Sir,

Subj: - Revised scales of Pay '1947' - fixation of pay-anomaly-
hard case submitted for consideration and orders.

I beg to submit that I was appointed in the Government Press,
Madras first on 7-3-1923 and I am continuously in service from 25-10-1932
on the Establishment of the Government Press, Madras.

When the salary system was introduced from 1-11-1939 I was fixed
as a Hand compositor (II-Grade direct) on Rs.38-3/2-50 and within a
period of three months i.e. from 1-2-1940 I was again promoted to
First Grade on Rs.45-60 on the basis of my efficient turn out of work etc.

Prior to the revision of Scales 1947, I was drawing Rs. 61/-
(57 plus 4 Interim Relief) in the time & scale of pay Rs. 45-60.

According to G.O. No.916 Finance Dated 26-11-1947 my pay was fixed at
Rs. 61 (60 plus 1 Personal Pay) in the scale of Rs.40-2-60-EB-3-75.
It is seen thus that I am not at all benefited by the revision of
scales and the spirit of Cabinet Salaries Committee to enable Government
servants to get enhanced rates of pay on account of their revised scales
of pay Rules is not applied fairly with any justice in my case alone.

According to Rule 9 (2) (a) of the Rules contemplated in G.O.No.73
Fin dated 6-2-47, my pay must be fixed at Rs. 63/- (i.e. I was drawing
Rs.61/- and this must be fixed at Rs.63/- the stage next above the
aggregate of my pay in the old scale). Besides this according to rule
9 (2) (c) therein I am entitled for grant of three advance increments
i.e. Rs. 3 x 3- Rs.9/- i.e. I must be fixed in aggregate at Rs.63/-
plus 9 - Rs.72/- in the revised scale of pay on Rs.40-75 (sanctioned in
G.O. No. 916 Fin dated 26-11-1947 read with G.O. Ms. No.2468 Wdn dated
2-8-1949.

I beg to submit that the periods of my service in the press has
not been taken into account in determining the fixation of pay as per
G.O. Ms. No.2468 Wdn dated 2-8-49, the details of which are furnished
below:-

I submit that instead of counting 15-4-26 for advance increments only 10-2-3 has been accounted for in my case and thereby I sustained a substantive loss of emoluments in comparing my only case against all the employees in the Government Press, Madras since I have not been benefited even by an ANNA by the revised scales of pay 1947. When enquired into my case I came to understand that the broken periods of my temporary service has not been taken into account for giving me the benefit of advance increments.

I humbly submit, to the benign Government that according to Rule 6 (4) of the Madras Retrenchment and Re-employment Rules, 1932 embodied in the Manual of Statutory Rules and orders that any interruption due to discharge of a person from service as a measure of retrenchment and who is subsequently re-employed shall not entail forfeiture of his past service and his service from the date of such re-employment shall be deemed for all purposes to be in continuation of his service before discharge. Under the protection of this statutory rule I request Government to issue orders to allow to count my broken periods of temporary service (due to general retrenchment in the Press establishment often) for benefiting me with the grant of advance increments contemplated in the pay fixation rules.

Praying for favourable orders.

I beg to remain,

Sir,

Yours obediently,

Government Press.

Endorsement No. 95923/SBC/1-50, dated 17-8-1950.

Submitted to the Secretary to Government, Education
Department.

The petitioner was in receipt of pay of Rs 57 plus 4/- Interim Relief prior to revision of scales of pay as per G.O. No. 78, Finance, dated 6-2-1947 and modified in G.O. No. 916 Finance, dated 16-11-1947 and G.O. No. 2468 Education, dated 2-8-1949. He has been fixed at Rs 60/- plus Re.1/- personal pay on 1-1-1947 according to the revised scales of pay Rules, 1947. But for the rule 9(2)(g) of pay rules as per G.O. No. 78 Finance, dated 6-2-1947 his pay would have been fixed higher than what has been fixed on 1-4-1947. The petitioner is not benefited by the revision of scales.
