The reference from the S.G.P. in the C.F. may be perused.

In G.O. 141 Education Dated 1-2-44, the following posts were sanctioned for one year or till the cessation of hostilities whichever was earlier, in the Government Press.

Designation	Strength	Pay
(1) Rubber Stamp Stereo and Electric Mount Makers.	2	Rs 28/- each.
(2) -do-	2	Rs 19/- each.

The present proposal is to retain the first two posts referred to above on a permanent basis with effect from 1-8-50, in view of the fact that they have been in existence for more than 5 years.

All the 4 posts, referred to above were continued till 31-1-1946. It is found from the G.Os put up below that only the two posts referred to in item (1) above were continued from time to time, and the last sanction expired on 31-7-1950. There is no information in the file as to what became of the other two posts continued last in G.O. 163 Edn. D/1-2-45. Education may be requested to elucidate.

Further, the principle governing the permanent retention of posts is that they should be required for the normal increase of work in a Department or office besides satisfying the 5-years period.

In the present case, it does not appear whether the two posts proposed to be retained on a permanent basis are required for the normal work of the office for the reason that they were originally sanctioned only for the cessation of hostilities. Perhaps, the manufacture of mounts may continue to be done in the Government Press but it is better to know exactly whether this is so and that the two posts are required permanently.

Education may kindly clarify the position in consultation with the S.G.P. *frances*

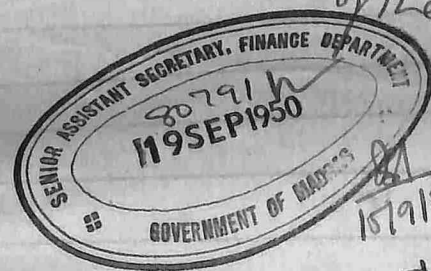

With reference to K on p. 2 ante, it is observed that two posts of Rubber Stamp Mount Makers on Rs 28 p.m. each and two on Rs 19 p.m. each were sanctioned on 1.2.44 to attend to (1) the work involved in the manufacture of mounts to hold the line slugs in tact and (2) the increase in the demand for the supply of rubber stamps from offices newly created as a result of war conditions. Consequent on the cessation of hostilities two posts on Rs 19/- p.m. were kept in abeyance from 1.11.45 and the remaining two posts are being continued from time to time.

As regards the necessity for retaining the two posts of Mount Makers on a permanent basis the S.G.P. may be requested to clarify the position further.

The S.G.P. states that the manufacture of Rubber Stamps, Stencils and Electro-mounts has become a permanent feature, and also one of the items of the normal work of the Govt. Press. Finance may see again with reference to this note on p. 2 ante
