The Divisional Engineer (H), Nagapattinam, who was called on to furnish a certificate of structural stability of the building and submit a valuation of the site and building, has forwarded a valuation statement of the building estimating its cost at Rs.8,000/- and reported that the building constructed by the Jubilee Hostel Society, Kuttalam is of sound construction fit for hostel purposes. The cost of equipment is also estimated at Rs.1,295-4-9 by the Society. The total valuation of the property both moveable and immovable which the Jubilee Hostel Committee has resolved to hand over to the District Board has thus amounted to Rs.12,000/- and more including the cost of the site.

Sir, SUB: buildings - Jubilee Hostel - Board High School,
Kuttalam - Tanjore District Board over of the
hostel.

Ref: Proceedings Roc.No.1880-G4/50 dated 21-6-50.

In continuation of my endorsement Rc.No.542-B/50 dated 10-8-50 I have the honour to state that I visited the hostel on the 24th instant. At present the hostel building consists only of a kitchen, a dining hall and a store room and separate arrangements are being made for the residence of pupils by renting private houses. This year the strength of the hostel is only 11 and the strength has considerably gone down.

2. I discussed this matter with the Headmaster of the school and some other members of the Jubilee Hostel Committee. I understand that the present building and the site together cost about Rs.12,000/- and the Committee had only collected a sum of Rs.8,000/- from the pupils. There is a liability of about Rs.4,000/- and the Committee found it difficult to clear the liability and hence the Committee approached the District Board to take over the management.

3. The Headmaster inform me that there is a real need for a hostel and he assures me that the strength will ~~im~~ improve under the management of the District Board. After a discussion with the management and the members of the Committee I now recommend, in modification of previous recommendation, that the District Board may be permitted to take over the management of the hostel after satisfying the following conditions:-

- (1) The Board may take legal advice in regard to the procedure to be followed for the transfer.
- (ii) The building and the site should be valued and the valuation statement should be obtained from the P.W.D. and Revenue authorities; and
- (iii) The accounts of the Committee may be got audited by the District Inspector of Local Fund accounts, so as to satisfy that the liability is a genuine one.
