ROC. B-1. No. 16971/49 dated 29--12--49.

Sir,

Sub: Budget - Elementary Education Fund - Virudhunagar Municipality Revised Estimate for 1949-50 and Budget Estimate for 1950-51 - Submitted.

*****

I submit herewith the Revised Estimate for 1949-50 and the Budget Estimate for 1950-51 relating to Elementary Education fund of the Virudhunagar Municipal Council with the prescribed enclosures. The Inspecting Officers have not sent their recommendations so far.

In G.O. No. 3004, Education, dated 26-9-49, Government have sanctioned a grant of Rs. 1975/- for construction of an additional shed in A.S.P.Chinnasamy Nadar Chinnathangachiammal Central Municipal Elementary School and a sum of Rs. 4000/- has been provided in the Revised Estimate. The work is expected to be completed before the close of the financial year.

The suggestion of the Director of Public Instruction to amalgamate the two feeder schools in Senthinayagapuram Street and Kandapuram Street was considered by the Council and in its resolution No. 647 dated 27-12-1949 (copy enclosed), the Council resolved that both the schools may be continued in the next year also since it is not possible to make alternative provision for the children of the school if the schools are abolished. The Council has also resolved to apply to Government to sanction a grant towards the cost of dearness allowance for the teachers in municipal elementary schools in view of the fact that the budget is expected to close with a minus balance of Rs. 19,085. This deficit is mainly due to non-receipt of contribution from Arrear Toll Compensation.

A site has been acquired for the construction of Gandhipuram Elementary School and the Government have stated that the question of sanctioning grant for the construction of the above school will be considered in 1951-52. Hence under rent a sum of Rs. 300 has been provided for additional accommodation of the school.

Provision has also been made in the budget estimate for the construction of Senthinayagapuram School at an approximate cost of Rs.10,000/- and a credit of Rs. 4000/- has also been taken in the budget estimate as Government grant in anticipation of Government sanction.

The budgeted expenditure in 1949-50 is expected to increase from Rs. 70,770 to 71,700/- as per details in the revised estimate. I request that the Government may be pleased to sanction the increase in expenditure.

(ii) Govt. grant:- The credit taken for an amount of Rs. 4000/- under this head in respect of the construction of Senthinayagapuram School may be deleted as the building scheme does not find a place in the list submitted by the Director recently. The contribution from the Elementary Education account ordinary may be increased to Rs. ~~4,300/-~~ 12,986

The Council may be permitted to take credit for an amount of Rs. 1686/- under this head with reference to G.O. no. 1220, Edn. dt. 17-4-1950.

(iii) Expenditure Capital:- The Council may be permitted to make a further provision of Rs. 3372/- under "Lands and Buildings" in view of 'M' above.

(iv) The provision made for a Capital expenditure of Rs. 14,672/- may be approved.

(v) The B.E. is anticipated to close with a deficit of Rs. 19,846/- In its resolution on p. 5 cf, the Council has requested for a Subsidy ~~of~~ towards the expenditure incurred on the payment of D.A. to teachers viz. Rs. 20,000/- LA may be requested to examine whether the deficit can be avoided by an additional contribution from the general fund to the Ely. Edn. Fund. If this is not possible, the question of increasing the rate of education tax will have to be considered. The present rate of Edn. Tax levied in the municipality is 3 1/8 % of property rentals per annum. and if this is increased to 5 % of property rentals per annum, an additional income

income of Rs. 20,000/- may be anticipated. But the tax can be increased only with effect from 1-10-1950. Then the income will be Rs. 10,000/- only. There will still be a deficit of Rs. 9,846/- L.A. may see whether this deficit at least can be avoided by an additional contribution from the General Fund to the Ely. Edn. Fund. If this is not possible, the question of sanctioning a subsidy equal to Rs. 9,846/- will have to be considered.
