No.A1-13633/50 dated 7th August 1950.

23/4/ Sir,

Establishment-Stationery office--acting upper division clerks sanction of increments--held irregular--recovery of excess amount--proposals to write off --submitted.

Stationery office was a separate unit before 1939 and no special qualifications were prescribed for promotion as upper-division clerk in this office. Increments were being sanctioned to the incumbents as soon as they completed the required service in Upper division cadre. Consequent on the amalgamation of this office with Madras Collectorate Revenue unit, the special qualifications prescribed in Annexure IV of Madras Ministerial service i.e., Pass in Revenue test Part I to III, Revenue Survey Training for a period of not less than six weeks and service as Revenue Inspector for a period of not less than one year, seem to apply to this office as well. Increments were sanctioned to some members of this office as soon as they put in the required service of one year in the scale of pay of Rs. 80-3-95-5-110 even though they do not possess the required qualifications as stated above. As it was considered to be not quite regular a reference was made to the Accountant-General, Madras for his opinion. He informed in his letter T2 A.SSP II-264 dated 16-6-50 that as the promotion were made under emergency provision for want of suitable qualified persons, the increments paid to them are not in order. They should draw only the minimum of Rs.80/- and the excess amount paid should be recovered.

The amount that has to be recovered from each of the following persons to whom increments were drawn and paid is noted against them.

1. Sri S.Subba Rao.	Rs. 72 0 0
2. A.Adimoolam.	207 0 0
3. K.Raghavan.	207 0 0
4. M.E.Doraikannan.	138 0 0
5. S.Sundaramurthy	110 14 0
6. C.P.Sampath.	111 6 0

Most of their service is only in Stationery office. There is no prospect of these people being replaced by qualified persons in the near future. Work in the Stationery office does not require knowledge of revenue work; at any rate passing of Revenue test Parts I to III, Survey training and Revenue Inspector's course are quite irrelevant for the staff of the Stationery office. All of them have put in atleast three if not more years of service in the U.D. cadre and it will be a hardship if payments made in good faith are to be recovered at this distance of time. I, therefore, recommend that the recovery of excess paid may be waived. They are being paid the minimum of Rs.80/- only from the date of receipt of Accountant-General's letter.

Sub :- Establishment - Stationery Office - Irregular
Payment of increment - Recovery of excess
amount.

Please see the letter from the Superintendent of Stationery in the current file. The Superintendent has brought to the notice of Govt. that certain U.D. Clerks in his office have drawn increments in the scale of pay of ^{Rs.} 80-3-95-5-110 even though they do not possess the required qualifications. The A.G. considers that such draw^{and} of increment by persons not possessing the required qualifications is irregular and the excess amount paid should be recovered.

2. The names of person and the amount involved is given in para 2 of the letter on page 1 cf. The Supdt. of Stry states that the prescribed test for those clerks are not necessary for the performance of the duties in the Stationery office and it will be a hardship if the payment made in good faith are to be recovered at this distance of ~~this~~ time and therefore he recommends that the recovery of excess paid may be waived. The irregular increments hitherto paid to the subordinates in question have now stopped. The proposal of the Superintendent of Stationery may perhaps be supported in this department. The file may be sent to Finance for remarks.
