INSPECTION - Edl. Dt. of Madras - Placed under Dvl.
Insp. of Schools, Mathurai.

Read:- Memo. No. 14036-A-2-Edn., d/- 30-3-48.

G.O. (MS.) No. 2598 Edn., d/- 16-7-50

The Govt. are of the view that the Dy. Dirs.
of Public Instrn., preoccupied as they are with more
important matters in the Office of the D.P.I., would
not be able to devote adequate time to the work con-
cerning the educational district of Madras, entrusted
to them in the Memo. read above. They accordingly
therefore direct, in supersession of the Memo., that
control over the edl. dt. of Madras be ^{re}transferred to
the Dvl. Insp. of Schools, Maturai, with immediate
effect.

October 15, 1950. (M)

At a meeting of the Association held at Lady Muthiah Chettiar's Girls' High School, on 7th inst., with Mr. K. Kuruvilla Jacob in the chair, the following resolution was passed unanimously.

"This Association is of the view that the recent order of the Government placing the office of the D.E.O., Madras under the jurisdiction of the Divisional Inspector of Schools, is likely to cause hardship and administrative delay and the Association therefore resolves to request that the above order be so modified as to make the office of the D.E.O., Madras, subject to the direct supervision of the Director of Public Instruction."

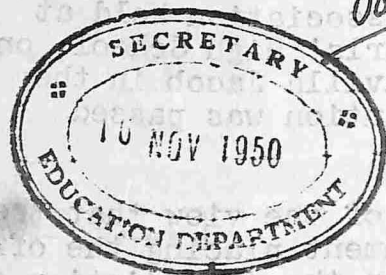

I request you to do the needful in this matter.

Yours faithfully,

L. Atanuman Narayana
Hony-Secretary.

2. About the inspecting staff: Apart from proceeding against the individual officers who failed to exercise check, the Govt. may consider the following question. Until 1948, Madras educational district remained in the Mathurai Division. In that year it was taken out of the jurisdiction of the Divl. Inspector, Mathurai, and some sort of independence to the D.E.O., Madras, and the schools in Madras was given - Vide p.27 of "F". As a result, there has been no scrutiny above the level of the D.E.O., of the papers relating to Madras schools. The irregularities in the present case would have been found out much earlier if a Dvl. Insp. were exercising supervision over Madras. Of course, the Dy.Dir.(Finance) was ordered to inspect the D.E.O.'s Office, Madras. But, in addition to his normal work in the Dir.'s office, he cannot do full justice to the inspection of the D.E.O.'s Office and matters connected with the Madras schools. It may be noted that it was not he, but the Principal, Saidapet Teachers' College, that conducted the enquiries in the present case. It is therefore for orders whether jurisdiction over Madras may be re-assigned to the Divl. Inspector, Mathurai.

3. This case also raises a question of policy in regard to the supervision of schools in the Educational District ~~in~~ of Madras. In 1948 schools in the Madras Educational District were removed from the jurisdiction of the Divisional Inspector of Schools, Mathurai, and were brought under the control of one of the Dy. Directors and the D.E.O., Madras. It is unlikely that the Dy.Dir. preoccupied as he is with more important matters in the Director's office would be able to devote the same time and supervision in matters relating to the management of schools in the Madras City and admittedly the supervision by the D.E.O. has proved to be inadequate. In the circumstances it is desirable that we should revert to the position as it obtained before 1948 when the Madras Educational District was under the jurisdiction of the Divisional Inspector of Schools, Mathurai.
