Subject:-

Grant - Building- P.S. High School- Mylapore- Construction of additional class rooms and rooms for holding Manual Training Class- Increase in the estimated cost.

Sir,

Ref:- G.O. Ms. No. 1376 Edn. dated 28-4-1950.

In my letter R.C. 722 D2/46 dated 18-10-1946 disposed of in the G.O. quoted above, Government were requested to sanction the inclusion in the list of approved works of the scheme for the construction of 4 class rooms and a tiled shed for conducting Manual Training Classes. The description of the scheme is correctly given in Government Memo No. 65617/46-B1-2 Edn. dated 5-3-1947, but in Government Order Ms. No. 3710 Edn. dated 2-12-1949, the scheme is described as "construction of additional class rooms". No separate mention is made of the shed for providing Manual Training Class rooms. To avoid any audit objection, I request that the description of the scheme in the Government Order quoted above may be amplified so as to include "a shed for providing Manual Training class rooms".

2. The Joint Consulting Architect to Government has approved the plans and estimates for the scheme for Rs.63,700/- As the management are anxious to start the work immediately, I am permitting them to do so in anticipation of the approval of Government of the proposal in para 1 above.

Yours faithfully,

Note: Sanction was accorded to the inclusion in the list of approved works of the scheme for the construction of additional class rooms for the P.G. High School, Mylapore and a provision of Rs 6000/- has been made in the current year's budget towards payment of a portion of the grant of Rs 22,000 due to the school. The B.P.G. has now pointed out that the scheme includes the construction of a shed for providing class rooms for Manual Training.
