EDUCATION DEPARTMENT.

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Education Department, Fort St. George,
Madras.

Sir, R.C.No.86-D8/49 dated 26-4-1950.

Sub: Grant - Building - St. Joseph's College, Tiruchirapalli
Construction of buildings - Advance grant.
Ref: G.O.No.Ms.470 Education dated 14-2-1950.

In their order No Ms.3569 Education dated 19-11-1949 Government have sanctioned the inclusion in the list of approved works of the scheme for the construction of buildings for the St. Joseph's College, Tiruchirapalli at an approximate cost of Rs.4.27 lakhs. The building operations are in progress. The Correspondent has now made a request for an advance grant in the current year in respect of this building scheme. A copy of his letter dated 4-4-1950 is submitted herewith for the information of Government.

2. There is no provision in the current year's budget for payment of grant for this building scheme. As the G.O. quoted in paragraph 1 above was issued only in November 1949, after the submission of Part II Estimates for 1950-51, no provision for payment of grant for this new scheme could be made in the Budget Estimate for 1950-51. In the normal course provision for grant towards this building scheme will be made only in the Budget Estimate for 1951-52. But the management are hard pressed for funds and are anxious to receive the grant earlier. The value of the work so far done is reported to be Rs.2,29,000/- and further work to the value of about Rs.2,00,000/- remains to be done to complete the scheme. Having regard to the cost of the scheme and the heavy expenditure already incurred and yet to be met by the management, I recommend that the request for advance grant may be favourably considered that Government may be pleased to authorise me to sanction an advance grant of Rs.50,000/- in the current year for the building scheme of the St. Joseph's College, Tiruchirapalli pending scrutiny of title deeds.

3. I am addressing Government separately in regard to the payment of advance grants of Rs.1 lakh for two building schemes relating to the Dr. Alagappa Chettiar College, Karaikudi. Though some savings out of the provision under "Building Grants for Non-Government Arts Colleges" in the current year's budget may be expected, yet it is not now possible to say whether the entire expenditure on account of the payment of advance grants to the three building schemes in this year can be met from the savings. I shall, therefore, apply for additional funds in due course if it be not possible to meet the expenditure either from savings or by reappropriation.

4. I request the early orders of Government on this letter.

Yours faithfully,

for Director of Public Instruction

BR, 26-4-50.

Copy of Letter dated 4th April 1950 from the Principal and Correspondent, St. Joseph's College, Tiruchirapalli to the Director of Public Instruction, Madras.

I have the honour to state that the Construction of the New Science Block is progressing steadily. The ground floor and the first floor are completed and the 2nd floor is under construction.

I enclose herewith a copy of the Bill of Work done up to the 20th March 1950.

Still further work to the tune of about 2 lakhs is to be completed. Due to the heavy expenditure so far incurred the management are hard pressed for funds and therefore find themselves compelled to approach you with a request for an advance payment from the grant already sanctioned. The Government of Madras have been pleased to sanction as building grant a sum of Rs.75,000/- in their Memorandum R.C.No.682, To enable us to proceed without delay with the work, we request you to be good enough to pay the amount sanctioned at an early date.

Thanking you.

RECTOR
ST. JOSEPH'S COLLEGE
TEPPAKULAM P.O.
TRICHINOPOLY
5-7-1950

I approach you for a
personal favour. You were so kind to
sanction Rs. 67,78,000/- for our Chemistry
Building. But the amount sanctioned
is not included in this year's budget.
We have already spent over 2 1/2 lakhs
on the building, & now for want of fund
the building is stopped. Now I request
you to intercede again, and recommend
to the Govt. to include our amount
as a special case, in this year's budget.
If you do this we can immediately
draw this amount, & we can finish
our building within 4 months. Two
weeks back I came to Madras, but
you were away and so I could not
contact you. I do not want to take
another trip, and trouble you. My
best regards to Mrs. Kuthiammal.

Yours faithfully
J. Kalathil

Grant - Building - St. Joseph's College, Tiruchirapalli - Construction of college building - Payment of advance grant - Rs.50,000/- in 1950-51. Ordered.

READ: G.O.No.3569 Edn. dated 19-11-1949.
G.O.No.470 Edn. dated 14-2-1950
From the D.P.I. R.C.No.86-D8/49 dated 26-4-1950

ORDER/Ms.No. 2615 Edn. Dated 18.9.50.

In the circumstances stated by the D.P.I. in his letter cited above, the Govt. sanction the payment of a grant of Rs.50,000/- (Rupees fifty thousand only) ⁱⁿ advance to the management of the St. Joseph's College Tiruchirapalli in the current year for the scheme for the construction of College buildings which has been included in the approved list. The question of payment of the balance of grant will be considered next year.

2. The Expre. on this sanction will be met initially from the Contingency Fund and finally debited to "37 -e. Education-University Grants to Non-Govt. Arts Colleges - Building". The Director is requested to apply for additional funds, if necessary, in the course of the year.

EDUCATION DEPARTMENT.

SUMMARISING NOTE.

GRANT - Building - St. Joseph's College, Tiruchirapalli - Construction of college buildings - Payment of advance grant - Rs. 50,000/- in 1950-51 - Ordered.

In November, 1949, the scheme relating to the construction of ~~colleges~~ ^{buildings} for the St. Joseph's College, Tiruchirapalli, was included in the list of approved building works, at an estimated cost of Rs. 4.27 lakhs, so as to make the college eligible for a half-grant up to a maximum of Rs. 75,000/- for the scheme. Subsequently, in February 1950, in view of the urgency of the scheme, the Govt. approved the action of the management ~~on~~ of the College in having started the building operations relating to this work even prior to the scrutiny and approval of the plans and estimates by the Joint Consulting Architect to Govt., and in undertaking the execution of the work itself, without calling for tender, as required under the Grant-in-Aid Code.

2. Later, the management of the College approached the D.P.I. with an urgent request for aid, stating that it had executed works to the value of Rs. 2,29,000/- and that it was in need of urgent funds to complete the remaining portion of the work. ~~estimated to cost about Rs. 2 lakhs.~~ Having regard to the ~~cost~~ heavy cost of the scheme, and the heavy expenditure the management ^{already} had incurred, and will ^{rel} have to incur on the work, the D.P.I. supported the request of the management and recommended the payment of an advance grant of Rs. 50,000/- for the above work during the current year. Normally, the grant for this scheme would be payable only in 1951-52, after it is considered ^{on the recommendation of the D.P.I.,} as a Part II Scheme for 1951-52 and after provision is made therefor under Part II of the B.E. for 1951-52. In view of the Director's recommendation and the urgency of the scheme, this Department suggested ~~that~~ the payment of an advance grant of Rs. 50,000/- to the College for the scheme during the current year, treating the proposal as an extremely urgent one to be introduced during the

current

current year. *The Dept* Finance advised against the proposal in view of the present financial stringency and suggested that the scheme might be considered as a Part II Scheme for 1951-52. The file was then circulated for orders and it was ordered ~~in circulation~~ *in August 50* to be put up ~~in August 50~~ after the results of the loan recently floated by the Govt. were known. The file was re-circulated by about the middle of August 1950. It was ~~ordered~~ *finally* in circulation by H.M.(E.&L), H.M.(Finance) and H.C.M. that an advance grant of Rs.50,000/- be paid to the management of the St.Joseph's College, Tiruchirapalli, during the current year for the scheme relating to the construction of college buildings, the proposal being treated as a very urgent one to be introduced during the current year. Orders have accordingly been issued sanctioning the payment of an advance grant of Rs.50,000/- to the management of the College in 1950-51 for the above ~~work.~~ *The balance of mission grant due to the College for the work, viz Rs.2500/- will be provided in the BE for 51-52.*

3. This note ~~is now~~ is now circulated to the Honourable Ministers other than H.M.(E.&L), H.M.(Fin) and H.C.M., to the ~~Chief~~ Chief Secretary, and to the Finance Department.

GRANT - Buildings - St.Joseph's College, Tiruchirapalli - Construction of college buildings - Request for payment of advance grant.

C.No.8958/50. *P.H. ny* From the D.P.I.R.C.No.86-D8/49 dated 26-4-1950.

The scheme relating to the construction of buildings for the St.Joseph's College, Tiruchirapalli, has been approved by Govt. for inclusion in the list of approved building works at an estimated cost of Rs. 4.27 lakhs, making the college eligible for a maximum grant of Rs.75,000 for the work. In view of the urgency of the scheme, the Govt. approved the action of the management of the college in having started the building operations even prior to the scrutiny and approval of the plans and estimates by the Joint Consulting Architect to Govt., and in executing the work themselves, without calling for tenders as required under the provisions of the Grant-in-Aid Code. The D.P.I. now reports that the value of work so far executed by the management is estimated at Rs. 2.29 lakhs, that the management are hard pressed for funds on account of the heavy expenditure they have till now incurred and will have to incur on the above work, and that they require an advance grant for the purpose during the current year. ~~In view of the urgency of the work,~~ The D.P.I. recommends the payment of an advance grant of Rs. 50,000/- during the current year, for the work, from out of the sum of Rs.75,000/- to which the College ~~is eligible~~ would be eligible.

2. There is no provision for this scheme in the current year's budget. In the normal course, provision for grant for this scheme ~~could~~ *should* be made only in the Budget for 1951-52, after considering it as a Part II Scheme for 1951-52. But in view of the circumstances stated by the D.P.I., it is for orders whether the D.P.I.'s proposal for sanctioning an advance grant of Rs.50,000/- for the St.Joseph's College, Tiruchirapalli, during the current year, for the scheme relating to the construction of college buildings may be

P.T.O.

EIA

may be ~~approved~~ ^{accepted} and if so whether an advance grant of Rs.50,000/- may be sanctioned to the College during the current year itself for the ~~work~~ above work, treating the proposal as an extremely urgent one to be introduced during the current year. Finance may see the case for remarks.

7/5/50

Edn (F)

Q.No. 2958/50-1

9/5/50

Fin. (Exp. A.)

Please see the notes on pp.1-2 above, recommending the payment of an advance grant of Rs.50,000, to the management of the St. Joseph's College, Tiruchirapalli. There is no provision in the Budget for payment of the grant and the

80

proposal constitutes a 'New Service' and no grant can be paid before obtaining a supplementary grant from the Legislature. Attention is invited to this Department's note in the top file in which it has been suggested that the proposal to give an advance grant ^{in the current year} towards certain building schemes of Dr. Alagappa Chettiar's College, may be negatived and that the scheme may be brought forward as a Part II Scheme for 1951-52. Similarly, Finance may advise that the proposal in this file also may be brought forward as Part II Scheme for 1951-52.

H-2-3 NF. Top file

14550
13550
13550

File No. 33578 EA-1
16.5.50

11899

The proposal for sanctioning a grant of Rs. 50,000 in the current year is supported by Govt. in view of the management's need for funds to proceed with the construction of the buildings. The Govt. are faced with similar difficulties to finance even the schemes already sanctioned and provided for in the current year budget estimates. The proposal may therefore be considered along with the Part II schemes for 1951-2.

14550

Edn (F)

The file relates to the ^{payment} ~~sanctioning~~ of an advance grant of Rs.50,000/- in the current year for the construction of college buildings to the management of the St. Joseph's College, Tiruchirapalli. In view of the urgency of the scheme, the Govt. approved the action of the management of the college in having commenced the building operations ~~at~~ even prior to the approval of the plans and estimates by the Joint Consulting Architect to Govt. Normally, this building scheme would be eligible for a grant of Rs.75,000/- in 1951-52 only, after being considered as a Part II Scheme for that year on the recommendation of the D.P.I. Now, in view of the fact that the management is in need of funds urgently, this Department, on the recommendation of the D.P.I., suggested that an advance grant of Rs.50,000/- may be made

150809 (A)

to

to the management of the St. Joseph's College, Tiruchirapalli, in the current year for the above scheme, the proposal being treated as a very urgent one to be introduced during the current year. But Finance object to the proposal and advise that the proposal may be treated as ~~as~~ a Part II Scheme for 1951-52, on the analogy of their suggestion in the top file - relating to the payment of advance grant to the Alagappa Chettiar College, Karaikudy. In the circumstances, it is for orders whether this Department will press their suggestion for the payment of an advance grant of Rs. 50,000/- to the St. Joseph's College, Tiruchirapalli, in the current year, or whether the proposal for an advance grant may be negatived in view of Finance Department note above, and ^{whether} the D.P.I. may be asked to bring forward ^{the proposal for grant for} this scheme, as a Part II Scheme for 1951-52 along with his other Part II Schemes.
