Ref:- Government Order Ms.No.2716 Education dated 29-9-1950.

With reference to the G.O. cited above, I may inform that the Government Order prescribing the submission of quarterly progress reports has been communicated to the subordinate officers. The progress report for the quarter ending December 50 will be submitted by me to Government in January 1951.

I presume that in the light of the above orders the quarterly progress reports already prescribed by Government in G.O.No.3876 Education dated 19-12-1949 need not be submitted to Government separately to avoid duplication.

Adult education - Progress Reports

Ⓜ In Go No: 3876 Edn, d/ 19. 12. 49, the D.P.I was requested to forward to Govt quarterly reports of the progress made with the scheme of social (adult) education. It does not appear that any report has been recd: so far. Ⓚ Recently in Go No: 2716 Edn d/ 29. 9.50 the D.P.I was informed that he should forward to Govt a comprehensive report about the progress of the scheme. The various aspects of the scheme on which the report should contain information were also indicated to the Director.

The Director enquires whether in view of the recent order the report prescribed in the 1949 order should be sent. The 1949 order seems to have been lost sight of when the recent order was issued. In any case only one quarterly report seems sufficient. That report may be in the form prescribed in the recent order. The Director may be informed accordingly.

osdr

The Director may also be informed that the report for the quarter ending Sep 1950 should be sent before the 25th Nov 1950. The next quarterly report may be sent before the 15th Jany 1951.

In G.O. Ms. 2716 Edn. dated 29-9-1950 Government requested me to obtain and forward a comprehensive report during the quarter on the progress made on the spread of Adult Education in the State. In communicating this G.O. to subordinate officers they were requested to submit the first report for the quarter-ending 31-12-50 by the 15th January 1951. On receipt of Memo No. 34203-C/50-1 Edn. dated 10-11-1950 the subordinate officers have been requested in a circular dated 13-11-1950 to submit a progress report for the quarter ending 30-9-1950 very urgently. None of the Inspecting Officers have been able to submit the return till this date.

2 However, I submit herewith a brief report from the information available in my office.

3 Consequent on the sanction of the new scheme of expansion, Inspecting Officers have been instructed to permit the opening of a larger number of Adult Literacy Schools in the State. The lates distribution of the schools raising the total allotment of schools to 3010 is furnished in Annexure B to this letter.

p 10 infra

4 The Inspecting Officers have been instructed to take specia and urgent steps to arrange to open the schools according to the quota allotted.

1947 – please see p 9 infra

5 As regards the number of literates turned out, it will be seen that as many as 7206 have been turned literate. Yet this figure is obviously under-pitched as figures for some districts have not yet been received.

or over pitched?

6 Out of 1528 teachers trained in Adult Literacy methods 482 teachers are employed in Adult Literacy Schools. Teachers were trained in a few of the districts alone while the available smal allotment of schools had to be distributed equally in small numb to each of the districts. Thus there was for long no provision permit all trained teachers open schools in every district. The remaining number of teachers trained but not employed is being reduced steadily now that the total number of schools to be permitted has been increased to 3010.

With regard to the opening of Training Centres most of the names suggested by the Divisional Inspectors are not quite suit

In view of the fact that the scheme of expansion was sanctioned by Government only in the last month of the quarter as per G.O. No.252/Edn. dated 8-9-50. no progress could be made during the quarter.

In the State scheme of Social (Adult) Education were to be worked on to success the Adult Education Officer must tour out adequately. It is found difficult for him to tour on account of the fact that he is placed in grade VIII which entails him to a daily allowance of Rs.2-7-0 only which was found unworkable in practice for provincial touring for which daily allowance of Rs.5-4-0 is a bare necessity. I am addressing Government separately in the matter.

As for I 3(d) regarding steps taken to prevent adults from relapsing into illiteracy kind attention is invited to my letter C.No. 470/SE.1/50 dated 12-7-1950 requesting Government that the Health, Agriculture and Engineering Departments of Government may be moved to provide follow up reading material on current topics for the newly made literates in a suitable form. Government were also pleased in their memo No. 20279 C/50-2 Edn. dated 18-9-1950 to invite the attention of the heads of concerned departments to the subject. An early compliance would go a great way in effectively preventing relapses to illiteracy.

The scheme of Social Adult Education through University students approved in G.O. 2521 Edn. dated 8-9-50 has met with alround approbation from principals of Arts and Professional Colleges throughout the State. It would be implemented in all Colleges ere-long.
