Dear Sir,

18973.

I am enclosing a copy of my letter to the D. P. G. you know we have prebasic + Basic training now & wish to expand it so as to take up various items activities to develop Basic Education. We need lots of funds besides what Government can give us, i.e. full salary of the Staff & craft. If that help is forthcoming, we shall develop agriculture etc as well as put up ^{further} accommodations. I understand a precedent has been created in giving full grant admitted already for Perianaichenpalayam & Kizhamungiladi. Therefore kindly do the needful. Thanks!

Soundar.

AMBATHURAI S. I. R.

Date 5th July 1950.

The Director of Public Instruction,
Madras.

Sir,

Sub:- Basic Education. Basic Training school, Gandhi Gram-
Koundur Grants.

The Kastur Ba Gandhi National Memorial Trust started the first Basic Education Teachers' training for women on the 1st of September 1947. The students were selected from the students of the Kastur Ba Gramasevika Vidyalaya at Adyar. The trust continued the training for a period of two years till the end of April 1949. The teachers trained under the trust ~~have~~ are working in the pioneer schools school started by private bodies and in Government or District board schools. When the Government had taken up the policy of Basic Education, the Trust discontinued the training.

But Gandhi Gram took up the training of Senior Grade Basic Teachers from 1st of July 1949. Its main aim was to carry on the experiment in Basic ~~and~~ education and set up the standard and efficiency in training. In spite of its financial difficulties Gandhi Gram is desirous of running a permanent training centre and a model school and cooperate with the Government in this new experiment.

Gandhi Gram is a pioneering institution in this work and from the start it is working under the direction of Sri G. Ramachandran, then Assistant Secretary of the Hindia Thani Talimi Sangh and now the Secretary of the All India Village Industries association.

We have all the other items of activities like
Pre Basic Training, Pre Basic School, Adult education work,
Ejokala carpentry, Agriculture & Rural Health
work, for making Basic Education Real is all its objects.
May I request that our Training school be considered
as the foundation institutions and given full grant which will
help us a great deal to carry on the experiment with
the best of our strength.

Yours in service.

Recd:- From Dr. T.S. Sundaram Ramachandran
dated 6.7.50.

From the D.P. No. 389-D9/50
dated 12.8.50.

The Basic Tq. School, Gandhigram
is under the management of the Gandhigram
Rural Centre and ^{has been recognised by the Govt.} is a recognised institution.
It is working under the direction of Sri. K. Rama-
chandran, Secretary of the All India Village
Industries Association.

2. In his letter on p. 1 of Dr. T.S. Sundaram
Ramachandran addressed ^{ad} the Govt. for the
payment of full grant towards the cost
of maintenance of the school, in view of
the pioneering work done towards the
development of basic education. The Director who
was ^{requested} asked to offer his remarks on the
request, is in favour of the payment of a
full grant. He has stated that the management
has to run the school out of subscriptions
and donations and that there is no endowment
for it. Besides, the ~~same~~ concession
of full grant has already been shown in
the cases of three other aided basic tq.
schools.

3. The Director recommends that the
school may be paid a full grant from
1949-50, towards the ^{recurring} maintenance cost.
The ^{has been arrived at} extra cost involved to put it at Rs. 1200/- per
annum. For orders whether the recommendation
of the Director may be accepted.

4. Finance may see for same.

There are ^{nine} ~~three~~ basic training schools under private management. Of these three are given full grant. A fourth school is on the scene. At this rate there may not be many schools which will be receiving grant on the usual basis of two thirds of the cost.

It is not known how many cases will come up in future

Basic Education ~~is~~ this is the beginning stage and Govt should render all financial help to the pioneers in the field. The Director's recommendation to pay full grant to the institution may be accepted.

Education agree to the proposal especially

in view of the fact that basic education is in the beginning stage and that it is the duty of Government to render all financial help to the pioneers in the field.

2. It is submitted that there are only 9 basic training schools under private management and out of these the following three are given full grants towards maintenance:

- 1) Basic Training School, Perianaickenpalayan (for a period of 5 years)
- 2) Basic Training School, Keelamoongiladi (for a period of 5 years from 1949-50)
- 3) Basic Training School for women, Tiruvur (for a period of 2 years from 1949-50)

The circumstances under which Government agreed to the full grant for the Perianaickenpalayan School were peculiar. It was run as a Government institution, the Government meeting the entire expenditure. When it was handed over to the Ramakrishna Mission, the management insisted on the Government continuing to meet the expenditure. The Government agreed to it, as even otherwise they had to bear the entire cost. Full grant was agreed to in the cases of the Basic Training Schools at Keelamoongiladi and Tiruvur, as special cases--vide the minutes of H.M. (Fin.) on p.3 N.F. of G.O. 3962 Edn. dated 27-12-49 at (D), and orders in circulation on p.4 N.F. of G.O. 2026, Education, dated 13-7-50 at (A). As there are already too many special cases, it seems desirable to put a stop somewhere as otherwise rest of 9 B.T. Schools, under private management, as well as those which spring up hereafter, will claim the same concession. Moreover, ~~the Govt. cannot go on increasing their new commitments of a recurring nature, when they state and the Government are economising expenditure in all possible directions.~~ (On account of the present financial stringency) In the circumstances, Finance may strongly advise that the proposal be negatived.

The D.P.I. has recommended full teaching grant to the Basic Training School, Gandhigram for the reason that the institution, like the basic training schools which

4
already in receipt of full teaching grant,
is a pioneer institution and deserves
special encouragement. Attention is
solicited to Edn. Secy's note imp. 4
N.F. & orders in circulation on the same
page of G.O. 2026 Edn. & 13.7.50 in
which the concession of full teaching
grant was ^{last} extended to the Andhra
Basic Training School for Women,
Tiruvani. Fin. may agree to the
institution in the present ^{case} also being
admitted to the concession of full
grant in lieu of the existing 2/3rd
grant. The extra cost involved is
estimated at Rs 1200 p.a., which
may increase in due course as the
school expands. As was done in
the case of the Andhra Basic Trg.
School for Women, the full grant
for the Basic Trg. School, Gunturigram
may in the first instance be
restricted to two years only,
1949-50 and 1950-1. H.M. (Fin)
~~should~~ see.
