1. I beg to place before you for your kind consideration and sympathetic disposal my legitmate grievances due to the promotion of Sri. O.S. Anchan, a junior of mine, without reappointing me to the M.E.S. and restoring my probation.

2. I started my service in the S.E.S. as an Assistant lecturer on the 10th July, 1928, and was then deputed by the Government for L.T. which I passed with distinction winning the Lord Pentland Prize for 1930 from the Teachers' College, Saidapet. After the training I was reappointed as assistant lecturer and due to lack of vacancies in the Collegiate Branch, I had to work for 3 years as a school assistant in Government Secondary and Training Schools in the cadre of school assistants and Deputy Inspectors. Then I was permitted by the Department to work as a Research Fellow in Economics in the Madras University, and after research I joined the Presidency College in 1934 and later on confirmed in the S.E.S., Collegiate Branch from the 11th July, 1937.

3. After 21 years of loyal service in the Department, I was promoted as a regular probationer on the 11th July, 1949 and posted as a lecturer in Economics and History to the Government Arts College, Madras, in the retirement vacancy of Sri. D. Venkata Rao.

4. However, very unfortunate circumstances caused my reversion to the S.E.S. due to the posting of Sri. Deenadayalu, a direct recruit to the D.E.O.'s cadre - as lecturer in History, Teachers' College, Saidapet, and the transfer of Jenab Habibullah to the Govt. Arts College, Madras. On my representation to the Department (vide enclosure I and II) I was not able to get any redress of my grievance, except a verbal assurance that I will be appointed in the first vacancy that arose. But in the first vacancy that arose Sri. K.S.U. Nair has been reemployed and that also did not

5. Then came two new M.E.S. posts in Social Studies for the New Training Colleges at Palghat and Mangalore. Sri. P. Kochunni Panickar has been shifted from the Geography unit and posted to Palghat, though I am fully qualified to hold this place at Palghat; and in the other post of lecturer in Social Studies at Mangalore Sri. O.S. Anchan, Assistant Lecturer is posted on the plea that a Kannada-knowing person is required for this. Sri. O.S. Anchan is promoted over three of his seniors including myself who is a regular probationer. Sri. M.K. Sreenivasaraghavan, the Lecturer in Social Science at the Training College, Rajahmundry had Kannada as the second language both for his Intermediate and B.A. in the Mysore University. Jenab V. Habibullah, Lecturer in Economics and History, Anantapur Arts College, is Kannada-knowing Officer coming from the Hospet taluk of the Bellary District. Both these lecturers have L.T. degrees and experience of teaching in Training Colleges. It is possible for the Government to make the necessary transfers least costly by reposting me to the Govt. Arts College, Madras, and the present lecturer at the Arts College who is a bachelor being posted to Rajahmundry or Anantapur. My transfer would entail 7 Second Class fares, while that of the other lecturer would cost only 2 Second Classes. Further I have also my children studying in the Colleges and Schools in the City and I have heavy family responsibilities which would be lightened by my stay in Madras. Being the beginning of the academic year all these changes could be now done without much trouble and disturbance to the College work, while this would secure for me some justice atleast at this late hour.

6. I regret very much that I have been forced by repeated misfortunes to put in such a petition for securing my legitmate rights in the Department. I request you to kindly consider impartially my unfortunate case and safeguard my seniority and secure my just claims in the service which I have secured by virtue of 22 years of loyal service, in the Department and reappoint me to the M.E.S. by modifying the order posting my Junior Sri.O.S. Anchan. I am not only the senior-most among the Assistant Professors in History and Economics, but the second in the whole list of more than 200 S.E.S. Collegiate men. My appeal is only for a sympathetic consideration of my service claims and seniority and for impartial justice redressing my legitmate grievances and relieving me from the repeated worries and insecurity to which I have been subjected to during the past one year. For this act of kindness, sympathy and justice, I shall ever be grateful.

Assuring you of my sincere loyalty and best service, at all times,

Reference: Proceedings of the Dirctor of Public Instruction No. 2047-c1/49 dated ~~7~~ 6-12-49 - G.O M.S No. 3733 E d n dated 2-12-'49.

1. I beg to palce before you fo your kind consideration the following facts about my reversion, and humbly equest you to consider the alternative possibilitie and restore me to the M.S. at the earliest date and enable me to continue my probation with out any reak.

(a) 16

2. I was promoted in July 1949 e to the retirement of Sri. D. Venkata Rao in April 1949, and I got my promo on after 21 years of loyal Service. Including myself there were only 5 prottees in History and Economics as against 7 direct recruits, and by posting a dect recruits from the D.E.O's cadre as a lecturer in the Teacher's College, e number of promotees is reduced to 4 and that of direct recruits increase to 8. This is a matter of grave concern not only to my self but to all member of the S.E.S. as it makes my position uncertain and risky at every stage. is is a cruel reward and mo depressing and distressing ~~and~~ thing that I can pect after 21½ years of loyal Service.

Sri T.R. Deena-dayal

3. It is something strange that he posting of a war recruit for History at the Teacher's College became immediaty necessary, when in eight other subjects this could be postponed to more conve ent times. I am myself qualified to be a lecturer in the Teacher's College, I have finished my L.T securing Lord Pentland Prize and securing Fir place and distingction, and I have served in the school assistants and uty inspector's cadre for nearly for ~~three~~ years in the Secondary Training Scols, Higher Elementary Training Schools and High Schools at Vellore, Dindigal, mbatore, Palghat, Cannanore and other places. I am fully qualified to a cturer in the Teachers College, or to be a D.E.O. There are D.E.O's at Tinnely and other places who are acting under emergency posers, and it is oy proper that when a D.E.O is brought to an College branch, a College lectur is sent out as a D.E.O as it has been done in the case of others like Sri B. Somasundara Rao from Rajamundry in 1936, Mr. Holman in 1943 and a numb of other cases.

4. The Economic Department of he Presidency College had been asking for the resoration of the M.E.S place o the additional Professor since 1947, and though the proposal was included in he Part II scheme for the Current Budget, it is only a temporary S.E.S place hat was sanctioned in Juyly 1949. I request that from the date of my joinging th post on reversion from M.E.S., this place may be placed in the M.E.S., so th I may continue my probation without any reversion. The additional expendi re in doing this immediately will be only Rs.5/- per month for the Governmen as I will be drawing Rs. 255/- in the S.E.S and my M.E.S pay will be only Rs.26 . This will be of great help to me personally. a compensation for the loss of one llege place in History and Economics, and beneficial to the working of the Drtment acco rding to the recommendations of the expert Committee and the Unrisity Commission.

5. A place at the Governmen ollege, Pudukottah is vacant since last April, and only an emergency appoi ent is now made. By regularising the place and giving ~~the~~ me~~d~~ a paper posting d making the necessary changes, I may be enabled to continue in the M.E.S w out break.

6. I shall be obliged if you uld consider these different alternatives, namely, (1) Posting me to the Teas College. (2) Posting me or any other History Lecturer as D.E.O (3) Rer al of the M.E.S additional Professor's place in the Economics Department r (4) the Regularisation of the M.E.S place at Pudukottah, and enable me continue my probation without any break. This is an act of bare justice for loyal service of 21½ years and my long sufferings in the Department and f this act of kindness I shall ever be grateful.

Sir, I beg to bring to your kind notice and sympathetic consideration, the grave injustice done to me by the promotion of Mr. C. S. Anchan as lecturer in Social Studies to the Training College, Mangalore without reappointing me to the Madras Educational Service.

I started my probation in the M.E.S on 11-7-1949 due to the retirement of Sri D. Venkata Rao, but unfortunately the posting of Sri Deenadayalu from the D.E.O's Cadre caused my reversion to the S.E.S. in Dec. 1949. On representations made by me, I was given the hope that I will be getting back the chance in May 1950 when the Senior lecturer in History and Economics retired at Palghat. Unfortunately for me this retirement did not create any vacancy; and then came the chance due to the starting of two Training Colleges. 2. Kind attention is invited to paragraph 2(i)(2) of the Director's letter to Government, Cl.No.51/50 dated 19-6-1950 (disposed of in G.O.No.Ms.1940 Edn., dated 4-6-1950) recommending the appointment of Sri O.S. Anchan, temporarily, as Officiating Lecturer in Social Studies in the Government Training College, Mangalore, under emergency provisions. Not only was it felt that Sri M.K. Sreenivasaraghavachar's knowledge of Kannada was not adequate enough for handling classes through the medium of Kannada but that there was no suitable Professor or Lecturer with ~~xxx~~ a knowledge of Telugu who could be posted to the Government Training College, Rajahmundry in the place of Sri M.K. Sreenivasaraghavachar. Hence the transfer of Sri M.K. Srinivasaraghavachar as Lecturer in Social Studies in the Government Training College, Mangalore could not be considered. As regards Janab V. Habibullah's transfer as Lecturer in Social Studies in the new Training College at Mangalore, it may be submitted that the language he studied in the college classes was Urdu and his mother-tongue is also Urdu. By virtue of the fact that he hails from Hospet taluk of Bellary District, it cannot be stated that he possesses an adequate knowledge of Kannada so as to use it as medium of instruction in the High school classes. Having been in Madras for the past so many years, Janab Habibullah could not have had much scope even to converse in Kannada. As the Training College at Mangalore has been newly started, it is not wise to post Lecturers who have not adequate knowledge of Kannada.

3. No remarks are called for in regard to the following points adverted to in the petition from Sri K.A. Joseph:—

pp. 1-2 ante

i. The transfer of Sri T.R. Deenadayal from the Administrative to the Collegiate Section.
ii. The appointment of Sri P. Kochunni Pannikker as Vice-Principal and Lecturer in Social Studies, Government Training College, Palghat, and
iii. The sanction of re-employment ~~xx~~ to Sri K.S.U. Nair, in the post of Principal and Senior Lecturer in History, Government Victoria College, Palghat.

4. In this connection, it may be submitted that there is the likelihood of the petitioner being re-appointed to officiate as Lecturer in Economics sometime during September 1950 as Sri A.C. Madhavan Nambiar, the present Lecturer in Economics, Government Brennen College, Tellicherry, has to join the Indian Police Service and commence his training at Mount Abu on 1-10-1950 or earlier as may be directed by the Government of India - vide Government Endt. No.15453 A.1 Edn., dated 19-6-1950. Moreover, if and when the present post of Professor of History and Economics in the Rajah's College, Pudukottai

is absorbed, along with other posts, in the Madras Educational Service cadre, it will be possible to transfer a senior officer from this department reverting the existing temporary incumbent.

Sir,

Subject:- Madras Educational Service - Vacancy in the post of Lecturer in Economics, - Government Brennen College, Tellicherry: Filling of the - Proposals submitting.

Ⓔ/16 Reference:- Government Endorsement No.15453 A.1 Edn., dated 19th June 1950.

Ⓔ/1 IN their letter No.7/40(32)/50 AIS., dated 18th May 1950, Government of India, Ministry of Home Affairs, have informed the Government of Madras about ~~of~~ the offer of appointment to Sri A.C. Madhavan Nambiar, Lecturer in Economics, Government Brennen College, Tellicherry, to the Indian Police Service and have also requested that Sri Madhavan Nambiar may be relieved of his duties so as to enable him to join the Central Police Training College, Mount Abu, on or about the 1st October 1950. --vide Government Education Department Endts. No. ~~1222~~ 12212 A/50, dated 23-5-1950 and No. 15453 A.1, dated 19th June 1950. Ⓔ/18/6 Sri A.C. Madhavan Nambiar has expressed his desire to be relieved sometime during the third week of September 1950 and his formal application for relief is awaited. I submit the following proposals for filling the resultant vacancy in the post of Lecturer in Economics in the Government Brennen College, Tellicherry.

12

2.

2. Sri K.A. Joseph, Assistant Professor of Economics, Presidency College, Madras, is the only 'Probationer' in the Economics Unit of the Madras Educational Service who is awaiting re-appointment in the present vacancy. He officiated as Lecturer in Economics, Government Arts College, Madras, from 11th July 1949 with reference to G.O. No. Ms. 2097 Education, dated 30th June 1949. He reverted to the Madras Educational Subordinate Service on the fore-noon of 9th December 1949 for want of a vacancy in the Madras Educational Service. I recommend that Sri K.A. Joseph may be re-appointed to officiate as Lecturer in Economics, Government Brennen College, Tellicherry, in the vacancy that will arise on the relief of Sri A.C. Madhavan Nambiar. ② /6

The Govt. were aware of the seniority and probationary rights of Sri Joseph and yet they apptd. Sri Anchan temporarily because no suitable officer knowing Kannada, a knowledge of which language is essential for appt. in the Trg. College at Mangalore, was available. ~~The notes and minutes at pp.11-14 of "B", and~~ The D.P.I.'s remarks at ~~ppx~~ p.9 C.F. of this file may be perused. No action is therefore necy. on the petition.

But a vacancy in the category of Lecturers in ~~History~~ Economics is likely to arise shortly, consequent on Sri A.C.M.Nambiar's appt. by the Govt. of India in the Indian Police Service. The D.P.I. has recommended that in that vacancy Sri Joseph may be re-apptd. This recommendation may be accepted. For orders.

Subject:- My claims for promotion to the Madras Educational ~~Educational~~ Service as against the recent promotion of Sri. O.S. Anchen (an officer junior to me by more than one decade) as Lecturer in Social Studies, Government Training College, Mangalore. (Notification No.101 dated 4-7-1950 in the Fort St. George Gazette) and orders of the Director of Public Instruction in R.C.No.3044 C 1/49 dated 9th August 1950 on my representation dated 18th July 1950 on the subject.

I crave leave to approach you with the humble prayer that, in the circumstances stated hereunder, my claims for promotion to the Madras Educational Service as against Sri. O.S. Anchen may kindly be recognised in their true perspective and my case decided on its merits.

I am a permanent assistant lecturer, appointed as such so early as 2-8-1928. I have already reached the maximum in the grade namely Rs.250/- plus Rs.5/- L.T. allowance, and have also acted in the M.E.S. under 9 (a) 1. All through my service, my work has been well-appreciated by my superiors and there has never been, so far as I know, an adverse remark of any kind. I have only about seven more years of service. I am still waiting for promotion.

Chances of promotion from the subordinate to the Madras Educational Service have always been few; and even these have become fewer owing to direct recruitment alternating with promotion. In particular, my chances of promotion have been adversely affected for a variety of reasons. There have been far too many lecturers recruited directly to the Cadre of the M.E.S.in the History and Economics Branch as compared with other subjects like English and Chemistry. As a consequence of this, while in subjects like English, Mathematics, Physics and Chemistry, assistant lecturers who were recruited in 1929, 1930, 1934, 1935, 1937, and 1938 have had their promotion, in History and Economics, assistant lecturers like ~~him~~ myself who were recruited in 1928, i.e. more than two decades ago, have had to mark time even after reaching their maximum pay in the S.E.S. Further, the transfer of Sri. T.R. Deenadayal from the administrative section to the teaching line has affected adversely the chances of promotion of senior assistant lecturers in History and Economics. The re-employment of Sri. K.Sankaran Unni Nayar (Prinicipal and Senior Lecturer in History and Economics, Government Victoria College, Palghat) after the age of superannuation has also acted prejudicially to the interests ~~as~~ of assitant lecturers like myself awaiting promotion.

Ⓑ/6

The recent promotion of Sri O.S. Anchen as Lecturer in Social Studies has had a similar adverse effect on my promotion. He was appointed as assistant lecturer in History only on 10-12-1938 whereas I was appointed as assistant lecturer as early as 2-8-1928. Further, I have had experience of teaching both History and Geography in all the different forms of Secondary and Training Schools for about seven years whereas Sri O.S. Anchen has had no such experience. I submit, therefore, that I have better claims for the post to which he has now been promoted.

BK.112 - p.146

It may perhaps be stated that, after all, Sri Anchen's promotion has been ordered only under Rule 9(a) 1 of the general rules. In this connection, my humble submission is that, since the creation of the posts of lecturers in Social Studies and the appointing of persons thereto were discussed sufficiently early, no such emergency

18 (16) ~~3~~

as contemplated in rule 9(a)1 has arisen ~~f~~all on a sudden. Besides, his promotion has been ordered at the beginning of the academic year and not in the middle of a term or year. Therefore, I submit that my claims for promotion could have been favourably considered.

Further, if it is stated that the promotion of Sri O.S. Anchen was ordered on linguistic ~~gou~~ grounds, I submit that it has not been the practice till now as is borne out by the following postings:-

I. RAJAHMUNDRY TRAINING COLLEGE

Medium of Instruction in the Model High School: Telugu

(a) Names of Lecturers.	(b) Languages Known	(c) Period.
Sri K.C. Subramania Iyer	Tamil	was Principal and Lecturer in Science from 1938 to 1940.
Sri S. Venkatachariar	Tamil.	was Lecturer in History from 1936 to 1940.
Sri S. Muthukrishna Iyer	Tamil	was Lecturer in Geography from about 1938 to 1940.
Sri V.N. Viswanatha Iyer	Tamil and Malayalam	was Lecturer in Science from November 1945 to August 1946.
Sri V.P. Kannan Nayar	Malayalam	was Lecturer in Science from September to December 1946

II. SAIDAPET TEACHERS' COLLEGE.

Medium of Instruction in the Model High School: Tamil

Sri P. Bhaktavatsal Patnaick	Telugu	was Lecturer in Mathematics from November 1937 to 1939.
Sri C. Bhashyakarala Rao	Telugu	was Lecturer in Natural Science from about 1942 to July 1946.
Sri. ~~MrC.~~ N.C. Krishnayya Naidu	Telugu	was Lecturer in Geography from about July 1943 to July 1946.
Mr. V. Habibullah Sahib	Kannada and Urdu	was Lecturer in History from July 1948 to December 1949.
Sri T.R. Deenadayal (The Present incumbent)	Telugu	Lecturer in History from December 1949 to date.

From the above statement, it would be clear that senior Assistant Lecturers' claims for promotion have not been overlooked till now solely on the ground of their ignorance of the local medium of instruction. If Mr. V. Habibullah Shahib whose languages are Urdu and Kannada and Sri T.R. Deenadayal whose language is Telugu can work as Lecturer in History or Social Studies in Saidapet Teachers' College where the medium of instruction in the Model High School is Tamil, I crave your pardon for most respectfully and humbly submitting that I am unable to see why I cannot be posted as Lecturer in Social Studies, Government Training College, Mangalore.

I may also be permitted to submit that Lecturers with a good knowledge of Kannada are not lacking among the Senior M.E.S. Lecturers in the History Department with training College experience also to their credit as, for instance, Mr. V. Habibullah Sahib and Sri M.K. Srinivasaraghavachariar. (Mr. V. Habibullah Sahib is a native of Hospet, situated in the Kannada-speaking part of the Bellary District. Sri M.K. Srinivasaraghavachariar has read Kannada and knows it well as he is a native of the Mysore State and was educated there)

In conclusion, I most humbly submit that the promotion of Sri O.S.Anchen, an officer junior to me by more than one decade, even under 9(a)1 when I am continuing in the S.E.S. is a hardship to me and I pray that my case may be favourably considered.

If there is any idea or proposal to constitute the staff of Training Colleges into a separate cadre as distinct from the Arts College Staff, I submit that I have got good claims for inclusion therein. I passed the L.T. degree examination with distinction in History and I have also experience of teaching in Secondary and training Schools for about seven years.

I also prary that my claims for very early promotion may be considered in any one of the following posts:-

(1) Lecturer in Social Studies, Government Training College Mangalore.

(2) Lecturer in Social Studies, Saidapet Teachers' College where a Tamil-knowing Lecturer has not been working in the History or Social Studies branch for the past two years and more.

With reference to Government Memo. quoted above, Sri R. Athinathan, Assistant Lecturer in History, Government College, Mangalore has been informed that his claims for appointment as Lecturer in the Madras Edl. Service will be considered when a vacancy next arises. In my proceedings referred to above, Sri K.K. Chathu Achan, Officiating Lecturer in Economics, Government College, Mangalore has been granted leave on average pay without Medical Certificate for one month and 15 days from 10-10-1950 and a vacancy has thus arisen.

25/11/50

2. As the present vacancy at the Government College, Mangalore will cease by 24-11-1950 and as there is no likelihood of Sri K.K. Chathu Achan applying for an extension of his leave, I consider

p.t.o.

that it will not be convenient to post a substitute for this short vacancy, as the appointment of a substitute is bound to cause too many changes and dislocation of work in the several colleges in the middle of the academic year. I request that my action in leaving the post of Lecturer in Economics in the Government College, Mangalore unfilled, during Sri Chathu Achan's absence on leave may be kindly approved by Government.
