Prosecution has not been ready, in spite of several adjournments and they say that certain documents had been sent to the Handwriting Expert at Simla and that they could get ready and file the final charge sheet only after getting the handwriting experts opinion. which is already five months old. I see no point in keeping
it pending. The Police may file a fresh charge sheet after
they collect all evidence and get ready. I see no grounds
to sustain this charge sheet any longer. The accused are
discharged.
