SUBJECT:- ANNUAL CAMP - JUNIOR DIV N.C.C. UNITS IN MADRAS STATE

Sir,

I am to state that it is proposed to hold the annual camp of Junior Div Units during Dusehra holidays in October this year. The exact date of the camps will be fixed after taking the views of the Headmasters of each school to whom the matter has been referred.

2. For administrative reasons, it has been decided to divide the Units in Madras State into 8 Sub-Circles as shown in Appendix 'A'. The venue for camp in each sub-circle has been selected keeping in view of its nearness to all schools and its proximity to a military station and a Senior Div Unit whereby the OC of the Senior Div Unit may assist in conducting the camp.

3. Os.C of Senior Div Units who are located at or near to the place where the camps are to be held will be detailed to make all arrangements for running the camp. Examinations in Certificate A.I and A.II will be held for eligible cadets during the camp.

4. The financial effect involved for holding of the camps in the above manner is estimated to be Rs. 1,32,161-2-0, the details of which are given in Appendix 'A', 'B' and 'C'.

5. It has been ascertained from the D.P.I's office that the following amount has been provided in the budget estimate for 1950-51 for holding the annual camp during the current year:

CAMP EXPENDITURE

Rail fare to Camps	-	Rs.	20,615-0-0.
Messing allowances	- officers	Rs.	6,650-0-0.
	- Cadets	Rs.	1,19,700-0-0.
Incidental Charges		Rs.	13,200-0-0
Total		Rs.	1,60,165-0-0

6. It is, therefore, requested that early sanction of the Government may please be accorded to run the camp and to incur an expenditure of Rs.1,32,161-2-0.

Yours faithfully,

Lt Col
Circle Commander.

I am directed to state that in view of the present financial stringency, it is considered sufficient to sanction the holding of the annual camp for the units of the Junior Division of the National Cadet Corps in this State in four centres instead of eight as proposed so that the expenditure during the current year may be reduced as far as possible. Accordingly, I am to

SUBJECT:- ANNUAL CAMP - JUNIOR DIVISION N.C.C.

Sir,

With reference to my letter of even number dated 9 Aug 50, I am to request that sanction for holding the proposed Annual Camp of Junior Div NCC units may please be expedited as it has now been decided to run the camp from 11th to 20th Oct 50 at all the 8 centres. It will be appreciated that at least one month's time will be required to make all preliminary arrangements for running the camp which can be proceeded with only after the Government accord their approval for holding the same as proposed by this HQ.

2. In this connection I am also to request that the Rationing officers of the undermentioned towns where camps are to be held may please be instructed to issue rations on payment for ten days when they are approached for the same by the caterers who will be appointed to cater for the inmates of the camps. This does not involve any extra issue of rations as the cadets and officers attending the camp should cease to draw their individual rations for these 10 days at their places of residence.

As it is not possible to give the exact number of officer and cadets who will be attending the camp, the authorized strengths of the units which are given above have been taken into consideration for purpose of furnishing an estimate.

Subject:- ANNUAL CAMP FOR JUNIOR DIV UNITS N.C.C.

Sir,

With reference to your letter No.23118 B/50-2 Edn dated 6 September 1950, I am to state that it is considered necessary to hold the camp for Junior Division Units at all the 8 centres and not for 50% of Units in 4 centres only as recommended by you.

2. Annual camp is the climax of training and its object is to give the cadets intensive training and an understanding of camp life so that the spirit of friendly co-operative living is developed. The same cannot, therefore, be dispensed with without vitally affecting the efficiency of N.C.C. training.

3. The present financial stringent position in the State of Madras is realised and although a sum of Rs.1,32,161-2-0 has been asked for in the estimate furnished vide my letter of even No. dated 7/9 August 1950, not more than half of this amount is likely to be spent because of the following reasons :-

(a) the budget is for the total authorised strength of officers and cadets whereas the present actual strength is less;

(b) about 50% of the actual strength of officers and cadets only usually attend the camp;

(c) Expenditure is incurred on per capita basis only in respect of those who come for the camp.

4. The first camp for the Junior Division Units should have been held last year itself, but it could not be materialised as equipments and clothing were not made available till the beginning of this year. Now that all the units have received the Ord stores there is no justification for not holding the camp this year also.

5. In the light of the above, and the fact that Director N.C.C. has insisted that the Annual Camp for all Units should be held every year without fail, I am to request that the case may please be re-considered and sanction be accorded for holding the camp of Junior Division Units from 11th to 20th October at all the 8 centres as originally proposed by me.

Yours faithfully,

Subject:- ANNUAL CAMP - JUNIOR DIVISION UNITS NCC

Sir,

With reference to your G.O. Ms No.2590 Edn dated 13 Sep 50, I am to state that in view of the Government having sanctioned only Rs.75,000 for holding the Camps of Junior Division Units as against a demand of Rs.1,32,161-2-0, it has been decided to hold the camp from 11th to 20th October 50 only for those units which were raised during 1949-50 at the under mentioned 6 centres. All the NCC officers and 6 cadets from each of the new units raised during the current year will participate in the camp. As Anglo Indian Schools do not get any Dusehra Holidays in October, they have been omited. The officers/cadets of these schools will do their annual camp separately in December 1950 for which the unspent balance from the present sanction will be utilized.

Finance (Exp. B) Dept.

In G.O.No.2590 Education dated 13-9-50, Govt. sanctioned an expenditure not exceeding Rs.75,000 on the holding of Camps in 8 places. It is now proposed to place the entire amount of Rs.75,000 at the disposal of the Commander 2nd circle, N.C.C. to enable him to make the ~~prelimary~~ preliminary arrangements for the Camp.

2. In similar cases where the Government have sanctioned expenditure for holding camps, the Officer commanding was permited to draw as advance, only a smaller amount than the expenditure actually sanctioned. For instance, an expenditure of Rs.44,965 was sanctioned for the holding of an annual camp by the 1st Madras Infantry Battalian during December 1949 and the Officer Commanding was permitted to draw an advance of Rs.40,000 only in the first instance to meet the expenditure.

In view of the above, and in view of the fact that some amount has to be reserved for a separate camp to be held during December next for the Officers and cadets of the units attached to the Anglo-Indian Schools, this Department may suggest that a sum of Rs.60,000 only may be placed at the disposal of the Commander.

It is stated that the proposed annual camp is the first of its kind to be held as no ~~[illegible]~~ camp was held last year. The camp is proposed to be held for 10 days during the ensuing Dasara holidays in Oct. 1950. The estimated expr. is Rs.1,32,162/-. In view of the present financial stringency, it is for consideration whether this dept.

dept. may suggest that the camp need not be held this year. It may be pointed out that this Govt. have to spend huge amounts on Food production schemes & other imperatively essential schemes and the Govt. of India have not been sympathetic in extending financial assistance to this Govt. for Post-war development & other schemes.

Please see the notes of the Finance Department on pages 1-2 above. In view of the present financial stringency, they suggest that the annual camp for the Junior Division units need not be held during the current year. It is respectfully submitted that the suggestion of finance not to allow the holding of the annual camp at all may interfere with the progress of the N.C.C. The Junior Divisions have ~~both~~ just now been formed and anything tending to discourage their activities on the lines already chalked out will not be desirable in the interests of the N.C.C.

We mention to the Circle Commander that in view of the financial stringency a lesser number of camps may be held and ask him to submit revised proposals so as to reduce the expenditure on the camps in the current year.

The need for holding the annual camps cannot be overemphasised. They undoubtedly go a long way in creating esprit de corps and brotherhood which is essential in an organisation such as the NCC. However in view of the financial difficulties we may agree to on the holding of 4 camps instead of eight.

From the Commander 2nd Circle N.C.C. No. 136/2.C d 2.9.50. p10 cf

The Commander 2nd Circle N.C.C. has explained the necessity for holding the Annual Camp for all units of the Junior Division of the NCC at all the 8 centres as originally proposed. He has stated that the Director N.C.C. has insisted on the Annual Camp being held every year and that it is necessary that the annual Camp for the Junior Division should be held this year as it was not held last year. He states that the actual expenditure would be less than the sum of Rs 1.32,161 asked for. In the circumstances stated, it is for orders whether sanction may be accorded to the holding of the Annual Camp for the units of the Junior Division at 8 centres from the 11th to 20th October 1950 and to the incurring of an expenditure not exceeding Rs 1.32,161 on the holding of the camp. If so, the draft order below is for approval.

2. It was decided in circulation that camps ~~may~~ might be held in 4 centres this year and the Commander was asked to submit revised proposals. The Commander presses for the holding of camp in 8 Centres as originally proposed by him for the reasons given on p.10 C.F. It is stated that though the estimated cost for holding camps in 8 centres is Rs.1,32,161-2-0 not more than half the amount is likely to be spent. Education propose to accept the Commander's proposal provided the expenditure is restricted to minimum requirements.

3. As it is stated that camps cannot be dispensed with without vitally affecting the efficiency of N.C.C. training and as the Director N.C.C. has insisted that annual camp for all units should be held every year without fail, the proposal of Education to hold camps in 8 Centres at a cost not exceeding Rs.1,32,200 subject to the condition that the expenditure is restricted to the minimum may be accepted.
