THE REGISTRAR,

University of Madras.

The Secretary to Government,
Education and Public Health Department,
Fort St. George, Madras.

Sir,

In connection with the conduct of Certificate and Diploma courses in Anthropology by the University, the Syndicate considered the arrangements for the special lectures to be delivered in comparative Anatomy and Pre-historic Archaeology and has resolved that Dr. A. Ananthanarayana Ayyar, Professor of Anatomy and Principal, Stanley Medical College, Madras, and Dr. A. Aiyappan, Superintendent, Government Museum, Madras, be appointed part-time lecturers for 1950-51 to deliver a course of lectures on the respective subjects. They will be required to deliver about 12 lectures each. These persons were appointed during the previous two years for the same purpose and they delivered the lectures. An honorarium of Rs.20/- per lecture will be paid to them.

2. It is only with the co-operation of the Museum authorities that the course would be made effective and useful and I have to request as in previous years that the Superintendent of the Museum be permitted to accept the appointment to deliver the lectures and to give all facilities to the students for the course to visit the museum as often as necessary. The lecturer may have to conduct of these 12 lecture classes at the Museum itself.

3. Dr. A. Ananthanarayana Ayyar, Professor of Anatomy may also be permitted to deliver the required lectures in his subject. I may add that this is not likely to interfere with their official duties.

I request that early orders of Government may be obtained and communicated.

Yours faithfully,

R. R. S. S. S.
