In June, 1949 the D.P.I. brought to the notice of the Govt. a case wherein an aided elementary school in Madras^{is} being managed by a servant of the Central Govt who was a shipping master at Visakhapatnam and was an absentee manager of the school. The Director requested the orders of Govt. whether a servant of the Govt Central Govt can be allowed to be a manager of an aided elementary school in this State.

N/P2CF

It was also reported that no inconvenience was caused to the teachers of the school due to the absence of the manager at Visakhapatnam and that he was since transferred to Madras. As there is no specific provision in the rules for elementary schools requiring the presence of the manager of a school at or near the place where the school is located, the D.P.I. has submitted necessary draft amendments to the rules. He
