certificates, passport size photographs, copies of syllabus etc., duly checked may be forwarded to this Ministry for selection by the Central Selection Board. These sets should not contain any original certificates, degree or diplomas but only their attested copies. The original certificates will be called for later when selections are finalized. In addition three application forms for admission to institutions in the United Kingdom/United States of America as the case may be, spare copies of which are enclosed herewith, duly filled in by each candidate should be forwarded to this Ministry. These applications should contain the fullest particulars about the candidates such as examinations passed with classes obtained, subjects taken at High School and subsequent examinations and practical or research experience and the present post held by them.

4. As regards the financial implications, I am to say that in the case of nominees of non Governmental educational institutions only 50% of the expenditure incurred on their training will be met by the Government of India and the remaining 50% either by the State Government or by the nominee or by the educational institution or by an adjustment between (i) the nominee and the institution or (ii) the institution and the State Government. In

contd.....

case no agreement is reached on this issue the offer of scholarship, if made, will be considered as withdrawn.

5. In the case of employees of educational institutions under the direct control of State Government the expenditure on their training will be borne by the Government of India with the State Government on 50:50 basis, in case the candidate concerned is not (i) a permanent Government servant or (ii) not eligible to study leave terms otherwise. In the latter case the entire expenditure will have to be borne by the State Government concerned.

6. While forwarding the applications of the nominees, institutions are required to certify that the nominees who will be sent for training abroad will return to the institutions concerned for work and will not be kept un-employed on return. In case of nominees of the State Governments' Departments, the State Governments are required to give an undertaking that they, if selected, after completion of their training abroad will be employed by them. Each selected candidate will also have to sign a bond to serve the institution/Government concerned for a specified period or in lieu to return the monies spent on his training. Copies of the bond form will be sent in due course after the applications have been received and scrutinised by the Central Selection Board and final selections communicated to you.

7. The application forms duly filled in should reach this Ministry by 15th June 1950 inclusive at the latest, otherwise the Government of India cannot guarantee for admission in the institutions abroad for the selected candidates. Being short of time the cooperation of the State Government and the educational institutions concerned participating in the scheme is solicited to expedite the matter as much as possible.

8. The Government of India have not sent any communication to the educational institutions seperately regarding the allocation of scholarships made to them. The State Government are requested to direct the institutions concerned to forward the applications of their nominees to this Ministry direct so as to reach them by the prescribed date.

9. As far as possible at least 3 names should be recommended in order of preference for each stipend. The recommended candidates should be persons of first class merit since persons with inferior qualifications are not likely to obtain admission to institutions abroad and further their selection may not be approved by Government. Candidates, who are recommended for a degree course should not be more than 35 years of age while those for short period training should not be over 48 years of age on Ist July 1950.

10. The value of the stipend will be communicated to you in each case separately after examining the financial position of each candidate.

Yours faithfully,

(N. Ram)
for Secretary.

APPLICATION BY A ~~PRIVATE~~ CANDIDATE FROM INDIA SEEKING ADMISSION TO EDUCATIONAL INSTITUTIONS ETC., IN THE U.K.

(All blanks, except signature should be type-written.)

Attach here photograph taken within the past year.

Application will be considered incomplete if photograph is omitted.

Be sure your full name is written on the photograph for identification should the photograph become accidentally detached.

Mr.
Mrs.
Miss________________________
(Enter full name, underline family name)

Name you intend using in U. K. if not full name

____

2. Date of birth.

3. Father's (or Guardian's) name, address and position or profession, stating, in the case of a guardian, exact relationship to applicant.

4. Religion: If Christian, state whether Roman Catholic, Protestant or Syrian.

5. Vernacular

6. Are you in Government, State or Municipal Service: If so, state appointment held. (An applicant in Govt., State or Municipal service must forward this application THROUGH THE CORRECT OFFICIAL CHANNELS.)

7. Educational Qualifications beginning from Matriculation :–

Name of School, College, etc.	Date of entering and leaving.	Examinations Passed.	Year.	Class or Division.	Subjects taken.

8. Any other qualification or training obtained :

(*a*) Name of university, college or other institution.

(*b*) Date when taken.

(*c*) Class and/or Honours.

(*d*) Full particulars of all subjects passed.

9. *Have you a knowledge of Latin or of an Oriental Classical Language ? If so, give full particulars of the standard attained.

10. †Have you a knowledge of French or German ? If so, give full particulars of the standard attained.

11. Particulars of part played in School and College life (*e.g.*, Sports, Debating Societies, etc.)

12. Health and Physique.

Applicants are strongly advised to undergo a thorough medical examination before leaving India, to ensure that they are fully fit to stand the English climate, and to attach a medical certificate to that effect.

13. Have you travelled or lived abroad ?

If so, please state details, indicating purpose of travel, places visited and dates :

14. (*a*) Proposed subject of study in the United Kingdom and degree or qualification desired. The exact subject or subjects should be stated, as it is insufficient to specify 'Arts', 'Science', 'Engineering', etc.

(*b*) Applicants desiring to pursue a degree or diploma course in Education should give details and length of teaching experience and attach relevant certificates.

(*c*) Medical applicants should state fully experience since obtaining medical qualification, including exact Hospital or other appointments held, and dates.

---

* *Applicants for admission to one of the Inns of Court are reminded that unless they have already obtained an approved degree in India, they will have to pass in Latin in the examination by which they propose to qualify for admission.*

† *Applicants should note that before entering on certain degree courses at Universities of the U. K., a knowledge of at least one modern European language usually French or German, is required. There are also courses upon which students cannot enter without having taken a classical Language (either European or Oriental) in some previous examination. Applicants are, therefore, advised to ascertain (e.g., by reference to the relevant University Regulations or the Handbook for Indian Students) whether these requirements are part of the course they desire to pursue.*

15. (*i*) University or College in United Kingdom to which admission is desired.

(*ii*) Alternative universities or colleges, in order of preference, in case admission is not obtainable as requested above.

16. If it is desired that an application be made on your behalf for exemption from the Matriculation or other Entrance examination of the selected University or College, the Intermediate certificate and list of marks and/or final degree certificate in original (or a photostat copy thereof) and the necessary fee should be enclosed.

17. If exemption is desired from any part of the degree or diploma course the grounds on which your application is based should be definitely stated and the necessary degree or diploma certificate in original (or photostat copy thereof) attached.

18. Proposed period of stay in the United Kingdom, and date when admission is desired.

19. If you have already made application to an educational institution or to institutions in this country, please give particulars.

20. Additional information for Post-graduate and Research applicants :—

(1) Proposed branch of research.

(2) Precise subject of proposed research.

(3) Previous research experience, if any.

The FULLEST possible reply should be given to these questions and certificates in ORIGINAL from competent authorities testifying as to fitness to undertake proposed research should be enclosed, as well as copies of any original publications.

21. Testimonials attached from (1)

(2)

One of these testimonials should be from the head of the college or other Educational Institution at which the applicant is studying.

22. Funds available during period of study in the United Kingdom :
    - (*a*) Estimated amount in £ you will receive monthly.
    - (*b*) From what source(s) ?
    - (*c*) Can you draw on these funds regularly ?
    - (*d*) For how long are you guaranteed this support ?
    - (*e*) If you have a sum of money available for educational purposes separate from the amounts mentioned above, state the amount.

23. Give the name and address of one reference in the United Kingdom, not related to you (if available) :

Name :

Address :

24. Prospects of employment in India on your return after completing studies in this country.

FINANCIAL GUARANTEE

25. I hereby declare that I am prepared to meet the educational expenses of my son/daughter/ward and to provide him/her with not less than £ per annum paid in regular instalments over a period of years.

SUBJECT:- MODIFIED OVERSEAS SCHOLARSHIPS SCHEME - 1949-1950. . . . . . .

Sir,

I am directed to refer to this Ministry letters of even No. dated 31st May 1950 and No. F1-1/49-S2, dated 31st May 1950, on the above subject and to state that the Government of India on reconsideration have decided to extend the last date for receipt of applications in this Ministry to the 20th June 1950 subject to the proviso that applications received after that date will not be entertained. In case there is likely to be any inevitable delay, it is necessary that the applications on Ministry of Education forms for scholarships should at least be completed and sent so as to reach this Ministry on or before the duly prescribed date, and that the other forms may follow.

Yours faithfully,

(N.Ram)

EDUCATION DEPARTMENT

R.C. No. 986 C.1/49, Dated June, 1950.

Sir,

Subject:- Modified Overseas Scholarships Scheme - 1949-50.

Reference:- Government Memorandum No.9685 G/50-5 Edn., dated 5th June 1950.

***

With reference to the Government Memorandum quoted above, I have the honour to state that most of the Officers now serving in the Civil Engineering departments of the Colleges of Engineering are Officers deputed from the Public Works or Highways Departments. Some of them are persons who have already had advanced training abroad. Of the remaining persons some are over 35 years of age and the rest are outsiders who are holding their appointments in the Colleges of Engineering under emergency provisions. After considering the cases of all Officers who have put in more than two years of service in this department, I have selected the following Officers for advanced studies in the subject "Civil Engineering - Soil Mechanics". The names are arranged in the order of preference.

1. Sri P.E. John, B.E.(Civil)(First Class):
   Temporary Instructor in Surveying & Drawing,
   College of Engineering, Guindy.
   Age: 26 years.
   Total service: Nearly 4 years, of which 1½ years in the Madras Edl.Service - Appointed under Rule 9(a)(i) of the General Rules for the Madras Provincial & Subordinate services.

102

2.

2. Sri A. Palayya, B.E.(Highways)
Temporary Strength of Materials Laboratory Assistant, College of Engineering, Kakinada.

Age: 24 years.

Total service: 1 Year and 10 months as Laboratory Assistant - Appointed under emergency provisions.

3. Sri J. Raja Rao: B.E.(Civil).
Formerly Instructor in Civil Engineering, College of Engineering, Anantapur.

Now Probationer in the Assistant Engineer's category in the P.W.D.

Age: 23 years:
Total service: About 2½ years.

The application forms have been sent to the Principals, Colleges of Engineering, Guindy, Anantapur and Kakinada, for getting them duly filled by Messrs. P.E. John, J. Raja Rao and A. Palayya, respectively, with instructions to resubmit them by 17-6-1950. As the candidates are probably enjoying vacation outside headquarters there is some delay. I am reminding the Principals telephonically and telegraphically to resubmit the forms duly filled in without delay. They will be submitted to Govt. immediately on receipt.

Ref: Your Proceedings No.RC.986-C.1/49 dated 14-6-1950.

With reference to the Proceedings cited above I have to state that Sri P.E.John, Instructor in Surveying and Drawing, is now undergoing training as an Officer for the National Cadet Corps at Kirkee and I have despatched the application forms in triplicate to Mr. John to have the same duly completed. As the application forms were received only today and they are required by the Director on the 17th, I request that a few days more may be given to enable Mr.John to complete the same and submit it to me so that I may submit it to you.

Copy of letter ROC.No.398-A/50 dated 22-6-1950 of the Professor-in-charge, College of Engineering, Anantapur to the Director of Public Instruction, Madras.

Your Proceedings ROC.No.986-C.1/49 dated 14-6-1950, together with the application forms to be filled up and submitted was forwarded to Sri J.Raja Rao, Assistant Engineer, Andhra Medical College Sub Division, Maharanipeta, Visakapatnam for favour of necessary action. I have not yet received them back and am reminding him to submit the applications immediately. A telegram has also been issued.

===

In continuation of my letter Rc.No.12-15A/49 dated 16-6-50 I enclose herewith the application forms received back from Sri.P.E.John, duly filled in. He has been undergoing the N.C.C.Officer's training at Kirkee and so the applications had to be sent to him and obtained back from him by Air Mail. He states that he could not enclose copies of University degree and diploma, as they are at his house here and that they will be sent later, if found necessary.

Director of Health Services, Delhi State, DELHI.

SUBJECT: MEDICAL EXAMINATION OF SCHOLARS TO BE SELECTED FOR TRAINING ABROAD UNDER THE MODIFIED OVERSEAS SCHOLARSHIPS SCHEME, 1949-50.

......

Sir,

I am directed to state that it has been decided by the Government of India that all candidates selected for Overseas Scholarships under the Modified Scheme, whether in Government service or not, should be examined by a Medical Board with due regard to the standards of fitness prescribed for recruitment to the posts or services to which candidates are likely to be appointed on completion of training and a certificate as to the fitness or otherwise of the scholars should be obtained as in the attached Proforma. In this connection, copies of the Rules and Regulations that are applicable to candidates selected for appointments to technical and non-technical posts under the Government of India are also attached. It is requested that copies of the same may also be supplied to the Medical Board for information and guidance.

A The names of the candidates together with other necessary particulars who will have to be examined will be communicated to you as soon as the selections are over. You are requested kindly to arrange for the examination of the students concerned and to forward to this Ministry a copy of the certificate of fitness given by the Medical Board.

P.T.O.

~~153~~

154

The selected scholars will themselves have to pay medical examination fee, if any charged by the Board, no travelling allowance for the journey performed for this purpose shall be paid to them.

Yours faithfully,

PART II - TO BE COMPLETED BY THE MEDICAL BOARD..

QUESTIONS.	ANSWERS.	REMARKS..
1. Has the declaration on the proceeding page been signed by the candidate in your presence?		
2. What is the candidate's.		
(a) height without shoes?		
(b) weight?		
(c) girth of chest?		
(i) at end of expiration.		
(ii) at end of inspiration,		
(d) girth of abdomen at umbilicus.		
3. Is he free from deformity, enlarged joints, tumours and scars?		
4. When was he last successfully vaccinated?		
5. Is he free from any signs of diseas of the nervous system? such as paralysis, wasting, tremor, etc.		
6. Are the knee-jerks and pupil reflezes normal?		
7. Is there any discharge or other evidence of disease of either ear?		
8. Is there any defect of hearing?		
9. Vision	Without glasses.	with glasses.
to be tested by means of snellen's Test Types placed in a good light at a distance of 6 metres.	R.eye- V. = L.eye- V. =	V. = V. =
10. (a) Is he free from disease of the eyes?		
11. (b) If suffering from trachoma is the diseas in an active stage, and such as would be likely to interfere with his studies or his future service.		
(c) Has he any defect of colour perception?		
11. Is he free from stammer or other serious defect of speech?		
12. Is he free from any signes of disease of the bones or joints.		
13. Is he free from skin disease?		
14. Is there any evident leprosy, tuberculosis or syphilis?		
15. Are the heart sounds normal.		
16. Are there any heart murmurs?		
17. What is the pulse rate?		
18. What is the position and character of the apex beat?		
19. What is the blood pressure Systolic/Diastolic?		
20. Are the heart and arteries healthy in all respects?		
21. Is he free from haemorrhoids and varicocele?		
22. Is he free from rupture?		
23. Is the chest symmetrical and well formed?		
24. What is the respiratory rate?		
25. Are the breath sounds normal?		
26. Are there any adventitious breath sounds?		

QUESTIONS.	ANSWERS..	REMARKS..
27. Is there any evidence of deficient air entry into either lung?		
28. Are the respiratory organs healthy in all respects?		
29. Are the digestive organs healthy?		
30. Is there any enlargement of the liver or spleen?		
31. Is he free from serious dental caries or sepsis?		
32. Is he free from signs of disease of the genital organs?		
33. Is he free from (i) Hydrocele?		
(ii) Varicocele?		
34 (i) Does the urine contain (a) Albumen. (b) Sugar. (c) any other arnormality.		
(ii) What is its specific gravity?		
35. Is he free from body parasites and their eggs?		
36. Is he suffering from any constitutional defect or weakness rendering it undesirable for him to serve permanently in a tropical climate?		
37. Do you consider the candidate prima facie physically fit to undergo selection for training under the Overseas Scholarship(Central) Scheme* if not why?		
38. If the candidate is physically unfit please state whether the unfitness of the candidate is due to some minor disability which can be cured by treatment (Medical or Surgical)		

(* The reason should not be disclosed to the candidate)

TECHNICAL.

GOVERNMENT OF INDIA..

REGULATIONS FOR THE PHYSICAL EXAMINATION OF CANDIDATES FOR APPOINTMENT TO THE ENGINEERING SERVICES, AND THE SURVEY OF INDIA (CLASS II) SERVICE..

Note:- These Regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming up to the required physical standard. But it must be clearly understood that the Government of India reserve to itself an absolute discretion to reject as unfit any candidate, whom it may consider, on the report of the Medical Board, to be physically disqualified for the public service: and that its discretion is in no respect limited by these Regulations. (Save as provided in reguoation 2(b) these Regulations are intended merely for the guidance of Medical Examiners and are not meant to restrict their discretion in any way.)

1. To be passed as fit for an appointment under Government of India a candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of the duties of his appointment.*

2. (a) The following table of correlation of age, height and chest girth is to be used as a guide in the examination of candidates of European race. In case of candidates of Indian(including Anglo-Indian)race, it is left to the Medical Board to use whatever correlation figures are considered most suitable as a guide in the examination of the candidates.

(b) For all candidates for appointment to the Service/Department a minimum height of 5 ft. is required (For candidates not of European race a minimum chest mewsurement of 33 ins.(girth when fully expanded, with a minimum expansion of 2 ins.) is required. These minima are absolute and no Medical Officer or Board has power to waive them.

N.B.-Begulations 2(b) does not apply to candidates for the Central Engineering Service, Class I, the Telegraph Engineering Service, Class I, and the Survey of India (Class II) Services.

Physical Equivalent.

Age last birthday.	Height with shoes	Girth when fully expanded. Inches.	Chest range of expansion not less than--
16	60 and under 62 inches -	32½	2
	62 " " 65 " -	33½	2
	65 ,, ,, 68 ,, -	33½	2
	68 ,, ,, 72 ,, -	34	2
	72 and upwards ,, -	34½	2
17	62 and under 65 inches -	33½	2
	65 ,, ,, 68 ,, -	34	2
	68 ,, ,, 72 ,, -	34½	2
	72 and upwards ,, -	35	2
18	62 and under 65 inches -	34	2
	65 ,, ,, 68 ,, -	34½	2
	68 ,, ,, 72 ,, -	35	2
	72 and upwards ,, -	35½	2

Age last birthday.	Heitht without shoes	Girth when fully expanded. Inches.	Chest range of expansion not less than--
19	62½ and under 65 inches	34½	2
	65 ,, ,, 68 ,,	34½	2
	68 ,, ,, 70 ,,	35	2
	70 ,, ,, 72 ,,	35½	2
	72 and upwards ,,	36	2
20	62½ and under 65 inches.	34½	2
	65 ,, ,, 68 ,,	34½	2
	68 ,, ,, 70 ,,	35	2
	70 ,, ,, 72 ,,	35½	2
	72 and upwards ,,	36	2
21 and upwards	62½ and under 65 inches	34½	2
	65 ,, ,, 68 ,,	35	2
	68 ,, ,, 70 ,,	35½	2
	70 ,, ,, 72 ,,	36	2
	72 and upwards ,,	36½	2

* Selected candidates are required to be inoculated against enteric fever before they proceed to India on first appointment: but exemption from this requirement may be granted to any candidate of Asiatic domicile, unless he has been continuously resident out of Asia for five years prior to the date of his appointment.

3. The candidates' height will be measured as follows:-

He will remove his shoes and be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity, and with the heels calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch toqquarters.

4. The candidate's chest will be measured as follows:-

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidates will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted. The minimum and a maximum will then be recorded in inches, 33-35, 34-36½ etc. In recording the measurements. fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The candidate's eye-sight will be tested in accordance with the following rules. The results of each test will be recorded:-

(i) General.--The candidate's eye will be submitted to a general examination directed to the detection of any disease or abnormality. The candidate will be rejected if he suffers from any morbid conditions of the eyes, eyelids or contiguous structures of such a sort as to render, or to be likely at a future date to render him unfit for service.

P.T.O..

N.B.- No candidate will be accepted for appointment whose standard of vision does not come upto the requirements specified below without the use of the contact glasses. (A contact glass or lens is defined as a glass shell, the concavity of which is in contact with the globe of the eye, a layer of liquid being interposed between the lens and the cornea. The meaning of the word "glasses" wherever used in these Regulations is to be interpreted as not covering contact glasses.")

(ii) Visual Acuity.--The candidate will be examined, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to determine his acuity of vision, and the examination will include two tests, one for distant and the other for near vision. Each eye will be examined separately. No candidate will be accepted whose Visual Acuity falls below the following standards:-

A -- Railway Engineering Services and the Survey of India(Class 88)Service.

	The one ye.	The other eye.
Distant vision--		
without glasses	6/12	6/18
corrected with glasses	6/6	6/9
Manifest Hypermetropia	1.5	1.5
Near vision--		
with or without glasses	0.6	0.6

B.--Central Engineering Service,ClassI,and the Telegraph Engineering Service, Class I.

	The one eye.	The other eye
Distant vision--		
without glasses	6/34	6/24
corrected with glasses	6/6	6/12
Near vision--		
with or without glasses	0.8	1

(iii)Colour Perception.--(A)Railway Engineering Services and the Survey of India(Class II) Service.--The candidate will be examined for colour knowledge with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect of colour perception will be a cause for rejection of the candidate.

(B) Central Engineering Service, Class I, and the Telegraph Engineering Service, Class I.-- Inability to distinguish the principal colours will be regarded as a cause for rejection.

(iv) Night Blindness--Railway Engineering Services and the Survey of India(Class II)Service.-- The candidate's night Vision will be tested, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers to ascertain whether or not he suffers from night blindness. The candidate who under the conditions of the ordinary Test or Visual Acuity has 6/6 Vision with both eyes open with or without glasses will be rejected, if under the conditions of the Night Blindness Tests, his vision with both eyes open,with or without glasses, falls below 6/24

(v) Field of Vision.--(A)Railway Engineering Service and the Survey of India(Class II)Service.-- The fields of vision of the candidate's eyes will be examined with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect will be a cause for rejection of the candidate.

(B) Central Engineering Service, Class I, and The Telegraph Engineering Service, Class I.--Each eye must have a full field of vision as tested by hand movements.

7. The urine(passed in the presence of the examiner) should be examined and result recorded.

8. The following additional points should be observed:-

(a) that the candidate's hearing in each ear is good and that there is no sign of diseas of the ear;
(b) that his speech is without impediment;
(c) that his teeth are in good order and that he is provided with dentures where necessary for effective mastication (well filled teeth will be considered sound);
(d) that his chest is well formed, and his chest expansion sufficient; that his heart and lungs are sound and that his blood pressure within normal limits;
(e) that there is no evidence of any abdominal diseas;
(f) that he is not rupture;
(g) that he does not suffer from a severe degree of hydrocete,vericocele,varicose veins or piles;
(h) that his limbs,hand and feet are well formed and developed, and that there is free and perfect motion of all his joints;
(i) that he does not suffer from any inveterate skin diseas;
(j) that there is no congenital malformation or defect;
(k) that he does not bear traces of acute or chronic diseas pointing to an impaired constitution;
(l) that he bears marks of efficient vaccination, and
(m) that he is free from communicable diseases.

When any defect is found, it must be noted, the medical examiners should state their opinion as to whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate. If the condition is remediable by operation it should be so stated.

Note:- Candidates are warned that there is no right of appeal from a Medical Board, special or standing appointed to determine their fitness for the above Services. If, however, Government are satisfied on the evidence produced to them of the possibility of an error of judgement in the decision of the first Board it is open to Government to allow an appeal to a second Board.

****

NON-TECHNICAL

REGULATIONS AS TO THE PHYSICAL EXAMINATION OF CANDIDATES FOR ADMISSION INTO THE FINANCE OFFICERS, FINANCE DEPARTMENT, THE INDIAN AUDIT AND ACCOUNTS SERVICE, IMPERIAL CUSTOMS SERVICE, MILITARY ACCOUNTS DEPARTMENT, INDIAN RAILWAY ACCOUNTS SERVICE, INCOME TAX OFFICERS (CLASS I, GRADE II) SERVICE, TRANSPORTATION (TRAFFIC) AND COMMERCIAL DEPARTMENTS OF THE SUPERIOR REVENUE ESTABLISHMENT AND ESTABLISHMENT DEPARTMENT OF STATE RAILWAYS, AND POSTAL SUPERINTENDENTS (CLASS II) SERVICE.

These regulations are published for the convenience of candidates and in order to enable them to ascertain the probability of their coming upto the required physical standard. But it must be clearly understood that the Government of India reserve to themselves an absolute discretion to reject as unfit any candidate whom they may consider, on the report of the Medical Board, to be physically disqualified for the Railway Services, and that their discretion is in no respect limited by these regulations. Save as provided in Regulation 2(b) these regulations are intended merely for the guidance of Medical Examiners and are not meant to restrict their discretion in any way.

1. To be passed as fit for appointment a candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of his appointment.

2. (a) In the matter of the correlation of age, height and chest-girth of candidates of Indian (including Anglo-Indian) race, it is left to the Medical Board to use whatever correlation figures are considered most suitable as a guide in the examination of the candidates.

2. (b) For Railway Transportation (Traffic) and Commercial Departments and Establishment Department only.--- For all candidates for appointment a minimum height of 5 ft. 4ins. is required. For the candidates not of European race a minimum chest measurement of 33 ins.(girth when fully expanded, with a minimum expansion of 2 ins.) is required. These minima are absolute and no Medical Officer or Board has power to waive them.

NOTE:- The following table of correlation of age, height and chest-girth is to be used as a guide in the examination of candidates of European race. It is not applicable to candidates of Indian or mixed race.

3. The candidate's height will be measured as follows:- He will remove his shoes and he placed against the standard with his feet together and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttock and shoulders touching the standing; the chin will be depressed to bring the vertex of the head level under the horizo-ntal bar, and height will be recorded in inches and parts of an inch to quarters.

4. The candidate's chest will be measured as follows:-- He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times and the maximum expansion of the chest will be carefully noted, and the minimum and maximum will then be recorded in inches, 33--35, 34--36-1/2, etc. In recording the measurements, fractions of less than ½ inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The candidate's eye-sight will be tested in accordance with the following rules. The results of each test will be recorded:-

(i) General.-- The candidate's eyes will be submitted to a general examination directed to the detection of any disease or abnormality. The candidate will be rejected if he suffers from any squint or morbid conditions of eyes, eye lids or contiguous structures, of such a sort as to render, or to be likely at a future date to render him unfit for service.

(ii) Visual Acuity.--A.--The examination for determining the acuteness of vision includes two tests, one for distant, the other for near, vision. Each eye will be examined separately.

Railway T.(T) and C.D. and Est. Dept.

The candidate will be examined, with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers, to determine his acuity of vision.

Other Services.

Snellen's test types will be used for the test for distant vision, without glasses at a distance of 20 feet, and for the test for near vision without glasses, at any distance selected by the candidate.

B..-No candidate will be accepted whose Visual Acuity falls below the following Standards:-

	Ry. T.(T.) and C.D.		Other Services.	
	Better eye.	Worse eye.	Better eye	Worse eye.
Distant vision without glasses ..	6/12	6/18	*6/24	*6/24
Corrected with glasses ..	6/6	6/9	6/6	6/12
Manifest Hypermetropia. ..	1.5	1.5	1.5	1.5
Near vision with or without glasses ..	0.6	0.6	0.8	1

* Temporarily lowered to 6/60

P.T.O.

164

(iii) Colour perception, night blindness and field of vision.

Railway T (T.) and C.D and Est. Dept.

The candidate will be examined with the apparatus and according to the methods prescribed by the Railway Board's Standing Advisory Committee of Medical Officers. Any defect of colour perception or in regard to field of vision will be a cause for rejection of the candidate. The candidate who under the conditions of the ordinary test for Visual Acuity has 6/6 vision with both eyes open, with or without glasses, will be rejected, if, under the conditions of the Night Blindness Test, his vision with both eyes open, with or without glasses, falls below 6/24.

Other Services.

(a) Each eye will be examined separately and lids must be kept wide open during the test.

(b) Inability to distinguish the principao colours will not be regarded as a cause for the rejection but the fact will be noted in the proceedings and candidates will be informed.

(c) Each eye must have a full field of vision as tested by hand movements.

(vi) The degree of acuteness of vision of all candidates for appointments will be entered in the proceedings in the following manner.

V.R. is equal to ....; with glassess--.................. .; Reads ....;

V.L. is equal to ....; with glasses--......................; Reads ....;

(v) In cases of serious abnormality the opinion of an ophthalmic specialist should be obtained.

Note.-- No candidate will be accepted for appointment if his vision does not come up to the requirements specified above without the use of contact glasses. (A contact glass or lens is defined as a glass shell, the concavity of which is in contact with the globe of the ey, a layer of liquid being interposed between the lens and the cornea. The meaning of the word "glasses" wherever used above is to be interpreted as not covering contact glasses).

7. The ~~Urine (passed in the presence~~ of the examiner) should be examined and the ~~result recorded~~.

8. The following additional points should be observed:-

(a) that the candidate's hearing in each ear is good and that there is no sign of disease of the ear;

(b) that his speech is without impedimentl

(c) that his teeth are in good order and that he is provided with dentures where necessary for effective mastication(well filled teeth will be considered as sound);

(d) that his chest is well formed and his chest expansion sufficient: and that his heart and lungs are sound;

(e) that there is no evidence of any afdominal disease;

(f) that he is not ruptured;

(g) that he does not suffer from hydrocele, a severe degree of varicocele, various veins or piles;

(h) that his limbs, hands and feet are welo formed and developed and that there is free and perfect motion of all his jomnts;

(i) that he does not suffer from any inveterate skin diseas;

(j) that there is no congenital malformation or defect;

(k) that he does not bear traces of acute or chronic diseas pointing to an impaired constitution;

(l) that he bears marks of efficient vaccination; and

(m) that he is free from communicable diseas.

When any defect is found it must be noted in the certificate and the medical examiner should state his opinion whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate. If the condition is remediable by operation it should be so stated.

Note.--Candidates are warned that there is no right of appeal from a Medical Board, special or standing appointed to determine their fitness for the above Services. If, however, Government are satisfied, on the evidence produced to them of the possibility of an error of judgement in the decision of the first Board, it is open to Government to allow an appeal to a second Board.

BY AIR MAIL.

GOVERNMENT OF INDIA.

MINISTRY OF EDUCATION.

No. F. 33-28/49-S.-1. *New Delhi 3, the 18th July, 1950*

FROM

The Secretary to the Government of India.

To

The Secretary,
Education Department, Indian Embassy,
2107, Massachusetts Avenue, Washington, D.C.

The Secretary to His Excellency the High Commissioner for India,
Education Department, India House, Aldwych, London, W.C.-2.

SUBJECT:—*Revised Overseas Scholarships Scheme—1949-50. Amount of Scholarships in United Kingdom, United States of America.*

SIR,

I am directed to state that the Government of India are pleased to sanction the following payments to their sponsored scholars who may be sent abroad for training under the Modified Overseas Scholarships Scheme, 1949-50, and who would be entitled to payment of full cost on the application of the 'Means Test' formula (copy enclosed herewith for information, which, it is requested, should be treated as confidential).

(1) MAINTENANCE ALLOWANCE:

(*a*) For U.K.—£30 per mensem in institutions other than Oxford and Cambridge.

£33⅓ per mensem in Oxford and Cambridge.

(*b*) For U.S.A.—$125 per mensem.

(2) *ESSENTIAL APPARATUS AND TRAVELLING ALLOWANCES:

Up to a maximum of £40 P.A. in U.K. and $200 P.A. in U.S.A.

**N.B.*—This will be admissible only to Government deputationists or other University Professors or Lecturers for whom purchase of equipment and touring is considered by the Government of India as an essential part of their training and the amount in each case will be sanctioned according to requirements subject to the maximum laid down. The maximum sum to be paid will be calculated proportionately if the period of training involves a fraction of a year.

(3) MEDICAL EXPENSES.—Nil.

Students will be advised to insure themselves at their own expense, if they so desire.

(4) EQUIPMENT AND SEA JOURNEY ALLOWANCES.—*Nil.*

(5) PASSAGE:

(*i*) Class II Railway fare from the place of residence to port of embarkation in India and back.

(*ii*) Second/Tourist Class sea passage both ways, whichever is available.

(*iii*) Third Class (in U.K.)/Coach Class (in U.S.A.) from the port of disembarkation to the place of study and back.

2. It has been decided that only a consolidated allowance will be admissible on the application of a 'Means Test' in accordance with the prescribed formula, a copy of which is enclosed. In the case of each candidate you will be informed under what category his case falls and you are to make payments appropriate to that category under the 'Means Test' formula.

3. No extension will be granted beyond the specified period of training. If, however, a student wishes to stay abroad after the specified period, he will have to do so at his own expense. Only in very exceptional cases extensions will be considered on a recoverable loan basis.

4. No request for any other free financial help will be entertained by Government. In genuine cases of need, however, Government may consider requests for loans with usual interest charges, for purposes directly connected with the course of study/training prescribed for the scholar or for medical treatment subject to repayment in the manner and on such terms as may be prescribed by the Government in each case.

5. As regards the cases of permanent Government Servants who may be sent abroad under this Scheme they will be treated as on Study Leave from the date of making over charge of their duties in India to the date of resumption of charge on return. Such persons will be entitled to Leave Salary and Study Allowance admissible to them under the ordinary rules, in lieu of the maintenance allowance admissible to other scholars. In case the sum total of the Leave Salary and Study Allowance falls short of maintenance allowance admissible to non-study leave scholars, the difference will be paid by Government as an additional allowance to Study Leave Scholars. Other concessions in the case of Study Leave Scholars will be the same as for Non-Study Leave Scholars.

I am, in this connection, to invite your attention to this Ministry letter No. D.-1644/49-S.-5, dated 11th November 1949, (copy enclosed for ready reference) and to state that the Leave Salary in each case will be payable to the Scholars' nominees in India, while the Study Allowance will be paid to the scholars in the country of study at the rates and subject to the conditions prescribed for the payment of Study Allowance, from time to time. The existing rates of Study Allowance are 16s. per day in the U.K. and 30s. per day in the U.S.A. and Canada.

6. Payments should be made in quarterly instalments, in advance. If, for some special reason in any particular case, you consider it justifiable to modify the schedule for payment of allowances, you may do so and report to the Government of India of the action taken together with reasons thereof.

7. Tuition and examination fees should be paid by you direct to the Universities or institutions concerned in every case. No money is to be paid for typing Thesis.

8. In addition to the rates of stipend sanctioned by Government, if a student is in urgent need of more funds, exchange facilities up to an amount equal to the difference between the rates now allowed and the rates for private scholars will be made available to him. The student will have to meet this expenditure from his own personal resources.

This letter has been issued with the concurrence of the Ministry of Finance.

Yours faithfully,

(NAUHRIA RAM),
for *Secretary.*

No. F.-33-28/49-S.-1.

Copy, with a spare copy, forwarded to the Ministry of Finance, (E.G. Division), for information and communication to the Accountant-General, Central Revenues, New Delhi. The concurrence of the Ministry of Finance was obtained *vide* their U.-O. No. 33 (1) E.D./50, dated 15th June 1950.

Copy, with a spare copy, also forwarded to the Ministry of Finance, (E.F. Division), for information and communication to the Reserve Bank of India, Bombay.

Copy to:—

Madras Govt. ✓*(*i*) All State Governments. Part A.
(*ii*) All Sections in S. Division/Tech. Division/A.-2 Section/D.-3 Section.
*(*iii*) Ministry of Agriculture/Ministry of I. and B./Ministry of Communications/Ministry of Defence/Ministry of I. and S./Ministry of W. M. and P. and Department of Scientific Research.
(*iv*) Other Ministries of the Government of India for information.
(*v*) Other sections in Ministry of Education for information.
(*vi*) Ministry of States, with 30 spare copies, for communication to Parts B and C States.

ASSISTANT SECRETARY
26 JUL 1950
21098
EDUCATION DEPARTMENT

By Order,

(NAUHRIA RAM),
for *Secretary.*

The Accountant-General, Central Revenues, New Delhi.

SUBJECT:—*Permanent Central Government Servants on Study Leave to America for higher studies under Overseas Scholarships Scheme—Drawal of Leave Salary in India.*

SIR,

I am directed to say that in partial relaxation of the provisions contained in Rule 91 of the Fundamental Rules, the Governor-General is pleased to direct that those permanent Central Government Servants who may be selected in future for being sent to America/Canada on study leave terms under the Overseas Scholarships Scheme, shall draw their leave salary in India for the entire period of their leave. The Governor-General is also pleased to permit those permanent Central Government Servants who were selected in previous years for being sent to America/Canada on Study Leave Terms under the Overseas Scholarships Scheme, to draw at their option their leave salary in India for the entire period of their leave or the unspent portion thereof. The payment of leave salary in India will in either case, be subject to the Rupee rates prescribed for the payment of leave salary in Asia.

---

*With 10 spare copies.

The above relaxation has the concurrence of the Ministry of Finance *vide* their U.-O. Note No. 2665-ED./49, dated the 22nd October 1949, and a copy of this letter is being separately forwarded to you through that Ministry.

Yours faithfully,

N. RAM,
for *Secretary*.

No. D.-1644/49-S.-5.

Copy forwarded for information to:—

(*i*) All the Ministries and Departments of the Government of India except the Ministries of Finance, States, and Information and Broadcasting.

(*ii*) Ministry of Finance (with a spare copy for onward transmission to the Accountant-General, Central Revenues), with reference to their U.-O. No. 2665-ED./49, dated the 22nd October 1949.

(*iii*) Ministry of States with 45 spare copies for onward transmission to Indian States and Unions.

(*iv*) Ministry of Information and Broadcasting, with 12 spare copies.

(*v*) All Provincial Governments. They are requested to consider the desirability of issuing similar orders in respect of their permanent Government Servants proceeding to America for higher studies under the above scheme. Their decision in the matter may be communicated to this Ministry at a very early date for onward transmission to the Indian Embassy, Washington. In case no reply to this communication is received by the 25th November, 1949, their concurrence in the matter regarding the Provincial Government Servants will be assumed.

Copy to:—

1. The Education Secretary, Embassy of India, 2107, Massachusetts Avenue, Washington, 4 D.C., United States of America. It is requested that the above orders may please be communicated early to all the Central Scholars who have been granted study leave by the Government of India. It is further requested that students to the United States of America/Canada should preferably draw their leave salaries in India in view of the dollar shortage. Particulars of those among them who may choose to draw their leave salary in India, together with full names and addresses of their nominees in India and the dates up to which their leave salary has been paid to them in the United States of America may be communicated to this Ministry at an early date.

From

The Secretary to the Government of India,

To

Messrs. Govan Agencies Ltd.,
Scindia House,
New Delhi.

SUBJECT: MODIFIED OVERSEAS SCHOLARSHIPS SCHEME - 1949-50 - APPOINTMENT OF TRAVEL AGENTS.

....

Gentlemen,

I am directed to say that the Government of India are pleased to appoint you as their Travel Agents to look after the passage arrangement of students to be selected by them this year (1950) for the award of the Government of India scholarships for advanced studies under the above Scheme in the United Kingdom, United States of America, Canada, Australia, New Zealand and such other countries where the facilities for suitable training desired by the Government of India are available.

Subject to your confirmation to act as Travel Agents, the Government of India are pleased to authorize you to pay, on their behalf to each of the students selected by them for the award of Overseas Scholarships (Central) 1949-50, the following amounts in addition to arranging for them second class (or where there is not second class, the class next below first class) sea passage from the port of embarkation to the country of their study:

i) One Single Second Class railway fare (or Ticket) from the normal place of residence of the student to the port of embarkation. Where there is not Second Class, the fare next below first class may be paid and where the railway fare is different from that chargeable for the shortest route, the reason for this deviation should be given.

ii) Students are entitled to the reservation fees for Railway travel which may also be paid to them at the time of embarkation. This must be shown separately in the bill.

The Government of India also agree to reimburse to you the expenditure incurred on telegrams sent by you to the students and to this Ministry, provided you certify in writing that the amount chargeable is on account of the actual expenditure incurred.

All the students will be asked to contact you as early as possible. This Ministry should be kept informed of all relevant sailings. The information given should include the name of the ship, its sailing date, its port of departure as well as a list of giving the names of candidates sailing by the particular boat. Similar information should be cabled to the Education Department, Indian Embassy, 2107 Massachusetts Avenue, N.W., Washington D.C., or the High Commissioner for India in the United Kingdom(London) and Australia(Canberra) as the case may be, as soon as a ship leaves. The arrival of the boat at the port of destination together with a list of students who have disembarked therefrom should also be intimated to this Ministry. This Ministry may also be supplied with a list of those students who refuse the offer of accommodation on each ship with the reasons given by the students for such a refusal.

P.T.O.

A list showing the names of the selected candidates, their roll numbers and their addresses etc. will be forwarded to you later. Candidates are allotted roll numbers for facility of reference and they will be asked that in all references to you they should invariably quote this number.

Endeavours are being made to secure places for the selected candidates in institutions abroad and as soon as admissions are secured a list giving the names of admitted candidates together with their roll numbers will be communicated to you for arranging passages. Passage should not be arranged for any Government sponsored candidate until you receive intimation of admission in institutions abroad from this Ministry.

In all cases a stamped receipt should be taken from each candidate for the monies disbursed. The receipts should be forwarded to this Ministry with the bills submitted for payment.

The above arrangement is only for this year and carries with it no commitment, even by implication, in regarding to subsequent years.

The full addresses of your branches in India with their telegraphic addresses may please be furnished to this Ministry immediately.

Yours faithfully,

N. S. Junankar

(N.S. Junankar)

SUBJECT: MODIFIED OVERSEAS SCHOLARSHIPS SCHEME - 1949-50 - AWARDS OF SCHOLARSHIPS TO EDUCATIONAL INSTITUTIONS ON 50 : 50 BASIS.

Sir,

I am directed to state that the Central Selection Board set up by the Government of India for the selection of candidates for scholarships under the Modified Overseas Scholarships Scheme 1949-50, interviewed all the candidates except those who were already abroad, whose applications were received against the awards allocated to the Universities and Educational Institutions under the control of Central and various State Governments. The Government of India regret to inform the State Government that the Central Selection Board did not approve of the selection of any of the nominees of institutions under the control of the State Government whose applications were received by this Ministry. A statement indicating the decision of the Central Selection Board in respect of each nominee of educational institutions is attached herewith.

No.F.8-2/50-S.I
Government of India
Ministry of Education.

New Delhi, the 14th August 1950.

MEMORANDUM.

Subject:- Modified Overseas Scholarships Scheme, 1949-50 (Central).

The undersigned is directed to state that the Government of India have appointed Messrs Govan Agencies Ltd., Scindia House, Connaught Circus, New Delhi, as their Travel Agents for making necessary passage arrangements in respect of all candidates provisionally selected for training abroad under the Modified Overseas Scholarships Scheme, 1949-50. All arrangements for passages should be made through them. All selected candidates must, on receipt of this memorandum, get into touch with the Travel Agents for all arrangements to be made in connection with voyage. The candidates' addresses as given by them are being furnished to the Travel Agents by this Ministry. Any change in their addresses should be notified at once direct to the Travel Agents by the candidates themselves under intimation to this Ministry. Roll Nos. have been allotted to the candidates for facility of reference and it is to be noted that in all correspondence to the Travel Agents or to this Ministry, this number should invariably be quoted.

2. As soon as it is known that admission has been secured for a selected candidate, this Ministry will ordinarily make such passage arrangements including passage priority, instruct the Travel Agents to book a passage for him and will at the same time inform the candidate who must immediately contact the Travel Agents. The date of departure and the date on which the candidate should reach the post of embarkation will be intimated to him by the Travel Agents whose instructions in this connection must be strictly followed. Any candidate refusing a passage when it is offered will be liable to forfeit his scholarship.

3. Selected candidates have to make their own arrangements for securing passports and Visas.

4. All selected candidates will be medically examined by a Medical Board before they leave India and a separate communication is being addressed to them in this connection.

5. The educational institutions abroad invariably require candidates to show their original certificates, diplomas, testimonials etc. and candidates should, therefore, take all such papers with them.

6. The receipt of this memorandum may please be acknowledged.

SUBJECT: MODIFIED OVERSEAS SCHOLARSHIPS SCHEME 1949-50.

Dear Sir,

not needed

In continuation of this Ministry letter of even number dated the 16th August, 1950, I enclose herewith a list of State Governments deputationists whose selection for training abroad under the Modified Overseas Scholarships Scheme 1949-50 has been approved. These awards are provisional subject to the conditions that these candidate/are medically found fit and their admissions are secured.

2. As in previous years the candidates are to be offered II Class or 'B' Grade passages and if that is not available, the Class next below Ist Class. The following passage allowances are admissible to the candidates :

(i) Class II Railway fare from the place of residence to port of embarkation ~~of~~ in India and back.

(ii) Second/Tourist Class sea passage bothways, whichever is available.

(iii) Third Class (in United Kingdom)/Coach Class (in United States of America) from the port of disembarkation to the place of study and back.

3. No pocket money and other allowances e.g. equipment, sea journey, or baggage or insurance allowances are admissible to the deputationists unless you hear to the contrary from the State Government who are to bear the entire cost of training of the deputationists.

4. Admission of these candidates as and when secured will be communicated to you by this Ministry.

5. We shall be glad to furnish any further information required by you in this connection.

Yours faithfully,

SUBJECT: MODIFIED OVERSEAS SCHOLARSHIPS SCHEME 1949-50 - SELECTION OF STATE GOVERNMENT NOMINEES.

......

Sir,

I am directed to state that the Central Selection Board set up by the Government of India for selection of candidates for scholarships under the modified Overseas Scholarships Scheme, 1949-50 considered the applications of State Government's nominees received against the demands allocated to them, which were communicated to them in this Ministry letter No.F.1-1/49-S.2., dated the 31st May, 1950. A Statement indicating the decision of the Central Selection Board in respect of each nominee of the State Government is sent herewith. The country/countries wherein the arrangements for training of the selected nominees of the State Government are being made is/are also shown in the statement refer ed to. The applications of the candidates have been forwarded to our officers abroad for making provisional admission arrangements.

[illegible]

p.195 [illegible]

(i)for
Assam Govt.
(ii)for
Uttar
Pradesh
Govt.

The necessary arrangements for training of (i) Mr. B.P. Changkakati/(ii) Mr. Jagdish Narain are being made through the Ministry of Transport of the Government of India who have their own scheme for arranging training in respect of serving road engineers.

The State Governments are requested to communicate to this Ministry the exact branch of subject, and the programme of work tha the candidates whose selections have been approved, are to pursue for their training abroad. In some cases candidates concerned have furnished full information in respect of the courses of study and the institution where they wish to receive training and it is hoped

P.T.O.

192

~~that the~~ State Government approves of the same. Any additional programme which the State Government may like to outline for any particular candidate may please be communicated immediately to this Ministry so that our officers abroad may be informed.

It is hoped that the candidates nominated by the State Governments and whose candidature has been approved from merit point of view by the Central Selection Board will return to their posts, in cases of those who are permanent employees of the State Government, and will be offered suitable posts in cases where candidates are not in permanent service or who are unemployed.

As regards the financial implications I am to state that the Government of India in view of the financial stringency and the limited funds placed at their disposal for the implementation of the modified Overseas Scholarships Scheme agreed to the allocation of certain scholarships to the State Government on the condition that their nominees are entitled to study leave terms, vide in this connection statement forwarded with this Ministry letter No.F.1-1/49-S.2., dated the 31st May, 1950. The idea was that the total cost of training in respect of State Government nominees will be borne by the State Governments themselves, and the Government of India would not share the expenditure in view of the linked (limited) funds available for Modified Overseas Scholarships Scheme. It is observed that some of the candidates recommended by some State Governments and approved by the Central Selection Board are not entitled to study leave terms or are not in the employ of the State Government. The Government of India wish to emphasise that the cost of training in respect of these nominees as well will have to be borne by the State Government themselves.

vide p/

I am to refer to this Ministry letter No.F.33-39/49-S.1., dated the 22nd July, 1950, regarding the medical examination of scholars to be selected for training abroad under the modified Overseas Scholarships Scheme 1949-50 and to suggest that the

pp 153-164 ante

P.TO

193

100

State Governments may also arrange for the medical examination of their approved nominees and send them abroad only if they are found medically fit by the Medical Board. In this connection they may kindly refer to this Ministry letter No.F.5-10/50-S.1., dated the 21st August' 50, addressed to the Chief Secretaries to the State Governments requesting them to arrange for the medical examination of approved candidates.

pp 201-203 c/p

I am further to invite your attention to para 6 of this Ministry letter No.F.1-1/49-S.2., dated the 31st May, 1950 wherein it was stated that each selected candidate would be required to sign a Bond to serve the Government/University or Institution concerned for a specified period after completion of his training abroad, or in lieu thereof to return all the monies spent on his training. The Government of India consider that the execution of a Bond, even by permanent Government servants, is necessary as it has been observed that some of them after receiving foreign training resigned their original appointments and took over more remunerative

vide p/

P.T.O.

posts elsewhere and as such unless a Bond is executed the Government fail to utilise their services after they have received foreign training. A copy of the Bond prepared by the Government of India for their own scholars is sent herewith for the information of the State Government and if they like they may utilise it with necessary modifications in the case of their nominees. As regards the rate of stipend and other terms admissible to scholars under the modified Overseas Scholarships Scheme of the Ministry of Education, I am to invite your attention to this Ministry letter No.F.33-28/49-S.I., dated the 18th July, 1950, especially paragraph 5 thereof. It is hoped that the State Governments will send their nominees on the terms laid down therein.

SUBJECT: MEDICAL EXAMINATION OF SCHOLARS SELECTED FOR TRAINING ABROAD UNDER THE MODIFIED OVERSEAS SCHOLARSHIPS SCHEME, 1949-50.

....

Sir,

In continuation of this Ministry letter No.F.33-39/49-S.1., dated the 22nd July, 1950, I am directed to forward herewith a list of scholars together with their addresses whose medical examination has to be arranged. I am to request that the students may kindly be contacted direct at the addresses given in the attached list and their medical examination arranged at a very early date as some of these students have to go abroad by October 1950; A copy of the Medical Examination Report may kindly be furnished to this Ministry as soon as the medical examination is over. In this connection, I am also to refer you to this Ministry's letter No.F.1-1/49-S.2., dated the 9th August, 1950 addressed to the State Government on the subject of scholars selected under the above scheme.

MEMORANDUM.

SUBJECT: MEDICAL EXAMINATION OF CANDIDATES SELECTED FOR OVERSEAS SCHOLARSHIPS.

The undersigned is directed to state that it has been decided by the Government of India that all candidates selected for award of Overseas Scholarships have to undergo a medical examination with a view to ascertain their suitability for withstanding rigours of climate in the country of study abroad and also for holding appointments on their return to India after completion of studies. The exact date, time and place of medical examination will be communicated by the Medical Board set up for the purpose. Mr. ____________________ is, therefore, advised to keep himself ready to appear before the Board as soon as an intimation is received from them.

No travelling allowance will be paid to the candidates for the journey undertaken for this purpose; the amount of examination fees, if any, charged by the Medical Board should be paid by the candidates themselves.

REPORT

OF

THE CENTRAL SELECTION BOARD

(Modified Overseas Scholarships Scheme)

सत्यमेव जयते

Publication No. 105

GOVERNMENT OF INDIA
MINISTRY OF EDUCATION
BUREAU OF EDUCATION

REPORT OF THE CENTRAL SELECTION BOARD, OVERSEAS SCHOLARSHIPS SCHEME FOR THE SELECTION OF CANDIDATES FOR HIGHER TECHNICAL EDUCATION UNDER THE MODIFIED OVERSEAS SCHOLARSHIPS SCHEME—1949-50 AND 1950-51.

The Central Selection Board have the honour to present a report on the work of selecting candidates for technical training overseas under the Modified Overseas Scholarships Scheme—1949-50 and 1950-51 entrusted to them by the Hon'ble Minister for Education. In order that there might be as little delay as possible in placing students in Universities and Technical Institutions abroad, the Board have submitted to the Government of India the names of candidates whom they recommend for the award of scholarships. A list of 52 candidates selected (including those selected through the Union Public Service Commission) with the subjects of training, duration of study and country of training is given in the Appendix to this Report.

2. **Origin of the Modified Overseas Scholarships Scheme.**

A Committee consisting of Dr. B. C. Roy (Chairman), Dr. H. J. Bhabha, Dr. Naziruddin Ahmed, Dr. B. B. Dey and Mr. N. K. Sidhanta was appointed by the Hon'ble Minister for Education in the year 1947 to enquire into the progress and scope of the Overseas Scholarships Scheme which was initiated in 1945 and to make recommendations for effecting improvements. The main recommendations contained in the report of the Committee are stated below for record :—

(i) the ultimate aim should be to develop the scientific, technical and educational institutions in this country to such a level that training in all branches of study, theoretical and practical, should be available in the country itself. The Overseas Scholarships Scheme is essentially a short-term measure intended to last only so long as adequate facilities for training are not available in India.

the scope of the Overseas Scholarships Scheme should be enlarged so as to take into account the needs of the country as a whole, and not only those of Departments of Government, Central and Provincial. The needs of the Universities, Research Institutions, Statutory Bodies like Port Trusts and Improvement Trusts, and Public Utility Concerns, as well as of Industry generally should be catered for.

(ii) Universities, Public Bodies etc. who participate in the Scheme should bear 50% of the expenditure on the scholarships allotted to them.

(iii) the following should be the guiding principles in assigning priorities in the allocation of scholarships :—

(a) scholars should be sent abroad with a view to their manning our educational institutions on return so that they will assist in training specialists in ever-increasing numbers.

(b) a certain number of scholars should be sent abroad for training in special subjects for which there is an urgent demand from Government or Industry and for which training is unobtainable in India.

(iv) the Humanities should also be included within the scope of the Scheme.

(v) having regard to the fact that in most cases scholars sent abroad are to become advanced teachers in their subjects, scholarships should not be awarded except to persons who have proved their ability for research. The sending abroad of young men who have just completed the B.Sc. or M.Sc. course is not likely to yield the best returns. There should, therefore, be a subsidiary scheme of scholarships by the Government of India to enable young students to do research in India for a period of two to three years; and Overseas scholars should be selected mainly from among these indigenous scholarship holders and from among the junior staff of Universities and Research Institutions who have proved their aptitude for research.

(vi) attempts should be made to place scholars where necessary in Institutions other than those in the English speaking countries.

(vii) in order to facilitate the employment of scholars on completion of their training, as long a notice as possible of their return should be given. If, however, a scholar is not provided with employment within six months of his return, he should be released from the terms of the Bond giving an undertaking to serve the Sponsoring Authority, and he should be free to seek employment elsewhere.

(viii) in view of the inclusive nature of the proposed Scheme there should be only one agency to administer the Scheme. It would not be necessary to allow the Ministry of Health to administer a separate Scheme as is the case now. The Technical Training Scheme now administered by the Ministry of Labour, however, is of a different nature, and that Ministry may be allowed to administer that Scheme separately.

(ix) in order to facilitate early and coordinated planning, financial sanction should be granted for the Scheme for a period of five years and not from year to year as is the case now.

(x) the number of Overseas Scholarships should be progressively reduced to half the number awarded now.

3. The recommendations were generally accepted by Government and it was decided to implement them bearing in mind the following considerations :—

(i) emphasis should be laid generally on sending those persons for training, who, on their return, can train others in branches in which special facilities do not exist in India.

(ii) no person should be sent abroad for training in a subject in which facilities already exist in India.

(iii) only such persons should be sent abroad as can be absorbed in specific undertakings, in operation or planned.

4. The Ministry of Education on the directive of Government addressed a circular letter dated the 18th February 1949 to all State Governments and Ministries of the Government of India asking them to send their demands for scholarships under the Modified Overseas Scholarships Scheme by the 31st March 1949. It was made clear in that letter that training of the following types will be provided for under the Scheme :—

(a) training in specialised subjects for which there is an urgent demand from Governments, both Central and State, either in connection with their current needs or their future plans of expansion;

(b) training in specialised subjects required for manning Government sponsored industrial undertakings; and

(c) training in specialised subjects and advanced studies required for manning educational and technical institutions like Universities and Research Institutes, and Public Utility Concerns.

It was added that in order to meet the above objectives, it was considered desirable to send the following categories of people for training abroad:—

(i) Scientists and Technicians with established reputation in their own fields to be sent for a short period, say about six months, to keep abreast of latest developments and to visit laboratories and industrial concerns;

(ii) younger teachers from Universities and other educational institutions who need further advanced training for varying periods with a view to improving the standard of institutions where they are already working; and

(iii) comparatively younger men who may require longer period of study and training abroad.

The last category would meet the following two distinct requirements:—

(a) to afford facilities to those young persons of proved ability whom it is desired to make higher specialists in subjects, in the further specialisation of which no facilities exist in the country; and

(b) carefully chosen persons with certain basic minimum qualifications to be sent abroad to study subjects in which no facilities exist in the country even for the basic training.

5. The Ministries of the Government of India and the State Governments were also required to nominate their own employees for further training in case it was thought that their further training would improve the efficiency of their work in their own lines.

6. The Roy Committee had recommended that in view of the inclusive nature of the new Scheme, there should be only one agency to administer the Scheme and that the Education Ministry should be the sole administering authority in respect of the Schemes of the Ministries of the Government of India, State Governments, Public Utility Concerns and Universities and other educational institutions. The task of administering the scheme was, therefore, much more formidable than under the old scheme, but as the following paragraphs will show the scheme foundered on the rock of finance.

7. It is necessary to state the position with regard to the representation of communities in the award of scholarships. Under the old scheme, the principle out-lined in the Home Ministry's circular regarding representation of communities in service was made applicable in the award of scholarships for overseas training. The Roy Committee considered this question very carefully and expressed their definite opinion that as the scholars sponsored by the Government would be persons who on return are to be the leaders of the scientific and educational development of the country, merit alone should be the basis for award of scholarships, but preference may be given to candidates belonging to a community which is educationally backward in cases where two or more candidates are available possessing roughly equal qualifications and ability. The Government accepted this position. From the list of candidates who have been finally selected for the

award of scholarships, it is found that only one belonging to an educationally backward community could be selected because candidates from these communities with suitable qualifications were not available.

HN 1-8 / (D)

8. In response to the circular letter issued to all State Governments and Ministries of the Government of India, 508 demands for scholarships were received. Of these 82 were in respect of the training for senior teachers and scientists, 239 for junior teachers and officers and 187 for open scholarships for young persons. Their distribution Statewise is given in the table below:—

Modified Overseas Scholarships Scheme, 1949-50.

Category B(i)—Demands from scientists and technicians of established reputation for a period of six months.

Category B(ii)—Demands from teachers from universities and other educational institutions for training for a period of 1 to 1½ years.

Category B(iii)—Demands from younger persons for training for a period of 2 to 3 years, mainly for open scholarships.

The implementation of all the demands for scholarships would have cost Government a sum of about 80 lakhs of rupees but only a sum of Rs. 6·7 lakhs had been placed at the disposal of the Ministry of Education for the implementation of the entire 1949-50 Modified Overseas Scholarships Scheme. It was, therefore, necessary to reduce the demands for scholarships received from various sponsoring authorities and to allocate scholarships on an equitable basis within the small amount available.

9. The Hon'ble the Education Minister appointed an Advisory Board under the chairmanship of Dr. Tara Chand, Secretary, Ministry of Education, with the following membership to scrutinise the demands and to make recommendations to Government as to which demands should be accepted :—

(1) Mr. G. V. Bewoor, Managing Director, Air India Ltd.
(2) Mr. Brij Narain, Joint Secretary, Ministry of Finance.
(3) Mr. G. K. Chandiramani, Deputy Educational Adviser (Technical), Ministry of Education.
(4) Dr. K. S. Krishnan, Director, National Physical Laboratory.
(5) Dr. C. R. Reddy, Vice-Chancellor, Andhra University.
(6) Mr. B. Shiva Rao, M.C.A. (now M.P.)
(7) Dr. S. Siddique, Director, National Chemical Laboratory.
(8) Mrs. P. Johari, Deputy Educational Adviser, Ministry of Education.

The Board met on the 11th and 12th August 1949 in New Delhi and again on the 25th August 1949. The Advisory Board accepted only 31 per cent of the total demands for scholarships received from various sponsoring authorities. Their distribution department-wise and State-wise is given in the table below :—

---

*Includes 20 demands not specifically stated as B (ii).
†Includes 23 demands not specifically stated as B (ii).

Total	160

10. For the purpose of selecting suitable candidates under the Modified Scheme, the Hon'ble the Prime Minister approved the appointment of a Central Selection Board with the following membership :—

(1) Secretary, Ministry of Education (Chairman)

(2) A Member nominated by the Union Public Service Commission (Shri G. C. Chatterji was nominated by the Commission), and

(3) A representative of the Ministry against whose demand candidates were to be selected.

11. Due to financial stringency, the Ministry of Finance directed that the Modified Overseas Scholarships Scheme should not be implemented during 1949-50. For 1950-51, the Ministry of Finance placed a sum of Rs. 2·82 lakhs at the disposal of the Ministry of Education for the entire period of training of scholars selected under the Modified Scheme. The budget provision for the Scheme was thus reduced by 58% and, therefore, the work already done by the Advisory Board needed further scrutiny and spruning. The time factor postponing the implementation of the Scheme added to the work of the Ministry of Education. All the sponsoring authorities had to be again addressed to state whether the demands for scholarships as approved by the Advisory Board during 1949-50 still held good and whether in the light of the new circumstances and the lapse of one year which took place since they sent their demands, they wanted to suggest any fresh demands in preference to their previous ones. The sponsoring authorities were also asked to arrange their demands in order of preference as they were likely to be reduced in order to keep the expenditure within the sum allotted for the Scheme.

12. Since the amount for the Modified Overseas Scholarships Scheme was considerably reduced and since only a limited number of scholarships could be awarded from it, the Hon'ble the Education Minister decided to allot the following priorities to the demands received from various sponsoring authorities :—

(A) Universities and research institutions.

(i) Scientific and Technological subjects, and

(ii) Other subjects.

(B) Governmental organisations for Scientific and Technological subjects only.

(i) Union Government.

(ii) State Governments.

(C) Other organisations for Scientific and Technological subjects only.

The demands sent by the sponsoring authorities in order of their preference, were scrutinised in accordance with the priorities and the final allocation of scholarships was made strictly within the priorities fixed and provision placed for the implementation of the Scheme.

It will be seen from the Appendix that the bulk of the candidates selected were already in employment and only a small percentage were selected against anticipated posts of the various Ministries of the Government of India. In order to ensure the employment of the latter category of scholars on their return to India after training it was decided to entrust the work of their selection to the Union Public Service Commission.

13. The Central Selection Board met on 8th June 1950 to award scholarships to officers entitled to study leave/deputation and approved the candidates whose names are given in the Appendix (Nos. 1—18). pp. 12-13 infra

The Board decided that an interview for these officers was not necessary since they had already been considered suitable by their respective Ministries and that no candidate should be selected who could not normally be expected to serve for at least five years after his return.

14. The Central Selection Board met again from the 18th to the 22nd July 1950 and on 4th January 1951 to consider the applications of candidates recommended by Universities and Institutions and State Governments. All the candidates from institutions were interviewed by the Board. In respect of these candidates Government of India had agreed to bear 50% of the cost of their training. The remaining 50% was to be met by the Institution or the candidate concerned. The names of the candidates recommended for the award of overseas scholarships are given in the Appendix (Nos. 19—39). pp 14-17 infra

The Board did not consider it necessary to interview the nominees of the State Governments since they had already been considered suitable by the sponsoring Governments and the money on their training was not to be borne by the Government of India. However, the Board examined their applications, and gave its opinion regarding their suitability for the award of overseas scholarships. The names of those regarded suitable are given in the Appendix (Nos. 44-52). pp 17-18 infra

15. The Board felt that it was necessary to make certain general observations in regard to the selection this year. The following points may be particularly mentioned in this connection :—

(i) The Board recorded that institutions had recommended candidates who did not have the minimum qualifications and training in the subject for which they were recommended. The Board considered it extremely important that only those candidates who have the necessary qualifications in the subject of study should be recommended.

(ii) In certain cases it was noticed that the candidates recommended were not probably the best available for the subject for which they were recommended. The Board considered it highly important that in forwarding applications for scholarships the forwarding authorities should take into consideration the cases of all candidates who have similar qualifications in the subject for which they are recommended and only the best ones need be recommended.

(iii) In other cases candidates were recommended in subjects, facilities for which are available in India. It should be recognised that the Government of India Overseas Scholarships are intended to provide opportunities for advanced study abroad in subjects for which suitable facilities are not available in India. Consequently, before making their recommendations, the sponsoring authorities should satisfy themselves fully as to the suitability of the candidate as well as the non-availability of the course of study in India.

16. Before concluding this report, mention may be made as to how the modified Overseas Scholarships Scheme is an improvement on the old Overseas Scholarships Scheme. Under the old Overseas Scholarships Scheme as many as 476 Central and 416 Provincial (States) scholars were selected during the years 1945, 1946 and 1947. The Government of India bore the entire expenditure in respect of the Central scholars and shared expenditure on a 50 : 50 basis in respect of Provincial (States) scholars. Upto 30th September 1950 391 Central and 296 Provincial scholars (A States) have returned after completing their studies abroad. Of these about 80% of the Central scholars and about 60% of the Provincial Scholars are employed. Under the Modified Overseas Scholarships Scheme no returned scholar is likely to be unemployed. It largely caters for the needs of the Universities and higher organisations with the object of strengthening their existing staff so that they are able to train people in India itself. The result is that it will become progressively unnecessary to send candidates abroad for foreign studies except perhaps for short refresher courses. The scheme also meets at least to some extent the more important needs of the Ministries of the Government of India who must train their people abroad until such time as institutions in India are able to provide the necessary facilities. Finally under the Modified Overseas Scholarships Scheme there is a considerable saving to Government because all participating non-Government institutions are required to meet 50% of the cost of the training of their scholars. This also acts as a check on the selection of nominees, for institutions are likely to take greater care in such selection when they have to bear half the cost of training of the selected candidates.

APPENDIX

List of Candidates selected for overseas scholarships under Modified Overseas Scholarships Scheme, 1949-50 and 1950-51.

Sl. No.	Name of candidate	Roll No.	Qualification	Subject of study	Sponsoring authority	Proposed country of study	Remarks
1	2	3	4	5	6	7	8
			I. Candidates selected under study leave terms against the demands of Ministries of the Government of India.				
1	A. Roy	..	B.Sc., II; M.Sc. I; B.Sc. Geology 75% marks	Geophysics	Ministry of W. M. & P.	U. S. A.	2 years.
2	S. Sen	1	B.Sc. Distinction ; M.Sc. II.	Agronomy	Ministry of Agriculture	U. K.	2 years.
3	M. S. Gharse	2	B.Sc. I; B.Sc. Tech. (Manchester) I (Elec. Engg.)	Communication Engg. High Frequency Technique.	Ministry of Communications.	U. K.; Continent and U. S. A.	1 year.
4	Bijan Bihari Lal	3	M.Sc. I (1st position in Chemistry); Ph.D. in Photochemistry from Lucknow University.	Environmental Archaeology; Soil Analysis ; Geochronology ; Soil Science and Conservation of Ancient Monuments including Mural and Oil paintings.	Ministry of Education.	U. K. Europe & U. S. A.	2 years.
5	R. N. Srivastava	4	Matric II; I. A. II; D.T.M. I ; Diploma in Textile Manufacture. Full Technological Spinning and Plain Cotton Weaving II.	Textile Technology and Cotton Spinning.	Ministry of Education.	U. K.	1 year*
6	T. D. Chatterjee	5	B.Sc. I (First) ; Cert. of Proficiency in Electrical Tech. from I. I. S., Bangalore ; Cert. of Proficiency in Electrical Communication.	Radio Engineering; Broadcasting Transmission.	Ministry of I. & B.	U. K., Continent & U. S. A.	1 year.

---

* On reconsideration Scholorship for a period of 2 years in the U. S. A. has been approved.

1	2	3	4	5	6	7	8
7	R. L. Suri . .	6	B.A. II; A. M. I. E. T. in Sound and Talkie Engg. of BIET. (London), Member Acoustical Society of India.	Audio and Acoustics Broadcasting.	Ministry of I. & B.	U .K., Continent U. S. A.	1 year.
8	J. Bose . .	7	Matric I ; I. Sc. I ; B. Sc. Pass; M. Sc. III.	Visits to Laboratories and industrial concerns and practical training for standardization of Scientific Survey : Optical and Aeronautical Instruments.	Ministry of I. & S.	U. K. .	1 year.
9	P. S. Paul . .	8	Matric I ; I. Sc. II ; Production, Engineering Diploma 50 per cent. marks, City and Guides Diploma II.	Instrument manufacture. .	Ministry of I. & S.	England and France.	6 months.
10	D. C. Roy . .	9	B. Sc. Hons. II. M.; Sc. II .	Instrument Technology. Optical Process of Manufacture.	Ministry of I. & S.	U. K. .	1 year.
11	A. N. Sen . .	10	B.Sc. II ; M.Sc. II	Manufacture of Aircraft instruments.	Ministry of I. & S.	U. K. .	1 year.
12	S. K. Sen . .	11	Matric I ; A. M. M. E. Senior course (College of Engg. and Tech. Jadavpur) B. M. E. (Degree Examination in Mechanical Engg.)	Mechanical Engg. Visits to certain firms in the U. K.	Ministry of I. & S.	U. K. .	1 year.

13	L. N. Kailasam	13	B. Sc. Hons ; M. Sc. Pure Physics II ; Junior member of American Instt. of Mining and Metallurgical Engineers and an Associate Member of the Mining. Geological and Metallurgical Institute of Indians, Calcutta.	Geophysics	Ministry of W. M. & P.	U. S. A.	2 years.
14	R. K. Dutta Roy	14	B. Sc. II ; M. Sc. II ; Doctor of Engg. Technischehoct Sehile Hanover, Germany.	Chemistry relating to the study of new methods, developments of technique for the analysis of rock minerals, etc.	Ministry of W. M. & P.	U. K.	6 months.
15	R. Ramaswamy	15	Matric (No class) 58 per cent. marks. Diploma in Printing Technology (Government School of Tech., Madras) 1st class . first, City and Guilds Examination. Full Technological Certificate.	Printing. Practical Training and course of study in an approved school of printing.	Ministry of W. M. & P.	U. K.	2¼ years.
16	Brij Basi Lal	16	B. A. II ; M. A. I, First	Environmental Archaeology	Ministry of Education.	U. K., Europe, Egypt and Middle East.	2 years.
17	V. R. R. Khedkar	17	B. Sc. II ; M. Sc. I	Geology	Ministry of W. M. & P.	U. S. A.	2 years.
18	*Samuel Charles Cowell.	76	B.A. (Punjab) III	Study of Public School System.	Ministry of Education (Lawrence School, Sanawar).	U. K.	6 months.

---

* Samuel Charles Cowell declined to accept the Scholarship and Mr. O. Johnson has been selected for the scholarship in the study of Public School System.

18.	76A	Study of Public School System	Ministry of Education (Lawrence School Lovedale)	U. K.	6 months.

II. *Candidates selected against the demands of Universities and Research Institutes.*

1	2	3	4	5	6	7	8
19	S. S. Ghosh	18	B. Sc. with Hons. in Chemistry.	Fuel Technology	Indian Institute of Science, Bangalore, (Min. of Education.)	Germany	1 year.
20	F. C. Auluck	20	B. A. (Hons); I. M. A. I.; Ph. D.; D. Sc.	Theoretical Physics Partition Theory.	Delhi University. (Min. of Education.	U. K. & U. S. A	1¼ years.
21	S. M. Shah	24	B. A. (Hons); I.M.A. (London), Ph. D.	Pure Mathematics Theory of Functions of Complex-Variables etc.	Aligarh University (Min. of Education	U. K.	8-9 months
22	Basudev Banerjee	25	B. Sc. Pass course; Doctorrer-nat (Munich University).	Micro Technique	Bose Instt. (Dept. of Scientific Research).	Germany	1 year.
23	Din Dayal	75	B. A. (I) (Pb.); M. A. (II) Pb.; B. T. (I) Pb.	Study of Public School System.	Doon School, Dehra Dun.	U. K.	6-9 months.
24	K. C. Bora	30	B. Sc. I., M.Sc. I. I.	Botany Cyto Genetices	Gauhati University.	U. K.	3 years.
25	M. P. Gupta	32B	B.Sc. (Hons.) II; M.Sc. II.	Physics-X-Ray-Ph.D.	Patna University.	U. K.	2 years.
26	J. P. Choudhary	33A	B.Sc. (Hons.) II; B.Sc. Eng. I, (B.H.U. VI in rank).	Mechanical Engineering, Materials and Structures or Heat Engines.	College of Mechanical and Electrical Engineering, Sindri.	U. K.	6 months

27	H. D. Sankalia	36	B. A. II (Hons); M.A.I., LL.B. II. Ph.D. (London).	Comparative study of Indian Prehistoric Materials particularly from Gujerat with that from Europe and Africa in European Museums under Professor Zeuner, University of London.	Deccan College of Post-graduate and Research Instt., Poona.	U. K. and Continent.	6 months.
28	G. P. Kane	34	B.Sc. I.; M.Sc.; Ph.D. (London)	Visits to Research Institution. Study of the Teaching Methods and Research in Chemical Engineering.	Bombay University.	U. S. A.	7 months.
29	V. K. Kelker	35B	B.E. II	Internal Combustion Engines Research Technique.	College of Engg., Poona.	U. S. A. & U. K.	9 months (6 months in U.S.A. 3 months in U.K.).
30	P. S. Mene	37	B.Sc. Hons. I; D.I.C. (Lond.); Ph.D. (London).	Chemical Engineering—Study of Teaching Methods, visits to Laboratories and Institutes and Industrial concerns.	Laxminarayan Institute of Technology, Nagpur (Nagpur University)	U. S. A.	6 months.
31	Spripadrao Kilpady	38	B.Sc.I.; M.Sc. by thesis	Study of Laboratory and Research Techniques in Applied and Economic Geology.	Nagpur University.	U. K. & U. S. A.	6 to 7 months (4 to 5 months U. S. A., 2 months in U. K.)
32	Balmokand Anand	43	B.Sc. II, with Hons. in Physics; M.Sc. I.	Physics	East Punjab University.	U. K. & Sweden	1 year (6 months in U.K 6 months., in Sweden).
33	Dr. M. L. Srivastava	45	B.Sc.I.; M.Sc.I., D.Sc.	Zoology—Genetics—Physiological Genetics (Experimental Embryology).	Allahabad University.	U. K.	1 year.

1	2	3	4	5	6	7	8
34	Dr. A. K. Sen Gupta	47	B.Sc. I.; M.Sc. I.; D.Sc. .	Electrical Engineering—Electrical Mechanics— Study of Teaching Methods and Research on Design and Performance of Electrical Machines.	Calcutta University.	U. K. .	1½ years.
35	M. K. Das Gupta .	48	B.Sc. Hons.I., I. M.Sc. I; I. .	Radio Physics and Electronics Radar Astronomy with Particular reference to Solar Noise and Meteors.	Calcutta University.	U. K. .	1½ years.
36	K. Das Gupta .	49	B.Sc. (Hons.) II, M.Sc.I. .	Physics-X-Ray, Spectroscopy of Metals and Alloys and Solid of Technical and Theoretical importance (Research and Experience).	Calcutta University.	U. K. .	1½ years.
37	Dr. G. N. Das .	42D	I.Sc.II., M.B.B.S. .	Oto-Rhino Larynapology .	Sri Ram Chandra Bhanj Medical College, Cuttack.	U. K. .	2 years.
38	Dr. M. Narasinga Rao.	39	B.Sc. (Hons.) I; I. M.Sc. Hons., D.Sc. (Andhra).	Chemical Engineering .	Andhra University.	U. S. A. .	1 year.
39	Srinagabhushana .	50	B.Sc. I.	Study of teaching methods, equipment of Technical Institutions and Textile Research Technique.	Shri Krishna Rajendra Silver Jubilee Technological Institute, Bangalore.	U. K. and Continent.	1 year.

III—Candidates selected against open scholarships through the Union Public Service Commission against the demands of Ministries of the Government of India.

40	L. S. Kothari	71	B. Sc. (Hons) I, I. M.Sc. I., I.	Nuclear Physics	Department of Scientific Research.	U. K.	2 years.
41	R. R. Denial	72	B.Sc. I., M.Sc. I	Nuclear Physics	Department of Scientific Research.	U. K.	2 years.
42	N. G. Mustaphi	73	B.Sc. (Passed) 1st Engg. Examination. 2nd in order of Merit. Inter. Engg. Examination. 1st in order of Merit Final Engg. Examination 1st Class (Hons). First in order of Merit.	Marine Engineering & Naval Architecture.	Ministry of Education.	U. K.	4 years.
43	D. L. Subrahmanyam.	74	B.Sc. I, 1st B.Sc. (Hons). I., M.Sc. I.	Radio Engineering	Ministry of I. & B.	U. S. A.	3 years.

IV. *State Government candidates selected against study leave terms.*

44	B. P. Changkakati	52	B.Sc., Hons. II. B.E. II	Civil Engineering Bridging.	Assam Government.	U. S. A.	5 months.
45	A. D. Adhikari	61	B.Sc. I., B.E. (Hons) I.	Mechanical Engineering Intensive practical training in Design and Erection.	Assam Government.	U. K.	2 years.
46	L V. K. Rao	55B	B. Sc. (Agri.) II. 4th rank. Diploma of I.A.R.I., New Delhi	Soil Science—Latest development in Soil Science.	Madras Government.	U. K. & Palestine.	1 year (6 months in U.K., 6 months in Palestine).
7	B. N. Dash	59A	B.Sc. Engg. I.	Electrical Engineering Design of Large Receiving Stations & their maintenance.	Orissa Government.	S. A.	1 year.

1	2	3	4	5	6	7	8
48	S. B. Mahanty .	60B	B.Sc. with Distinction . .	Electrical Engineering Maintenance and Management of large interconnected grid system.	Orissa Government.	U. K.	1 year.
49	Jagdish Narain .	61	B.Sc. I.,B.E. Hons. . .	Civil Engineering—Bridge design & construction.	Uttar Pradesh Government.	U. S. A.	2 years.
50	R. K. Gautama .	63	B.Sc. I., Diploma in Electrical technology from the Indian Institute of Science, Bangalore.	Electrical Engineering Protection and Switchgear or Transmission.	Uttar Pradesh Government.	U. S. A.	2 years.
51	Dr. (Miss) Mukulika Datta.	69A	I.Sc.I, I.M.B. (Cal) Stood first in the University.	Study in up-to-date methods of Maternity and Birth Control.	West Bengal	U. K.	1 year.
52	Ratneswar Bose .	70	B.E.I., I. . . .	Investigation Design & construction of Dams.	West Bengal	U. K.	3 years.

MODIFIED OVERSEAS SCHOLARSHIPS SCHEME - 1949-50.

--

Please see the letter from the Govt. of India in the c.f. and the enclosed list of approved demands. The demands which are newly included in the list are items 1, 6, 8, 9, 33, 34, 57 and 58 on pp.3-5 c.f. Govt. of India want that these demands also should be examined by this Govt. and that those which are considered essential should be sent to them, arranged in order of preference. The demands relating to the Education Dept. in the list originally sent by the Govt. of India have been already examined by this Dept. in the main file and the file has been sent u.o. to Health and Dev. Departments for examining the items relating to them.

pp.1-7 c.f.

newly included items are ticked in red ink in the pp.3-5 c.f.

items 11, 37, 38, 43, 45, 46, 49 on pp. 2-3 c.f.

(E)

x items 14, 17, 28 on p 3 c.f.

pp 3-7 c.f.

2 In the list of approved demands now sent by the Govt. of India, items 1 and 6 relate to Food and Agriculture Dept. and items 8, 9 & 57 relate to P.W.D. Those Departments may be requested to examine the demands relating to them on the lines suggested by the Govt. of India.

3 The Commr., Corporation of Madras and the Chairman, City Improvement Trust, may be ~~asked to examine~~ Consulted regarding their respective items of demands ~~as suggested by the Govt. of India~~ and ~~send~~ asked to send a reply containing the information required by ~~that~~ the Govt. of India before 274-1950. Draft Memo~~s~~. to the Commr., Corporation of Madras and the Chairman, City Improvement Trust ~~are~~ to submitted for approval.

The file may be sent to P.W.D., + Food and Agriculture Departments for remarks, after issue of the memo~~s~~.

Please see the notes at pp.1-2 ante. Replies have been received from the Chief Engineers, Commr., Corporation of Madras, the Chairman, City Improvement Trust and the Director of Animal Husbandry. The demands for technological and scientific subjects approved by the Advisory Board of the Govt. of India are as follows:-

(i) P.W.D. (HIGHWAYS) - Study of Modern Construction Methods and Equipment for Bridge Works, etc.

(ii) P.W.D. (Electricity) - Direction, Administration and Management of Electricity Supply Undertakings

(iii) P.W.D.(Irrigation) - Hydraulic Experiments and Model Design.

(iv) ANIMAL HUSBANDRY - Pharmacology - Training in big Pharmacutical Institutes.

(v) CORPORATION OF MADRAS (a) Water Supply Purification and Sewage Disposal.

(b) Modern Advances in Building Engineering and Transport Engineering.

(vi) CITY IMPROVEMENT TRUST - Training in Town Planning

(vii) AGRICULTURE - (a) Rice Research

- (b) Latest Developments in Soil Science.

p.27 CF

Item (i) above:- The C.E.(H) suggests that Sri C.N.Thirupuvanam, Divisional Engineer (H) may be deputed for higher studies abroad in this subject.

p21CF

Item (ii) above:- The C.E.(E) suggests that Sri B.R.Somayajulu, Chief Operation Engineer(North) may be deputed for training abroad in this subject. He also suggests that the training of the officer may be arranged as follows:-

delete
6-5-50.

X

6 months with the British Electricity Authority and the associated hydro-electric Power Board in Scotland in studying direction, administration and modern technical practice in electric supply undertakings

2 months in study tour inspecting electrical installations in France and Italy and if possible (i.e., if currency can be got) in Sweden and Switzerland also.

p29CF

Item (iii) above:- For this subject, the C.E.(Genl.) suggests it is not necessary to depute any officer for undergoing training abroad.

p38CF
'N'

Item (iv) above:- The D.A.H. recommends that Sri V.Rathnasabapathi, Veterinary Asst. Surgeon, may be deputed for training in this subject.

Items (v) (a) and (b) on p.3 ante: The Commissioner, Corporation of Madras states that the Corporation is willing to proceed with the deputation of Sri O.T.Raghavan, Executive Engineer, Water Works and Sri C.Janardana Rao, Asst. Engineer, Roads and ~~Build~~ Buildings, for training in these subjects. The Govt. of India have stated that the training of these officers will be arranged only in the U.K. It is not possible for Sri O.T.Raghavan to undertake a ~~part of training~~ study tour in the U.S.A. as proposed in the Commissioner's D.O. at p.31-33 c.f.

p.15 CF

p. 3 CF

p. 3 CF

p 33 CF

p.17 CF

Item (vi) on p.3 ante:- The Chairman, City Improvement Trust has rexported that the Trust has no candidate to sponsor for overseas training in this subject.

Item (vii) on p.3 ante:- The reply of the D.A. regarding these items has not ~~jm~~ yet been received in this Dept. It is understood that ~~a reply~~ it has been received in the Food and Agri. Dept. They may be requested to put up the reply and offer their remarks on these demands.

A

Dev. and P.W.D. may also see for remarks on the demands with which they are concerned.

Clea
6.5.50

The Depts may be requested to treat the case as specially urgent as the Govt. of India want a reply by 10th May 50

Dev.

Development Department (E)

The file has been sent to this Department with reference to the suggestion of the D.A.H. referred to at 'N' on p.3 above.

p.38 CF

Consolidated upto 1.1.49

2. Sri V.Ratnasabapathi whom the D.A.H. has recommended for training in Pharmacology is a very junior man in the list of Veterinary Assistant Surgeons. His number in the latest list available is 332. The basis on which the D.A.H. has recommended the deputation of Sri Ratnasabapathi is not clear. The Govt. have observed in another connection that no principle has hitherto been observed in selecting people in the A.H.Department for special training which subsequently led to the supersession of seniormen when appointments to the Gazetted rank were made. It has therefore been ~~suggested~~ proposed that for purposes of deputing candidates for special training in the I.V.R.Institute, Mukteswar or Izatnagar the selection should be by the M.P.S.Commission.

C No 35538 E/49
(Sent to Pub & Finance on 28.4.50)

In case the present recommendation of the D.A.H. is accepted and Sri Ratnasabapathi is deputed for training in Pharmacology, a similar situation will be created on his return from the training resulting eventually in the supersession of his seniors for higher appointments.

It is understood that the concerned file is in Education Dept.

3. It may also be stated that the D.A.H. had some time back recommended certain Veterinary Assistant Surgeons for deputation to overseas training in a number of branches. It is not known whether he has recommended any one for pharmacology in that connection, and if so whether he is a person different from the one now recommended. It is also for consideration whether one of the Veterinary Assistant

Surgeons previously recommended by the D.A.H. for overseas training and accepted by Govt. may not be selected for training in Pharmacology with due regard to his seniority.

4. Education Department may perhaps be requested to refer back the question to the D.A.H. in the light of the above remarks. For orders.

5. After orders are passed the file may be passed on to P.W.Department.

8/5/50

Orders regarding consultation with ~~the~~ Public Services Committees before selecting candidates for training from the P.H. Dept. are likely to issue shortly. It seems desirable that the candidate to be selected in this case also should be selected by the Committee.

P.W.D(M)

A.D.S.

Please see the typed note of the Edn. Dept. at pp. 3-4 ante. This Dept. is concerned with items (i), (ii) and (iii) on p. 3 ante.

p27 c.f.

Main file s/v Edn Dept

Item (i): Please see the C.E(H)'s letter at p. 27 c.f. He has suggested that Sri. C.N.Thirupuvanam, D.E(H) may be deputed for higher studies in the subject. It may be mentioned that in the main file, this Dept. has held the view that as a number of officers had already been deputed for higher technical training in Road Engineering along with the first and second batch of Road Engineers' Deputation organised by the Govt. of India in 1946 and 1948 respectively and as a number of overseas scholars who have specialised in Highways Engineering are available for appointment as Asst. Engineers in the Highways Dept., no officer of the Highways Department need be deputed for higher studies abroad. Consistent with the view already taken, the C.E's recommendation need not be accepted.

p21 c.f.

Item (ii): The C.E(E) has suggested that Sri. B.R. Somayajulu, C.O.E(N), may be deputed for training in the subject, and that the training may be arranged as indicated at 'X' on p. 3 ante. In the main file this Dept. has accepted the C.E(E)'s recommendation.

p22 c.f.

Item (iii): The C.E(P.W.D) has stated that it is not necessary to depute any officer for undergoing training abroad. No remarks are called for.

The file may be returned to the Edn. Dept.

Notes from p.3 ante may be perused.

Food and Agriculture Dept.: This Dept. accepts the two scholarships allotted ~~the~~ to the Agricultural Department. As regards the officers to be deputed for training in these subjects they state that the selection of personnel for the training will be proceeded with separately and the names kept ready. p.4 ACF

Development Department: This Dept. also accepts the scholarship allotted to the Animal Husbandry Department for studies in 'Pharmacology'. As regards the officer to be deputed for training in this subject they propose to have the candidate selected by the M.P.S.C. p5 ante ibid

Public Works Department: Out of three scholarships allotted to this Dept., this Dept. state that they require only one scholarship, viz., that allotted for Electricity. They support the proposal of the C.E.(E) that Sri B.R.Somayajalu C.O.E.(North) may be deputed for training in the subject. The Govt. of India may be informed that the other two scholarships are not required. p.7 ante

The Corporation of Madras accepts the two scholarships allotted to it. The City Improvement Trust does not require the scholarships allotted for 'Town Planning'. p.15 CF p.17 CF

A draft letter to the Govt. of India is submitted for approval. Finance may see prior to circulation.

Education Department (G)

(Issued as Letters No.13785-G/49-38-Edn., dated 13-5-1950 and
No.9685-G/50-4-Edn., dated 22-5-1950.)

pp 42-54 f

From the Govt. of India, Ministry of Education, No.F.1-1/49-S2,
dated 31--5--1950.

pp 305-10 CF/LF

p 1-5 CF

The Govt. of India forwarded certain demands for overseas scholarships for technological and scientific subjects approved by the Advisory Board of that Govt. with their letters No.F.1-1/49-S2, dated 8-4-1950 and 21-4-1950 and wanted that these demands should be examined by this Govt. and only those that were considered essential ~~by them~~ should be sent to them, arranged in the order of preference. This Govt. accordingly examined those demands and informed the Govt. of India that the following demands for overseas scholarships were considered essential:

p 334 CF/LF

1) Education and Welfare of the Blind
2) Civil Engineering - Soil Mechnics
3) Civil Engineering - Structures
4) Mechanical Engineering - Machine Tools and Production Engineering
5) Education of the Mentally Defective
6) Meteorology ⎫
7) Chemical Technology ⎭ Andhra University

p 46 CF

AGRICULTURE

8) Rice Research
9) Latest Developments in Soil Science

P.W.D.(Electricity)

10) Direction, Administration and Management of Electricity Supply Undertakings

ANIMAL HUSBANDRY

11) Pharmacology - Training in big Pharmaceutical Institutes.

CORPORATION OF MADRAS

12) Water Supply Purification and Sewage Disposal

13) Modern Advances in Building Engineering and Transport Engineering.

p 48 CF

2. The Govt. of India now regret very much that because of shortage of funds they could not meet even some of the urgent demands of educational institutions, let alone those of Govt. Departments. Taking into consideration the essential requirements received from the State Govt. and the educational institutions, they have allocated 6 scholarships for this Govt. for the following subjects:-

p 50 f

ANDHRA UNIVERSITY

p 56 CF

1) Chemical Technology

Education

2) Soil Mechanics OR
Machine Tools and Production Engineering

AGRICULTURE

3) Rice Research
4) Latest Development in Soil Science

P.W.D(Electricity)

5) Direction, Administration and Management of Electricity supply undertakings

ANIMAL HUSBANDRY

6) Pharmacology training in big Pharmaceutical Institutes.

p.56 7

3. Under item 2) above the Govt. of India have given two alternative subjects. But only one scholarship has been allocated to any one of these two subjects. They want to know for which of these two subjects the State Govt. desire to send their nominees. Attention is invited to the letter on p.333-4 c.f. / L.F. It will be seen that preference has, however, been given to "Soil Mechanics". The Govt. of India may, therefore, be informed that this Govt. desire to send their nominee for "Civil Engineering - Soil Mechanics".

p.56 C.F.
p.50 7
pp.333-34 C.F./ L.F.

4. The Govt. of India want that as far as possible at least 3 names should be recommended in order of preference for each scholarship, and that the recommended candidates should be persons of first class merit since persons with inferior qualifications are not likely to obtain admission to institutions abroad and further their selection may not be approved by Govt. They state that candidates who are recommended for a degree course should not be more than 35 years of age while those for short period training should not be 48 years of age on 1st July 1950. They want that three sets of applications duly filled in by each candidate, each complete with testimonials, certificates, passport size photos, etc. should be ~~[illegible]~~ forwarded to them on or before 15th June 1950 at the latest. They also want that in addn. three application forms containing the fullest particulars [illegible] for admission to institutions in the U.K./U.S.A. as the case may be duly filled in should be forwarded to them. In case of nominees of the State Govt., the State Govt. are required to give an undertaking that they, if selected, after completion of their training abroad will be employed by them. Each selected candidate will also have to sign a bond to serve the Govt. concerned as usual.

Para 9 p.54 C.F.
p.50 C.F. (Para 3)
p.52 C.F. (Para 7)
p.50 7 (Para 3)
p.52 C.F. (Para 6)

5. As regards nominees for the subject "Soil Mechanics", the D.P.I. may be asked to ~~[illegible]~~ furnish three names in the order of preference. After the names are finally approved by Govt. the candidates selected may be asked to fill in the application forms as required. A draft memo is put up.

may be requested to take necessary action regarding the selection of candidates, ~~required by the Govt.~~ on the lines suggested by the Govt. of India.

Para 4 p.50 7

6. As regards financial implications, the Govt. of India state that in the case of nominees of non-Governmental educational institutions only 50% of the expenditure incurred on their training will be met by the Govt. of India and the remaining 50% either by the State Govt. or by the nominee or by the educational institution or by an adjustment between (i) the nominee and the institution, or (ii) the institution and the State Govt. In the case of employees of educational institutions under the direct control of State Govt. the expenditure on their training will be borne by the Govt. of India with the State Govt. on 50:50 basis, in case the candidate concerned is not (i) a permanent Govt. servant or (ii) not eligible for study leave terms otherwise. In the latter case the entire expenditure will have to be borne by the State Govt. concerned.

Para 5 p.52 7

Vide X on p.76 n/f L.F.

7. It may be noted here that the Andhra University has already deputed Sri M.~~Narasimha~~ Narasinga Rao for advanced studies in Chemical Technology in the U.S.A. in anticipation of the Govt. of India scholarship. It seems that the Govt. of India agree to treat that Sri Rao has been sent abroad under this scheme. So the expenditure on his training abroad will have to be borne by the Govt. of India, the State Govt. and the Andhra University as follows:-

p.56 C.F.

50% of the expenditure - Govt. of India
25% of the expenditure - Govt. of Madras
25% of the expenditure - Andhra University

X on p.76 n/f L.F. and pp.50-52 7

As regards other subjects, ~~this Govt. propose~~ the decision is to send only the Govt. servants ~~only for studies abroad.~~ So it seems that the entire expenditure on their training will have to be borne by this Govt.

8. The Govt. of India say that the value of the stipend will be communicated ~~xxx~~ in each case separately after examining the financial position of each candidate.

para 10 p.54 C.F.

9. The file may be sent to Dev., P.W.D., Food and Agri. for taking necessary action with ref. to para ~~4~~ 5 above after issue of the Memo. Finance may also see.

Education Department

From the D.P.I., No.986-C1/49, dated nil.

pp.1-2 CF

Modified Overseas Scholarships Scheme, 1949-50

Please see the letter from the D.P.I. on pp.1-2 c.f. The main file on the subject was sent u.o. to Dev., P.W.D. and Food & Agri. Departments on 6-6-50.

They have been summarily

(J)

In letter No.13785-G/49-38-Edn., dated 13-5-50 the Govt. of India were informed that this Govt. would like to have two scholarships for Civil Engineering subjects and one for Mechanical Engg. subject as shown below:-

p1/(J)

Civil Engineering - (i) Soil Mechanics
(ii) Structures

Mechanical Engg. - (i) Machine Tools and Production Engg.

They were also informed that the following officers are proposed to be selected for the above subjects;-

(1) Sri A.Palayya, Strength of Materials Laboratory Asst., College of Engg., Kakinada - Soil Mechanics

(2) Sri P.E.John, Temporary Instructor in Civil Engg., College of Engg., Guindy - Structures

(3) Sri K.M.Ganesan, Temporary Senior Workshop Instructor, A.H.College of Technology - Machine Tools and Production Engg.

main file sent to Dev etc. (not put up)

The Govt. of India however finally allotted only one scholarship either for 'Civil Engg. - Soil Mechanics' or for Mechanical Engg. - Machine Tools and Production Engg.' This Govt. propose to select 'Soil Mechanics', as preference has been given to this subject in their letter at (J). The G. of I. wanted that three persons arranged in the order of preference should be selected for the scholarship and that applns. duly filled in by the selected officers should be ~~communicated~~ forwarded to them on or before 20th June 1950.

× p1/(J)

The D.P.I. was asked to select three suitable persons from the Edn. Dept. for the scholarship in 'Soil Mechanics'

~~106~~ 16

- 2 -

13/6.

not put up

taking into account all the instructions given by the Govt. of India in their letter (copy of which was sent to the D.P.I.) dated 31-5-1950, and to communicate the names of officers arranged in the order of preference.

The Director has selected the following officers arranged in the order of preference, taking into account the instructions given by the Govt. of India:-

1. Sri P.E.John, B.E.(Civil) (First Class):
   Temporary Instructor in Surveying & Drawing,
   College of Engg., Guindy.
   Age: 26 years.
   Total Service: Nearly 4 years, of which 1½ years in the M.E.S. - Apptd. under rule 9(a)(i) of the Genl. Rules for the M.P.and S.S.
2. Sri A.Palaya, B.E.(Highways),
   Temporary Strength of Materials Laboratory Asst., College of Engg., Kakinada.
   Age: 24 years.
   Total Service: 1 year and 10 months as Laboratory Asst. - Apptd. under emergency provisions.
3. Sri J.Raja Rao, B.E.(Civil)
   Formerly Instructor in Civil Engg., College of Engg., Anantapur.
   Now Probationer in the Asst. Engineers' category in the P.W.D.
   Age: 23 years.
   Total service: about 2½ years.

It is for orders whether the names of officers ~~suggested~~ above as arranged in the order of preference by the D.P.I. may be approved. If so, the applications forms kept below may be sent to the D.P.I. and he may be requested to get the forms duly filled in by the officers concerned and to forward them to Govt. on or before 18-6-50 positively. A draft Memo to the D.P.I. is submitted for approval.

Edu. Deptt (G)

From the Govt. of India, Ministry of Education, telegram No. F.1-8/49-S2 dated 22.6.50

p. 109 ✓

Please see the telegram from the Govt. of India on p. ~~11~~ 109 C.F. They say that all application forms for Modified Overseas Scholarships Scheme should reach them on ~~28th inst.~~ 28.6.50 at the latest and that no further extension of ~~date~~ will be allowed. Application forms of scholars proposed to be sent by ~~from~~ the P.W.D., and Dev. departments have already been forwarded to the Govt. of India. Food & Agri Deptt. and the D.P.I. have not yet sent the application forms of the scholars.

Not put up

The D.P.I. may perhaps be asked to forward the application direct to the Govt. of India on or before 28th inst. positively. ~~So that one or two days' delay may be avoided.~~ This will save some time. It may be noted that the officers proposed to be deputed from the Edu. Deptt. have already been approved by Govt. A draft D.O. to the D.P.I. is submitted for approval.

A

~~placed~~

p16 ante

a p103 ✓

After issue the file may be sent to Food + Agri. Deptt. They may be requested to forward ~~direct~~ the applications duly filled in by the officers proposed to be deputed by them for overseas studies ~~from their Deptt.~~ on or before 26th to this Deptt., so that they may be transmitted to the Govt. of India before the due date.

24/6/50

24.6.50

A above. I just phoned up the D.P.I.'s office. They say that they have not got the application forms back from the candidates. Being vacation the candidates are not readily available. It would appear that one man is in Kirkee. Anyhow they are trying to contact the candidates and will try to send the application forms as quickly as possible. So no fresh reminder to the D.P.I is necessary now. We may explain the ~~difficulties~~ difficulty to the Govt of India and ask for extension of time till ~~5~~ 10.7.50. ~~A draft letter is ordered.~~

X Dy D.P.I

I also phoned up the Asst Secy, Food and Agriculture, in regard to their candidates. He also says that the application forms have not been recd: back from the Director of Agriculture and that a special reminder is being sent to him. In this case also extension of time may be asked for till ~~5~~ 10.7.50.

A draft letter to the Govt. of India is subd.

THIRD ASSISTANT SECRETARY TO GOVERNMENT
44952(D)
12 JUL 1950
FOOD AND AGRICULTURE DEPARTMENT

Fwd of Agri dept

The case was last seen by this department on page 18 above. The subsequent notes may be perused.

2. In their telegram on pp 135 CF the Govt of India have ~~requested that the~~ stated that the Selection Board is meeting ~~on the~~ in the middle of July and have requested that applications of nominees together with ten copies of summary for each in proforma enclosed may be forwarded immediately. As the proforma has been received only on the 10th July, the Edn department have informed the Govt of India that there is no time to get the p137cf p141cf

P.T.O.

proformas ~~&~~ filled up

3. With reference to the above, it is stated that the connected file with the application forms duly filled in by four candidates have been ~~transferred~~ sent to the Edn Department.

The Edn Dept ~~would have~~ will no doubt forward the applications forms ~~to~~ immediately after due completion. A

As the G.O.I have requested for ten copies of Summary it seems better that they are got and sent to them for what they are worth. The Edn Dept. may therefore be asked to send a copy of the post copy of the telegram together with its enclosure to the D.A. and instruct him to obtain ~~get~~ ten copies of the Summary and forward to the Govt of India direct under intimation to the Govt. B

4. With the above remarks the case may be retd to Edn.

Ah
13/7/50

A above. I understand from A.S. Edn. that the applns are being sent to the G. of I. today.

B above. It is understood that Edn. are not sending these Summaries in respect of their Candidates. As there is

13A

A | Better send the forms to D.A. & applications to get it filled up.

no time, we too need not send summaries of applications. This may be returned to Edn.

13/7/50

D.S

I presume that the Candidates for "Soil Science" & "Rice Research" are also likely to be called up for interview at Delhi on 18th to 22nd July 50 - see p 143 c.f. If so it is better to ask the D.A. to warn the candidates to be in readiness.

13/7/50

Pl. draft and bring at once.

13/7/50

A draft O.M. is submitted below for approval. After issue, the case may be returned to Education.

The note of Food & Agri deptt. from p.23 ante and the Memo to the D.A. on p. 149 CF may be perused.

With reference to 'A' above, it may be noted that the Govt of India have already been informed that there is no time

26

to get the proforma filled in by the candidates ~~p~~ to be deputed for the subjects "Rice Research" and "Soil Science", etc., as the proforma was received only on the 10th inst. Further no such proforma was sent to the Govt. of India in respect of candidates proposed to be ~~dep~~ deputed for other subjects. ~~It does not also seem necessary to send the proforma. In the circumstances, there is no necessity to get the proforma filled in by the officers to be deputed by Food & Agri Dept. and forward to the Govt. of India. Food & Agri may select.~~

R
15/7/50

The applications of the candidates proposed to be deputed by F & A. were received late after the expiry of the last date fixed by Govt. of India for submission of the applications, and it will be too late in sending the proforma of the summary of these belated applications. F & A. may see again if necessary

Summary

The Overseas Scholarship Scheme was originated in 1945 and continued in 1946 and 1947. Under the ~~abo~~ above scheme, certain number of candidates were selected each year for advanced studies in institutions in foreign countries. The candidates were chosen with reference to the estimated needs of the Dept. In 1945-46 and 1946-47 only private candidates were eligible to apply for the scholarship. Temporary Govt.servants who ~~were~~ were not eligible for study leave were treated as private candidates. They had to resign their temporary appointments under Government before accepting the scholarship. But during 1947-48 Govt. servants who were eligible for study leave have ~~also~~ also been permitted to apply for the scholarship. Under this original scheme the average cost for 2 years study for a sponsored scholar was equally shared by this Govt. and the Govt. of India. In the case of deputationists i.e. Govt. servants who were eligible for study leave, the entire cost was ~~spen~~ met by this Govt. This scheme was discontinued after it worked for 3 years during 1945, 1946 and 1947. // In Feb. 1949 the Govt. of India decided to revive the scheme in a modified form. Under the modified scheme the Universities, Public Utility concerns etc. were allowed to take advantage of the scheme and depute candidates for higher training abroad on the understanding that their requirements would form part of the total requirements of the State Govt. and that expenditure on their nominees would be shared by the Union Govt. upto 50% and the balance by the State Govt. and the sponsoring authority according to a mutually agreed ratio. After consulting Heads of Departments the Universities etc. the requirements of this Govt. were reported to India in July 1949. Owing to deteri dollar position the Govt. of India revised their decision in the matter and in January 1950 they stated that they were unable to implement the Provincial aspect of the Scheme for 1949-50 and that the Provincial Govt. were at liberty to send their scholars and officers abroad for higher studies and training in soft currency areas provided the entire expenditure was met from their own funds. Later in April 1950 they again proposed to revive it in a restricted form. They also stated that the State Govts.' demands for modified overseas scholarship scheme would be considered out of the demands approved by the Advisory Board as per list forwarded with their letter dated 21-4-50. After due examination, a revised list of demands was sent to India. It included among others the subjects for which two officers of the Corporation viz., Sri O.T. Raghavan and Sri C. Janardhana Rao were proposed to be deputed by the Corporation. The Govt. of India ultimately in their letter dated 31-5-1950 ~~however~~ intimated that taking into consideration the limited funds~~avail~~ available with them the essential requirements received from the State Govts. and the educational institutions in India they have allocated 6 scholarships for the following subjects:-

(p. p. rs working)

p.1 cf

pp. 3-6 cf

p.46 cf

pp. 48-56 cf

1. Chemical Technology.
2. Soil Mechanics or Machine Tools and Production Engineering.
3. Rice Research.
4. Latest Development in Soil Science.
5. Direction, Administration and Management of Electricity supply undertakings.
6. Pharmacology training in big Pharmaceutical Institutes.

p.56 cf

They ~~India have~~ promised to bear only 50% of the expenditure incurred on the training of scholars deputed by non-Governmental educational institutions and wanted the remaining 50% to be met either by the State Govt. or by the nominee of the educational institutions or by an adjustment between (1) the nominee and the institution and the State Govt. In the case of employees of educational institutions under the direct control of

pp. 50 cf

p.52 cf

Para 5 p.52 cf.

of the State Govt. India ~~has~~ promised to share equally with this Govt. the expenditure incurred if the candidate concerned is not a permanent Govt. servant or (ii) not eligible to study leave terms otherwise. In the latter case, i.e. in the case of Govt. servants who are eligible to study leave terms, India wanted that the entire expenditure should be borne by the State Govt. They also wanted that three persons arranged in the order of preference should be selected for each of the six scholarships and that applications duly filled in by the selected officers should be forwarded to them in triplicate. Taking into account the instructions given by India the following officers arranged in the order of preference were selected for the subjects noted against them and their applications were forwarded to India.

In their letter d/ 22nd July 1950 the Govt.of India want that all candidates selected for overseas scholarships under the^r^ Modified Scheme, 1949-50 whether ~~the~~ in Govt.service or not should be examined by a Medical Board with due regard to the standards of fitness prescribed for recruitment to the posts to which the candidates are likely to be appointed on their return, after completion of their studies abroad and that a medical certificate should be obtained in the Proforma sent by them. They request that copies of the Rules and Regulations, applicable to candidates selected for appointments to technical and non-technical posts under the Govt.of India should be supplied to the Medical Board for information and guidance. They promise to communicate the names of candidates selected for advanced studies together with necessary particulars as soon as the selections are over and state that the selected scholars will themselves have to pay the medical examination fee, if any, charged by the Board and that no t.a. for the journey to be performed for this purpose will be allowed. This may be agreed to.
