I am due to retire on the 15th Novr. 1950. I have not taken any leave so far and I believe that I have 2 1/2 months leave to my credit. I beg to request that I may be given this leave from 1-9-50 preparatory to retirement.

2. The Professor of Chemistry is in charge of final Honours classes. The Honours students are appearing for the final examination of the University. If leave is granted to him, there will be a serious dislocation in the work. I am of the opinion that the Professor's services are indispensable in the interests of the department. I, therefore, recommend that his leave should be refused.

Sri M.V.Sitaraman, Prof. of Chemistry, Presy. College - Leave prep. to retirement.

Sri M.V.Sitaraman, Professor of Chemistry in the Presy. College, is due to retire from service on 15-11-50. He has applied for leave preparatory to retirement from 1-9-50. The D.P.I. has not sanctioned the leave and has recommended to Govt. that it may be refused in the ^{public} interest. If the Dir.'s proposal is accepted, the officer can avail himself of the leave from the date of his retirement.

The reason given by the Dir. for his recommendation ^{in effect,} is this: It is in the middle of the college year that the Professor's date of retirement falls. If he is permitted to retire on that date, there will be dislocation in the work of the college. (the Dir.) He is therefore proposing separately his re-employment until the close of the college year. He may also be prevented from going on leave now - and, by a refusal of the leave, be enabled to take it after the period of his re-employment expires.

The ^{Dir.'s} reason is convincing and this dept. may therefore recommend that his proposal be accepted.

^{for orders,} But the file may be circd. to H.M.(E.&L.) and H.C.M. along with the file of Sri A.Ramanatha Pillai, Prl., Govt. Arts College, Coimbatore, in which H.M.(E.&L.) ^{has} expressed himself against that officer standing to benefit in two ways - (1) re-employment, and (2) leave after re-employment.
