Sir,

Sub: COLLEGES - Opening of aided training Colleges -
Payment of advance grants in 1950-51.

Ref: G.O. Ms. No. 1393 Education dated 29-4-1950.

In para 3 of their order quoted above Government have permitted the payment of an advance teaching grant of Rs.5,800/- in this year, to each of the three managements opening the B.T. or B.Ed. course in 1950-51. The proposals made in my letter R.O. No.422-D.2/49 dated 19-10-1949 did not, however, include provision for the payment of advance teaching grants in 1950-51. As the managements are opening the training course at the request of this Department and in expectation of special aid, it is necessary to encourage them by giving advance grants not only for the purchase of equipment and library books but also towards the recurring expenditure on salaries of staff at least during the first year. I shall, therefore, sanction in this year to each of the three institutions under reference advance teaching grants, as provided for in the G.O. provided quoted above, on the basis of one half of the expenditure actually incurred by the management till the end of February 1951 subject to a maximum of Rs.5,800/-. The advances so paid will be adjusted from the grants due to the managements for 1950-51 and to be paid in 1951-52. I request, that Government may kindly approve this proposal.

2. In my letter R.O. No.422-D.2/49 dated 19-10-1949 I have proposed the payment of an advance grant of Rs.4,000/- in this year to each of the three institutions, for the provision of the necessary equipment (i.e. Rs.2,500 towards books and furniture) and Rs.1,500 towards teaching aids). Besides provision is necessary for the payment of stipends to eligible students. As no orders in these matters have yet been passed ~~if~~ and as no provision for the purpose has been made in this year's budget, I request that Government may kindly sanction

the payment of an advance grant of Rs.4,000/- in 1950-51 to each of the three institutions towards the purchase of equipment and that permission may be accorded to incur the following expenditure in the current year pending provision of funds:-

- (i) Equipment Grant - Rs.12,000 - Under "37(c) Education Non-Government-Professional Colleges - Equipment"
- (ii) Stipends - Rs.5,400 - Under "37(c) Education - Non-Government Professional Colleges - Stipends."

3. In this connection I may add that the payment of equipment grant for the new Training Colleges on the usual basis of one half of the actual cost would not be adequate. As the managements have taken up the proposal of opening the Training Course in expectation of special assistance towards the non-recurring expenditure also, it is necessary to liberalise the basis. The Correspondent, Dr. Alagappa Chettiar College, Karaikudi has asked for an assurance in this regard to enable him to proceed with the purchase of equipment. In addition to furniture and books it is necessary to provide each of the three training colleges with audio-visual apparatus and radio as part of the essential teaching aids. The managements cannot be required to bear any ~~xxxx~~ portion of this expenditure. I, therefore, recommend that the managements of the three new Training Colleges may be paid equipment grant equivalent to full cost and request that Government may kindly accept this proposal as a special case. The amount of grant payable to each Training College on this basis will be reported to Government on receipt of the applications for grant.

Yours faithfully,

M. V. S. S. S.

Grant - Teaching and equipment - Non-Government Training Colleges - Payment of advance grant in 1950-51.

C.No.14079/50.

From the D.P.I.R.O.C.No.229-D.9/50 dated 31.5.50 and 229-D3/50 dated 8-7-50.

In G.O.No.1393 Edn., dated 29.4.50, the Govt.

sanctioned the opening of B.T. or B.Ed. courses by the managements of the following aided institutions in 1950-51 and have sanctioned ~~an advance~~ an advance grant of Rs. 5,800/- to each of the ~~institutions~~ institutions towards the cost of maintenance in the current year:--

- (1) Andhra Christian College, Guntur,
- (2) Maharajah's College, Vizianagram, and
- (3) Dr. Alagappa Chettiar's College, Karaikudi.

The Govt. also, as a special case, accepted the proposal of the D.P.I. for the payment of a grant equivalent to two-thirds of the net cost of maintenance of the institutions. The D.P.I. now states ~~that he proposed an advance~~ ^{that he proposed an advance} ~~for advance grants teaching grants previously. He however,~~ ^{for advance grants teaching grants previously. He however,} ~~now~~ ^{now} considers that these training colleges should be given special assistance as they have been opened by the managements at the instance of Govt. ~~He therefore considers~~ ^{by way of payment of} advance grants ~~necessary for the above colleges for equipment and~~ ^{also} ~~XXXX~~ for maintenance. He requests the permission of Govt. to utilise the grant of Rs.5,800/- sanctioned in the above G.O. for payment of teaching grant which will be adjusted finally ~~from~~ ^{payable} the grants due for 1950-51 and 1951-52. It is for orders whether the D.P.I.'s proposal to utilise the sum of Rs.5,800/- for payment of advance grant to each of the above training colleges during the current year may be approved.

2. As regards equipment ~~also~~, the D.P.I. considers ~~an~~ ^{the} ~~advance grant is necessary. He recommends that it should~~ ^{grant} ~~cover the full~~ for the scheme should be on a full cost basis. He anticipates the expenditure on equipment at Rs.12,000/- for books, furniture and other aids and Rs.5,400/- for stipends, during the current year. He requests permission to incur this expenditure during this year pending provision of funds, and also sanction an

advance grant of Rs.4000/- in 1950-51 for ~~these~~ each of the above colleges towards their equipment ~~scheme~~. The Director considers that the cost of the audio visual equipment and purchase of radio should be included in the equipment grant for these colleges. He estimates the total cost of the equipment scheme for the above Colleges at Rs. 33,000/- as detailed below, though detailed applications have not been received by them from the managements:--

1. Alagappa Chettiar College - Rs. 13,000/-
2. Maharaja's College, Vizianagram - Rs. 10,000/-
3. Andhra Christian College, Guntur - " 10,000/-

As observed above, the D.P.I. suggests that full equipment grant may be sanctioned to these three institutions and that an advance grant of ~~Rx~~ (1) Rs.4000/- for each of the above 3 institutions ~~towards equipment~~ towards equipment and (2) Rs.1,800/- for each of the 3 institutions towards stipends for 10 Harijan students at the rate of Rs.18/-p.m. for 10 months may be sanctioned. As a special case, Govt. have already sanctioned two-thirds teaching grant to the above 3 institutions. It is now for orders ⁽¹⁾ whether full ~~equipment~~ grant for equipment may be sanctioned as recommended by the D.P.I. or whether a two-thirds grant may be sanctioned, and (2) whether the amount of advance grants towards equipment and stipends to students, viz. Rs.12,000/- and Rs.5,400/- respectively proposed for the 3 colleges by the D.P.I., may be sanctioned.

Finance may see the case for remarks.

Finance (Exp.A.) Dept.

For the opening of degree courses in training (B.Ed. or B.T.) in the three Colleges under private management noted in the margin*, the Govt. sanctioned, as a special case, the payment of a grant equal to two thirds of the net cost of maintenance. The ultimate recurring cost involved was reported by the D.P.I. to be Rs 29,800 p.a. for each institution made up of the following details:-

	Rs
Cost of Establishment	38,553 ✓
Rent.	4,800 ✓
Contingencies.	1,500 ✓
Stipends for 10 harijan and backward class students.	1,800 ✓
Total	46,653 ✓
Deduct Income from tuition fees.	- 2,000 ✓
	44,653 ✓
2/3 of the net cost.	29,769 or 29,800 ✓

The new degree courses were intended to be started in 1950-51 and a grant on the above basis would ordinarily be payable in 1951-2. With a view to encourage the managements to start the courses in 1950-51 positively, the D.P.I. suggested that an advance of Rs 5,800 may be paid to the institutions in 1950-51 to cover the cost of the following items of expenditure:-

(i) Books and furniture	Rs 2,500
(ii) Other teaching aids	1,500
(iii) Stipendary for Harijan and backward class students.	1,800 ✓
Total	5,800 ✓

The Govt. approved the suggestion and ordered the adjustment of the advance grant against the final grant payable in 1951-52 at 2/3 rds. of the net cost of maintenance.

2. The D.P.I. has now submitted proposals which are calculated to modify the amounts of grants indicated in para 1 above: These are:-

(1) The advance grant of Rs 5,800 sanctioned for payment in 1950-51 towards the non-recurring cost of

books and furniture and other teaching aids and recurring cost of stipends to Harijans etc. should be treated as an advance teaching grant, ~~which would include the expenditure on the books and furniture and other teaching aids and recurring cost of stipends to Harijans etc.~~

(2) Sanction may be accorded for the payment in 1950-51 of Rs 5,800 to each institution towards the cost of the 3 items referred to at A above and permission given to incur expenditure in the current year, pending provision of funds.

(3) Separate equipment grants may be paid to the 3 training colleges on a full cost basis as shown below:-

	Rs
Dr. Alagappa Chettiar's College, Karaikudi.	13,000 ✓
Maharaja's College, Vizianagaram.	10,000 ✓
Andhra Christian College, Guntur.	10,000 ✓
Total	33,000 ✓

[Apparently the above grants are proposed for payment in 1951-52 on the basis of the actual expenditure incurred by the institutions in 1950-51.]

3. The modified proposals of the D.P.I. are noted on below:-

Item (2) in para 2 above - The D.P.I.'s original proposals for payment of advance grant of Rs 5,800 to each institutions in 1950-51 were duly sanctioned in G.O. 1393 Edn. dated 29-4-50 and necessary funds have also been provided in the Budget Estimates for the current year. The D.P.I. is therefore not correct in saying that the advance grant was neither sanctioned by the Govt. nor were funds provided for the purpose. ~~also the~~ ^(marginal) remark of Education at N on p.1 above. They may be requested to inform the D.P.I. accordingly.

Item (1) in para 2 above - The effect of the D.P.I.'s proposal is to sanction an additional advance grant upto a maximum of Rs 5,800 to each institution in 1950-51 which is to be treated as a teaching grant. It seems hardly necessary to pay any part of the teaching grant in advance in 1950-51, while ordinarily it will be payable in the next year (1951-52)

on the basis of two thirds of the actual net cost. When stringent measures are being taken by the Govt. to effect economies in the expenditure already provided for in the budget, and the D.P.I. has himself indicated the ^{possibility} of effecting savings in the 'Education' budget to the tune of Rs 7,90,400, it does not appear that his present proposal which involves ^(avoidable) additional expenditure not contemplated in the budget ^(for the current year) can be sanctioned. Education may inform the D.P.I. accordingly.

Item (3) in para 2 above - When making his original proposals, the D.P.I. gave us to understand that the cost of equipment ^{might} be only about Rs 4,000 for each institution which was to be paid in advance in 1950-51. ~~He now recommends payment of a total grant of Rs 33,000 to all the 3 institutions on a full cost basis, urging that it is necessary to provide each of the 3 training colleges with audio-visual apparatus and radio as part of the essential teaching aids and that the management cannot be expected to bear any portion of this expenditure. It is submitted that this is an addl. liability which was not envisaged in the scheme sanctioned in G.O. 1393 Edn. dated 29-4-50. If Education consider that this liability is unavoidable and that grants will have to be paid to the three Training Colleges in 1951-52, they may be requested to bring it forward as a Part II scheme for 1951-52.~~

In G.O. No. 1393 Edn., dated 29.4.50, the Govt. sanctioned as a special case the payment of a grant equal to two-thirds of the net cost of maintenance for the following opening ^{during the current year} of B.Ed. or B.T. courses by the managements of the following aided institutions:--

- (1) Andhra Christian College, Guntur;
- (2) Maharajah's College, Vizianagaram; and
- (3) Dr. Alagappa Chettiar's College, Karaikudy.

The ultimate recurring/involvement in the proposal as then reported by the D.P.I. was Rs. 29,800/- for each of the above 3 institutions, on the basis of two-thirds grant on the net cost of maintenance. ^{As} ~~The~~ ^{have been} ~~xxx~~ training courses ~~were to be~~ started during the current year, the grants therefor would normally become payable in 1951-52. But with a view to encourage the managements of the institutions, at the request of the D.P.I. the Govt. ~~in the order~~ sanctioned an advance grant of Rs. 5,800/- to each of the above institutions, to cover the cost of the following items:--

(i) Books and furniture	- Rs. 2,500.
(ii) Other teaching aids.	- " 1,500.
(iii) Stipends for Harijan and backward class students.	- " 1,800/-

	5,800/-

The Govt approved the D.P.I.'s proposal and ordered the adjustment of the above advance grant against the final grant payable in 1951-52 on the basis of 2/3rds net cost of maintenance.

2. Now the D.P.I. has submitted modified proposals on the subject, as explained below:--

- (i) The advance grant of Rs. 5,800/- referred to above should be treated as advance teaching grant;
- (ii) Sanction should be now accorded for payment in 1950-51 of the above sum of Rs. 5,800/- during pending provision of funds; and
- (iii) Separate ~~equipment~~ grant on a full cost basis to cover the cost of equipment including the value of audio-visual equipment should be paid.

3. Regarding item ⁽ⁱⁱ⁾ ~~ix~~ above, sanction ~~has~~ already ~~been~~ accorded in G.O.No.1393 Edn., dated 29.4.50 for the payment of an advance ~~xxx~~ grant of Rs. 5,800/- to each of the above three institutions during the current year and necessary provision has been made in the current year's budget. The D.P.I. is not therefore correct in saying that the advance grant was not sanctioned by Govt. nor were funds provided for the purpose in the current year's estimates. Finance suggest that the D.P.I. may be informed as above. For orders whether this Department

Regarding item (i) on p.6 ante, The D.P.I.'s request would amount to ~~xxx~~ the request for the payment of an additional advance grant up to Rs. 5,800/- for each of the above 3 institutions, during the current year, which is to be treated as teaching grant. Teaching grants ~~xxx~~ to the above institutions would be payable only in 1951-52. Finance advise against the D.P.I.'s proposal for the payment of an additional ~~xxx~~ advance grant of Rs. 5,800/- in view of the present financial stringency. In the circumstances, it is for orders whether the suggestion of Finance may be accepted and the D.P.I.'s request for an additional advance ^{teaching} grant of Rs. 5,800/- to each of the above institutions during the current year be negated.

Regarding item (iii) on p.6 ante, Finance point out that while making his original proposals for ~~the xxx~~ of the D.P.I. gave the impression that the cost of equipment might be only Rs. 4,000/- for each of the above institutions which was to be paid in the current year. Now he recommends the payment of a total grant of Rs. 33,000/- to all the 3 institutions on a full cost basis including the cost of audio-visual equipment. Finance ~~also~~ point out that this additional expenditure is not contemplated in the scheme approved in G.O.No.1393 Edn., dated 29.4.50, and state that if the scheme is ~~xxx~~ and unavoidable and that grants should be sanctioned to the colleges towards the cost of the purchase of equipment, the proposal may be brought forward as a Part II Scheme for ¹⁹⁵¹⁻⁵² ~~1950-51~~. In view of the D.P.I.'s recommendation, it is for consideration whether the payment of equipment grant to the above 3 institutions may be treated as a Part II Scheme for 1951-52; and

if so, whether the basis of equipment grant for these colleges should be on the basis of full cost as requested by the D.P.I., or on the basis of two-thirds of the cost of purchase as in the case of teaching grant.
