Sub: PUBLIC SERVICES - Re-employment of Sri
U. Mangesh Rao, Retired Lecturer in English,-
Proposal - Submitting.
Ref: G.O. Ms.No.1666 Edn., dated 2nd June 1950.

Of the 5 posts of Assistant Lecturers in the Madras Educational Subordinate Service sanctioned for the new Training Colleges at Mangalore, in the G.O. referred to above, one of the Assistant Lecturers' posts should be for the subject of English. In this connection, I have to state that Sri U. Mangesh Rao, Retired Lecturer in English, has been repeatedly requesting that he may be re-employed as Lecturer in English in the new Training College at Mangalore. A copy of his petition dated 9-6-1950 is enclosed.

2. Sri U. Mangesh Rao has served as Assistant Lecturer and Lecturer in English for about 28 years in the Department and retired from service in May 1947. He has had a uniformly good record throughout his service. He is reported to be physically fit for a lecturing post. He belongs to Mangalore and knows Kannada. I have none in permanent service whom I could consider fitter for the post and there are not enough Assistant Lecturers in English. I, therefore, consider that it would be very desirable to have on the staff of the new Training College such an experienced member, at least in the initial stages. It is, however, not possible to consider him for appointment as Lecturer in English in the Madras Edl. Service and he is therefore suggested for temporary appointment as Assistant Lecturer in English. Sri U. Mangesh Rao has also agreed to his being re-employed as Assistant Lecturer on a minimum salary of Rs.150/- per mensem plus dearness allowance in addition to his pension. Accordingly, I recommend that the Government may be pleased to permit me to appoint Sri U. Mangesh Rao as Assistant Lecturer in English, Government Training College, Mangalore, temporarily under emergency provisions, subject to the following conditions:-

- (1) Notwithstanding anything contained in G.O. No. 785 Finance (Pension) dated 10-10-47 Sri U. Mangesh Rao's appointment will be treated purely as one made under Rule 9(a)(i) of the General Rules relating to the Madras Provincial and Subordinate Services as distinct from re-employment and that he will be paid only Rs.150/- per mensem, the minimum in the scale of pay admissible to Assistant Lecturers, plus dearness allowance. He is now drawing a pension of Rs.142-9-0 per mensem. (A copy of his letter dated 21-6-50 is enclosed).
- (2) He will continue to draw his pension at the existing rate; and
- (3) He will be continued in his temporary appointment till the date of closure of the college for the summer vacation of 1951, if his work and conduct are satisfactory. It will be open to the Director to discharge him from the temporary appointment at anytime, without notice, if the work or conduct of the officer is not satisfactory or for any other reason, in the interests of public service.

Copy of letter dated 9-6-1950 from Sri U. Mangesh Rao, M.A., L.T., Retd. Lecturer, "Sunnymere", Mercara Hill, Kankanady South Kanara to the Director of Public Instruction, Madras.

I beg to offer myself as a candidate for the post of Lecturer in the training college for B.T. students which is to be attached to the Mangalore college from July 1950.

I underwent my L.T. Course in the Teachers' College, at Saidapet in 1918-1919, and passed in the II Class, with distinction in the Teaching of English.

I was in the Rajahmundry training college for two years 1940-42 during which time the teaching of English for B.Ed. students as well as the organization of all teaching work in English for the high school and the criticism and model lessons for the B.Ed. ~~students~~ classes were under my direction and supervision. Thus about 250 B.Eds. students passed through my hands and received their training from me.

In addition I was twice an Examiner and Paper-setter in the Andhra University for B.Ed. students.

I have thus considerable experience of all aspects of work connected with a Teachers' training college.

In addition, I am the only Kanarese knowing graduate w and L.T. with such experience.

If appointed to the new Lecturer's place in the training staff of the Mangalore college, I shall be able to give the government valuable and efficient service, rendered even more useful and effective by my ~~life~~ experience.

In conclusion, I may I draw your kind attention to the fact that by the harsh and rigid application of O.S.R. in spite of about 28 years' service, I have suffered a cruel cut of 1/5th in ~~my~~ pension for the sole reason that I was not in a permanent vacancy during the early years of my service. If you are so good as to appoint me to one of the new Lecturer's places, it will be a partial alleviation at least, of my distress.

Praying humbly that, in view of all the facts presented above, you may be so good as to appoint me to one of the new Lecturer's places for the B.T. classes which are to be started shortly in Mangalore college.

Copy of D.O. letter dated 21-6-50 from Sri U. Mangesh Rao, Kankanady, South Kanara to Sri V.K. Krishna Menon, Deputy Director of Public Instruction, Madras.

I received your D.O. just now.

P I am very much disappointed that the Director is not able to offer me a place in the Madras Edl. Service to which I belonged. I was hoping that even if the designation was Asst. Lecturer the salary attached to it would be at least the difference, between my pension and my pay at the time of retirement. Even these

(4)

modest hopes have not been realized.

However, if there is no prospect whatever of getting anything better, I am willing to be considered for appointment as Asst. Lecturer on a minimum salary of Rs.150/- p.m. plus dearness allowance, in addition to my pension.

Kindly show this letter to the Director. Thank you.

Sri U. Mangesh Rao, retd. Lecturer in English -
Re-employment.

Sri U. Mangesh Rao, Lecturer in English in the

M.E.S., retired from service from 7-5-47. He was drawing a pay of Rs.380 and was granted a pension of Rs.142-9-0. Since his retirement, it seems, he has been asking the D.P.I. for re-employment.

A post of Asst. Lecturer in English in the M.E.S.S. has been sanctd. for the new Govt. Trg. College at Mangalore. The Dir. considers that it would be very desirable to have Sri Mangesh Rao in that post and he accordingly asks for Govt.'s permission to appoint him as Asst.Lecturer under the emergency provisions. He further recommends that, in addition to his pension, Sri Mangesh Rao may be given the minimum of the pay admissible to Asst.Lecturers, viz., Rs.150, plus ~~corresponding~~ dearness allce. and that his tempy. appt. may last ordinarily until the closure of the college for the summer vacation of 1951 at the latest.

The policy of Govt. is not to re-employ super-annuated persons. The Dir.'s proposal is not based on any public ground which would justify an exception being made ^{to that policy}. He says that Sri Mangesh Rao has had a uniformly good record throughout his service, that he is reported to be ^{physically} fit for a lecturing post, that he belongs to Mangalore and knows Kannada, that he (the Dir.) has none in permanent service whom he could consider fitter for the post, and further that there are not enough Asst.Lecturers in English. Most of these are reasons personal to Sri Mangesh Rao. Though the post is in a Trg. College, it is not essential that the Asst.Lecturer should possess knowledge of Kannada (the regional language), as the subject of the post is English. Of course, a person who has retired as Lecturer after many years of service should be better than an Asst.Lecturer. But that is not ^{a justification} the reason for re-employing him. If there is ~~now~~ no suitable Asst.Lecturer

to be posted to Mangalore, the right course is to advertise and fill the post by direct recruitment.

Financially also, the proposal will not result in any saving.

Further, it would not be proper to re-employ a retired Lecturer as Assistant Lecturer and ask him to work along with men who were in the subordinate service when he was in the M.E.S. Sri Mangesh Rao himself is not quite willing to accept the Assistant Lecturer's position.

For orders whether ~~therefore~~ this dept. may ~~therefore~~ recommend that the Dir.'s proposal be negatived. Pub.(Ser.) and Finance may see before circn.

The Director has made a curious proposal and this seems to be the first of its kind so far as this dept is concerned. Sri Mangesh Rao is 58 and whatever the Director may say we cannot expect much from him. There is also no dearth of literature. His men it seems that the proposal should be negatived. For orders. Pub.(Ser.) and Fin. (Pen) may see.

Public (Pen)
We need fresh blood in the dept. Old-timers like this should not be allowed to deprive young men of employment, and I would not hesitate in negating the proposal.
