R. O. C. No. A.7.6308/49

dated 14th July 1950

Tax--Education--Municipal Councils--Levy on lands not occupied by or adjacent to buildings and lands not exclusively used for agricultural purposes.

Ref: G.O.No.1778 L.A., dated 24-9-48, and G.O.No.Ms.554 Edn., dated 28-2-49.

This office letters R.O.C.No.A.7.6308/49 dated 25-2-49 and 14-11-49 and G.O.Ms.No.1280 Edn., dated 20-4-50.

In the Budget Estimate for 1950-51, credit was taken by the Municipal Council under Education Tax for Rs.69,390/-. But Government while passing orders on the Elementary Education Budget of the Council for the current year, ordered in para 3(3) of their order No.Ms.1280 Edn., dated 20-4-50 to reduce the credit to Rs.48,183/- which is the amount of Education Tax taken credit in the revised estimate for 1949-50. This sum of Rs.48,183/- was arrived at by calculating the tax on vacant lands at the original rate viz., 1/64% of the capital value of the land. From this, it is concluded, that the Government have agreed to the continuance of the old rate of 1/64% of the capital value of lands, as requested by the council. In para 4 of the abovesaid G.O. Government have also approved the points raised in items Nos.(2) and (3) of this office letters No. A.7.6308/49 dated 25-3-49 and 14-11-49.

As the orders of Government on the request of the Municipal council to continue the old rate of Education Tax on vacant lands i.e. 1/64% of the capital value of lands do not seem to be definite, I request that Government may be pleased to pass orders whether the existing rate of Education tax on vacant lands i.e. 1/64% of capital value may be continued till the receipt of Government directions if any with reference to the proposed revision of rates for all municipalities.

Note: ~~18/9/50~~ In G.O. 552 En d 28.2-1949
 the Govt decided the mtd, decision, to levy
 Education tax on vacant lands within its area
 at $18\frac{3}{4}\%$ of property tax per half year. As
 this exceeds the maximum now fixed viz $\frac{1}{8}\%$
