REF: G.O.No.Ms.387 L.A., dated 28.2.1949.

I submit that in G.O.No.Ms.387 L.A., dated 28.2.1949 the Government have ordered the Walajapet Municipal Council to levy, on lands not used exclusively for agricultural purposes and not occupied by or adjacent and appurtenant to buildings, the property tax with effect from 1.4.1949 on the basis of capital value at the rates noted below instead of on the basis of extent. They have fixed rate for general purposes, water and drainage tax, scavenging tax and lighting tax. But they have not fixed the rate of education tax.

Till 1948-49 education tax was levied on the vacant sites stated above at 23.17/21% of the property tax levied and it continued till 1948-49/2. From 1949-50/I no education tax is levied on the vacant sites since no rate of taxation was received from the Government.

P.T.O

So I request that orders may kindly be passed fixing the rate of education tax to be levied on vacant sites with effect from 1.4.1949.

Existing rate of taxation.
