Dated 7-8-1950.

Sir,

Sub:-Uniforms-Supply to coolies employed in DDT spraying work in the various Antimalarial schemes-Provision of Khadi cloth by Superintendent of Stationery-Proposals.

In G.O. Ms. No. 406 P.H., dated 2-2-1950 sanction was accorded to the supply, annually, of Khadi uniforms (two pairs of shorts and two shirts) to all coolies, whether temporary or permanent, employed for DDT spraying in the various Antimalarial schemes in the Province.

The Superintendent of Stationery, Madras was therefore addressed for arranging the supply of the required uniforms and he has agreed to arrange only for the supply of the required ~~cloth~~ khadi cloth, suggesting that necessary arrangements for stitching the uniforms may be made departmentally.

I request that Government may be pleased to permit the Superintendent of Stationery to supply the required cloth to the Health Officers in charge of Antimalarial schemes, Regional Malarialogists, Commissioners of Municipalities and Executive Authorities of Panchayat Boards who may arrange for the stitching and supply of the shirts and shorts to the coolies doing DDT spraying work.

Yours faithfully,

J. Thomas

KHADI - Supply for uniforms to D.D.T. Spraying Cookies
regarding - Ref:- G.O. Ms. No. 2728 Edn., dated 30-9-1950

As per G.O. cited above, the cost of Khadi supplied should
be recovered in advance in the case of Municipal Councils and Panchayat
Boards. But the Director of Public Health, Madras, stated in his letter
dated 25-11-1950 that bills need not be sent to Health Officer, Anti-
Malarial Scheme, Kadiri, to whom Khadi was supplied, since it is a Pro-
vincial scheme. He further stated in his letter dated 27-2-1951 that
2/3rds cost has to be recovered from the Anantapur District Board later
and hence the payment of cost in advance does not arise.

I request clarification in this matter whether (1) the
supply is free or on cost (2) if, on cost, whether it has to be recovered
in advance or after supply by adjustment through Accountant-General.
