Office of the

From The Director of Public Instruction,
Madras.

To The Secretary to Government,
Education Department,
Madras.

Sir,

SUBJECT: Adult (Social) Education - Enhanced grant
for Adult School Teachers employed in the
Hill countries.

===

As per G.O.No.2204 Education dated 4-9-1948 a
teaching grant of Rs.8/- p.m. per teacher and an addi-
tional flat rate of Rs.4/- p.m. for lighting and other
incidental contingent charges is paid for every adult
Literacy School.

2. It is necessary that there should be some
difference in the rate of assessment of grant for
schools in the plains and schools in special tracts
such as hills. Such a difference exists in the assess-
ment of grant in the general elementary schools where
an enhanced rate of 50% is assessed.

3. I, therefore, request you to be good enough
to sanction the 50% increase of teaching grant for
adult literacy schools in the Nilgiris District. This
shall not apply for the allowance of Rs.4/- p.m.
for contingencies.

Yours faithfully,

Sub: Adult Education - Enhanced grant for Adult School teachers -
employed in Hill tracts -
Ref: Government Memorandum No. 9077.C/50-2 E&N. dated 9.6.'50

I submit that it is estimated that the extra cost that may be involved, if grants for adult schools conducted in special tracts are assessed at 50% in excess of the rates admissible for schools in ordinary area, will be Rs. 1,000/- per annum.

The special reasons for the proposal being considered this year itself are the climatic conditions requiring special clothing at nights and the peculiar economic difficulties of low paid teachers working on the hills.

Yours faithfully,

to assess the extra expenditure to Govt. As the proposal is to enhance the existing grant it will have to be treated as Part II scheme for 1951-52. The D.P. may be requested to furnish the extra cost involved in ~~collect the financial details of his proposal~~ and keep it ^{forward} on part II for 51-52.

As this is a new scheme of exp. not provided for in the current year's budget, it may be considered as a Part II scheme for 1951-2.

^{29.5.50} If however, the cost to be furnished by the D.P. is found to be very small and can be met from definite savings in the current year's budget, the question of giving effect to the enhancement in the current year itself may be considered.
