Sir,
SUBJECT: Grant - Building - Dr.Alagappa Chettiar College,
Karaikudi - Construction of additional blocks

8957
Page of (E)

IN their Order Ms.No.3569-Education dated 19-11-1949, Government sanctioned the inclusion in the list of approved works of two building schemes relating to the Dr.Alagappa Chettiar College, Karaikudi, viz. (1) Construction of first floor to the 4th and 5th blocks of the College building at an estimated cost of Rs. two lakhs (2) Construction of two additional hostel blocks at an estimated cost of Rs. Two lakhs. The grant promised to the management is Rs.75,000/- for each of the two schemes.

2. As the Government Order referred to above was received only in November 1949, provision for payment of grant in respect of the schemes could not be proposed in Part II estimates for 1950-51. In the normal course grants for the two schemes will be paid only in 1951-52, after making the necessary provision therefor in Part II estimates for that year. But the management have represented that, having undertaken several building schemes, they are in urgent need of money, that they have already purchased materials to the value of over Rs.1 lakh for the two schemes under reference and that they should be given advance grant in the current year itself on the basis of the expenditure actually incurred. In their Order Ms.No.1228 Education dated 17-4-1950 Government have permitted the management to commence the construction of the buildings pending approval of the plans and estimates by the Joint Consulting Architect to Government. It is likely that the works will be completed before the College reopens in July next. It does not, therefore, seem desirable to delay the disbursement of the grants for the two schemes till 1951-52.

3. In the circumstances explained above, I request that Government may kindly authorise me to sanction in the current year an advance grant equal to one half of the expenditure actually incurred by the management but not exceeding Rs.50,000/- for each of the two schemes under reference, pending scrutiny of the title deeds. I shall apply for the necessary additional funds in due course if it be not possible to meet this expenditure by reappropriation.

Yours faithfully,

From the D.P.I. R.C.No.576-D.8/49 dated 25-4-1950.

ORDER/MS.NO. 2614 EDN., DATED 18.9.50

In the circumstances stated by the D.P.I. in his
letter cited above, the Govt. sanction the payment
(Rupees one lakh)
during the current year of Rs. 1 lakh as advance
grant to the management of Dr. Alagappa Chettiar
College, Karaikudi, for the following two building
schemes which have been included in the approved
list, as shown below: -

	Rs.
(1) Construction of additional college buildings.	50,000/-
(2) Construction of additional hostel blocks.	50,000/-
	1,00,000/-

The question of payment of the balance of grant will
be considered next year.

2. The expenditure on this sanction will be
met initially from the Contingency Fund and
finally debited to "37-c.Education - University -

Summarising Note.

GRANT - Building - Dr. Alagappa Chettiar College, Karaikudi - Construction of additional college buildings and hostel blocks - Payment of advance grant of Rs. 1 lakh in 1950-51 - Ordered.

In November, 1949, the schemes relating to the construction of additional college buildings and additional hostel blocks in the Dr. Alagappa Chettiar College, Karaikudi were included in the list of approved particulars regarding building works. The details of the estimated cost of the above schemes and the maximum grant to which they will become eligible are given below:--

Description of the scheme.	Estimated cost of the scheme.	Maximum amount of grant admissible
	Rs.	Rs.
1. Construction of first floor to the 4th and 5th blocks of the college building.	2 lakhs.	75,000/-
2. Construction of two additional hostel blocks.	2 lakhs.	75,000/-
	Total..	1,50,000/-

Subsequently, in April 1950, at the request of the management and on the recommendation of the D.P.I. the management of the college was permitted to commence building operations regarding ~~the~~ schemes, pending the approval of the plans and estimates by the Joint Consulting Architect to Govt., and to execute the works themselves without calling for tenders, as required under the Grant-in-Aid Code, in view of the urgency of the schemes.

2. Later, the management of the college approached the D.P.I. with an urgent request for aid, stating that they had invested large amounts of money on the various building works for the college, that they had purchased materials to the extent of Rs. 1 lakh for the above two building works and that they were in need of funds for proceeding with them. The Director supported the request of the management and recommended the payment of an advance grant of Rs. 1 lakh for the above two building schemes.

(at the rate of Rs. 50,000/- for each of the two schemes) during the current year. Normally, grants for these two schemes would become payable only in 1951-52, after they are considered as Part II schemes for 1951-52, on the recommendation of the D.P.I., and after provision is made therefor under Part II of the Budget for 1951-52. In view of the Director's recommendation, this department suggested ~~that~~ the payment of an advance grant of Rs. 1 lakh to the college for the above two building works during the current year, ~~xxxx~~ treating the proposal as an extremely urgent one to be introduced during the current year. But Finance advised against the proposal in view of the present financial stringency and also in view of the fact that it would be giving an undue preference to these schemes over other similar schemes which would have to be considered as Part II Schemes for 1951-52, and suggested that the schemes might be considered as Part II schemes for 1951-52. The file was then circulated for orders and it was ordered to be put up after the results of the loan recently raised by the Govt. were known. The file was re-circulated by about the middle of August 1950. It was ^{seen} ordered in circulation by H.M.(E.&L), H.M.(Fin) and H.C.M. that an advance grant of Rs. 1 lakhs ~~might~~ be paid to the management of the Dr. Alagappa Chettiar College, Karaikudi, during the current year for the schemes relating to the construction of additional college buildings and hostels, the proposal being treated as a very urgent one to be introduced during the current year. Orders have accordingly been issued, sanctioning the payment of an advance grant of Rs. 1 lakh to the management of the college in 1950-51 for the above two building schemes. GRANT - Building - The Dr. Alagappa Chettiar's College, Karaikudi -
Construction of first floor to the 4th and 5th blocks of the college
buildings and two additional hostels - Advance grant.

C.No. 8957/50.

From the D.P.I. R.C.No. 576-D.8/49 dated 25-4-1950.

In G.O.No. 3569 Education dated 19.11.49, the Govt. sanctioned the
inclusion of the following building schemes of the Dr. Alagappa Chettiar's
College, Karaikudy, ~~rendering them~~ rendering them eligible for the amounts
of grants noted against each:-

Description of scheme.	Estimated cost of the scheme to the manage- ment.	Maximum amount of grant admissible.
	Rs.	Rs.
1. Construction of first floor to the 4th and 5th blocks of the College building.	2,00,000/-	75,000/-.
2. Construction of two addi- tional hostel blocks.	2,00,000/-	75,000/-.

On the representation of the management of the College and on the D.P.I.'s
recommendation, the Govt. permitted the management to commence the
construction of the above two buildings, ~~over~~ prior to the approval of the
plans and estimates by the Joint Consulting Architect.

2. Now the D.P.I. reports that the management are in urgent need of
funds having undertaken ~~many~~ ^{several} building operations for the college, that
they have purchased building materials etc. to the value of about
Rs. 1 lakh for the above two building works and that therefore ^{they} require an
advance grant for these schemes during the current year, on the basis of
the expenditure incurred. The Director points out that the above works
~~will~~ ^{are likely to} be completed before the ~~max~~ re-opening of the College in July next,
and therefore requests permission to sanction an advance grant as
required by the management during the current year. Normally, the schemes
should be considered as Part II Schemes for 1951-52 and provision therefor
made in that year's budget under Part II. But in view of the urgency
pointed out by the D.P.I., it is for orders whether the D.P.I.'s
proposal for the payment of an advance grant of Rs. 50,000/- for each of
the schemes relating to the construction of additional college build-

and

construction of additional hostels during the current year ~~will be~~ may be accepted, and if so whether an advance grant of Rs. 1 lakh ~~may~~ be paid to the Dr. Alagappa Chettiar's College, Karaikudy, in the current year, for the above two schemes, treating the proposal as ~~an~~ an extremely urgent one, to be introduced during the current year itself. ~~Finance may see prior to circulation.~~

It is seen from para 2 of the Director's letter that the management have incurred an expenditure of over Rs 1 lakhs on both the schemes, and that as the management are in urgent need of funds so as to complete the construction by July next, an advance grant of the above amount (Rs 1 lakh) is recommended as part payment. The total grant payable for both the schemes is Rs 1,50,000. It is for consideration whether the D.P.I.'s recommendation should be supported.

Finance (ExpA)

The proposal is to sanction an advance grant of Rs 1 lakh in the current year for the construction of additional College buildings and hostels for the Alagappa Chettiar's College, Karaikudy. The schemes have been approved by the Govt in G.O. 3569 Edn of 19-11-49 and are eligible for a total grant of Rs 1,50,000 (Rs 75,000 for

32930 EA

in no. 32930 EA1
16.5.50

college buildings and Rs.75,000 for hostels). The management was authorised to commence the construction pending approval of the plans and estimates by the Joint Consulting Architect - G.O. 1228 Edn. d. 17-4-50.

2. While admitting the schemes to aid, it has been specifically stated that the admission does not carry with it ^{and that it would be considered when funds become available} any guarantee of grant. Ordinarily, the grant is payable for the scheme in 1951-52, after considering it as a Part II Scheme for that year along with other similar proposals and funds are provided in the Budget for 1951-52. Attention is, in this connection, invited to the Part II Scheme note for 1950-51, in which the Finance Department, in view of the ^{present} financial stringency, has considered that only a lump-sum provision of Rs.2.50 lakhs could be provided in the Budget for 1950-51 against Rs.5.21 lakhs proposed by the D.P.I., towards actual claims anticipated by him in 1950-51. Finally a sum of Rs.4.46 lakhs has been provided in the Budget for 1950-51, including a provision of Rs.75,000 for payment of grant to the management of Dr. Alagappa Chettiar's College, Karaikudy, for construction of hostel blocks. The schemes for which the D.P.I. has now proposed an advance grant of Rs.1 lakh during the current year are different, and provision has not been made for them in the current year's budget. It is not therefore possible to sanction the advance grant in the current year without obtaining a supplementary grant from the Legislature, as the proposal is a "New Service". But ^{since the amount of grant exceeds Rs. 10,000 mandating} considering the present difficult ^{and means} financial position of the Govt. the circumstances explained above, Finance cannot agree to the introduction of the scheme in the current year when the Govt. are considering the possibility of postponing ^{even} schemes for which provision has been made in the Budget. Attention is also invited to the Finance Dept. No. 33300 Edn-1 of 9-5-50 stressing the need for ^{avoiding} deferring avoidable payments, etc.

3. The D.P.I. may be asked to bring forward the proposal as a Part II scheme for 1951-52.

Even assuming that funds are available, it will not be fair to sanction the grant in the current year, as it will be giving an undue preference to this scheme over other similar schemes which have to be considered collectively as Part II schemes and provided for according to the order of urgency.

WS
16.5.50

The file relates to the payment of an advance grant of Rs. 1 lakh in the current year for the ^{schemes for} construction of additional college buildings and hostels for the Dr. Alagappa Chettiar College, Karaikudi. The above schemes have been included in the list of approved building works ~~for~~ and they will be eligible for a grant of Rs. 1.5 lakhs (Rs. 75,000/- each), during 1951-52, after being considered as a Part II Schemes for ~~1951-52~~ 1951-52, on the recommendations of the D.P.I. At the request of the management and ~~the~~ on the D.P.I.'s recommendation, the Govt. have permitted the management of the College to commence the building operations pending approval of the plans and estimates by the Joint Consulting Architect to Govt. In view of the urgency now pointed by the D.P.I., this Department suggested that the proposal for the payment of an advance grant of Rs. 1 lakh to the Dr. Alagappa Chettiar College, Karaikudy, during the current year, for the schemes relating to the construction of additional college buildings and hostels may be treated as a very urgent one to be introduced during the current year. But Finance advise against ~~such~~ ^{the} proposal in view of the ~~present~~ present financial stringency and also in view of the fact that ~~that~~ it would be giving an undue preference to ~~this~~ to these schemes over other similar ones which will ~~be~~ have to be considered as Part II Schemes for 1951-52, and ^{they} ~~may~~ ^{be} ~~may~~ be considered as Part II Schemes for 1951-52. In the circumstances, it is for orders whether this Department will press for the payment of an advance grant of Rs. 1 lakh in the current year for the above two schemes, or whether as advised by Finance, the proposal for the payment of advance grant during the current year may be negatived and the D.P.I. ^{may} be asked to ~~include~~ Bring forward the above two building schemes as Part II Schemes for 1951-52.
