Sir,

SUB: EDUCATION - Secondary - School fees -
Enhancement - over the Standard rates -
Sanction - requested.
..oo..

Due to unexpected curtailment of Land Cess and other resources which were normally being credited to the District Board, this District Board is faced with a huge deficit of about nearly 4 lakhs during the year 1950-51. In order to get over this huge deficit, a Committee was constituted by the Board to examine and suggest certain measures for the improvements of the items of revenue and curtailment of expenditure.

2. One of the recommendations of the Committee (approved by the Board in its resolution No.279 dated 26-8-50) is that the standard rate of fees charged for the lower forms be raised from 2-12-0 to 3-0-0 and for the Higher Forms from 5-4-0 to 6-0-0. Most of the district Board schools are rural schools and a good number of them are paying half fees only. Therefore, it may not be a great hardship for the parents to pay this small enhancement. I, therefore, request that the Government may be pleased to approve the suggestion of the Board to enhance the school fees from the school year 1950.51.

Sub: EDUCATION -- Secondary -- School Fees -- Enhancement --
Over the standard rates -- Sanction -- Requested --
Ref: G.O.Ms.No.2640, Education dated 21-9-1950.

The Government were pleased to approve in their order referred to above the enhancement of the standard rate of school fees from Rs.2-12-0 to Rs.3/- for the lower forms and from Rs.5-4-0 to Rs.6/- for the Higher Forms. The fees that is being collected from 1st year pupils as well as supplementary pupils in VI Form is Rs.6/-. But under rule 89(A) ii of Madras Educational Rules Rs.6/- is fixed as standard rate from the supplementary pupils thus contemplating a difference in rates.

2. In order to discourage the supplementary boys from attending schools it is considered essential that there should be a difference in the rate of school fees.

3. The Headmasters of Secondary Schools at their annual conference recommended the levy of Rs.8/- per mensem for 10 months for supplementary pupils for S.S.L.C. Class and I request that this may be approved from the school year 1953-54.

2. The tuition fees now levied from pupils in forms IV to VI is Rs. 6/- per instalment. The Special Officer proposes to raise it to Rs. 8/- per instalments in the case of supplementary students in Form VI, with a view to discourage their admission in schools and quotes rule 89(A)II of the Madras Educational Rule, in support of his proposal.

3. The rule quoted by the Special Officer does not make any distinction between the first year pupils and the supplementary students in Form VI in the matter of levy of tuition fees. Instructions have already been issued not to make any such distinction. If the intention is to discourage the admission of supplementary pupils, their total admission into District Board Schools may be banned, as is done in some of the Secondary Schools. The proposal of the Special Officer, for the above reasons, is not recommended.
