R.C. B-1-20032/DB/49.

From

SRI M. NARASANNA, B.A.,

President, District Board, East Godavari

EAST GODAVARI DISTRICT BOARD OFFICE,  
Kakinada, d/ 30-12-49.

To

The Secretary to the Government of Madras  
Education & Public Health Department

Sir,

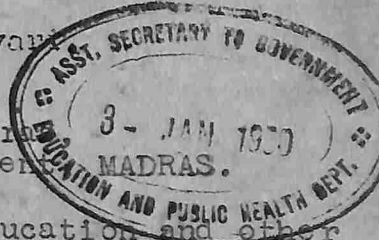

Sub:- Grants - Flood and Cyclone damages - Education and other  
public health works - East Godavari District Board.

In continuation of this office R.C. B-1-20032/DB/49 dated 10-12-49,  
I submit herewith a list of Educational (and Medical) buildings (and water-  
supply works) damaged by the recent cyclone in Kakinada Division.

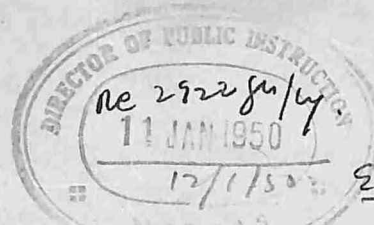

I request that the Government may be pleased to sanction full ---  
grants for the works and also to accord permission to proceed with the  
execution of works in anticipation of sanction of grants. Further list  
of School buildings damaged in the coastal areas will be submitted ---  
after receipt of estimates of damages from the Divisional Engineer.

| 9. D.N.Setty & D.V.Reddy Hindu High School, Peruru | .. | Rs. 2,500/-  |
| Total Estimated Cost                               | .. | Rs. 16,050/- |

4. On the analogy of orders in G.O.No.77-Education dated 10.1.50 in the case of Aided institutions; half the estimated expenditure reported by the District Educational Officer may be sanctioned by Government subject to the following conditions:-

- (i) The grant will be limited to half the estimated cost of expenditure or half the amount actually spent whichever is less;
- (ii) That valuation statements for each work by the President, District Board are furnished;
- (iii) That completion Certificates showing the actual amount of expenditure incurred by the P.W.D. are furnished;
- (iv) That the work is executed and completed and grant if sanctioned is drawn during the financial year in which the Government sanctions it.

Subsidies - Buildings - District Board  
East Godavari - Repairs to buildings damaged  
by cyclone

From the P.D.B. East Godavari Ac. B. 1. 2003288/49  
30-12-49

From the DP D No 2922 A-4/49 27.6.50

The P.D.B. East Godavari has applied for the grant of subsidies towards the full cost of repairs to the buildings of certain secondary schools damaged by cyclone in 1949. He requests that permission may be accorded for the execution of the repairs in anticipation of sanctioning subsidies. The cost of repairs to the buildings of nine secondary schools damaged by cyclone is estimated by the D.E.O. at Rs 16050. In respect of one school (S.B. Middle School Manjupalli) the repair is estimated to cost Rs 50 only. This may be left out as the St Bd can afford to meet this small amount entirely from its own funds. In respect of the remaining 8 schools, subsidies may be sanctioned as a special case towards the cost of repairs to the buildings damaged by cyclone. The DP D recommends that the amount of subsidy may be limited to one half of the actual expenditure on repairs or half the estimated cost whichever is less and that it may be disbursed on production of a valuation bill by the P.D.B. and a completion certificate by the local P.D.B. showing the actual amount of expenditure incurred. He has also suggested that a condition may be imposed that the repairs should be carried out and the subsidy claimed before the close of the financial year in which the subsidy is sanctioned.

3. As the repairs will be carried by the St Bd by its own agency and not by P.D.B. and

cost of repairs estimated by the D.E.O. is only approximate, the amount of subsidy may be limited to one-half of the expenditure actually incurred on carrying out the repairs or its valuation by P.W.D. whichever is less subject to a maximum of Rs 35,000 and it may be disbursed on production of a completion certificate signed by the P.W.D. specifying the amount actually expended on the work and a valuation certificate by the Local P.W.D. A condition may be imposed as suggested by the D.P.D. that the subsidy should be claimed before the close of the financial year in which it is sanctioned.

This may be approved  
18.7.50

4. No provision has been made in the current year's budget for the grant of subsidies towards the cost of repairs to buildings damaged by cyclone. The expenditure is not likely to be large, as only one other apply has been received from the P.W.D. West Godavari & it has been referred to the D.P.D. The subsidies may be met from the savings on account of the special economy drive which have been surrendered & required to finance if it cannot be met from the saved appropriation for other works.

5. The remarks of L.A. & Finance may be noted up. The latter may be requested to indicate the financial procedure to be followed before subsidies are sanctioned for this purpose.

15.7.50

18.7.50

Edn. no. - 211/50-2  
19.7.50

L.A. Dept may see the case in the first instance as already marked for Edn.

LA

LA (F)

Fin. no. 63825 BA1

The notes of Edn above may be perused and the file passed on to Fin.

4.5.50

4.5.50

The B.E. for 1950-51 of the East Godavari District Board is expected to close with a deficit of Rs 4.76 lakhs. against the requisite minimum balance of Rs 48,900/- The Board was asked to avoid the deficit and secure the minimum balance by retrenchment in expenditure under secondary Education and Public Health and by reducing capital expenditure from ordinary revenues. The financial position of the D.B.D. is considered to be unsatisfactory.

The proposal of Edn to give a half grant is supported.

12.17.50 Fin

Finance (Exp. A.) Deptt.

The proposal is to sanction to the East Godavari District Board a subsidy not exceeding half the actual cost of repairs, or its valuation by the P.W.D., whichever is less subject to a maximum of Rs. 35,000 in each case, towards repairs to the Secondary School buildings damaged by the Cyclone listed at 'A' on p.5 C.F. The estimated cost of the repairs as estimated by the D.E.O. is Rs. 16,000. Education support the proposal, subject to the suggestion of the D.P.I. that the subsidy should be claimed before the close of the financial year in which it is sanctioned. The L.A. Department have stated that the financial position of the District Board is unsatisfactory as the B.E. for 1950-51 is expected to close with a deficit of Rs. 4.76 lakhs and have accordingly recommended the proposal. In the circumstances, Finance may agree to give half grant towards the cost of the repairs as proposed by Edn. on the analogy of the concession shown to Aided Schools. It may

\$

The proposal in this file is to sanction to the District Board East Godavari subsidy towards one half of the actual cost of repairs to eight Secondary School buildings damaged by cyclone or its valuation by the P.W.D. whichever is less. The cost of repairs has been estimated by the DFO at Rs 16050. In case the cost of repairs exceed the estimate, the maximum limit of Rs 35,000 fixed for new building schemes will be applied to these repairs also. A similar concession has already been given to aided Secondary schools damaged by cyclone. H.M. & Fin. have agreed to the proposal. Funds will be provided in due course by reappropriation or by obtaining a supplementary grant, if necessary.

The file may be circulated to H.M. (Sout daw) and H.M. (Fin.) for approval.
