The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education Department, Madras.

Sir,

1. Lt. Col. M.A. Hamid, Divisional Inspector of schools, (on leave) has applied for an advance of Rs.11,000/- (Rupees eleven thousand only) to defray expenses in connection with the prolonged illness of his wife, his son's Dismilla ceremony along with circumcision ceremony and the anniversary of his fathers' death.

2. The advance exceeds the three months pay of the subscriber and also half the amount at his credit in the G.P.F. A copy of the letters from the subscriber together with the particulars in C. F. 473 are enclosed. A copy of the remarks of the Accountant-General, Madras No. Fds. IIA. 593 dated 13.9.50 is also enclosed.

3. As the object of the advance is covered by Rule 14(1)(a) (i) and (ii) of the G.P.F. (Madras) Rules, I recommend that the Government may be pleased to sanction the payment of the advance applied for, as a special case.

4. Regarding the recovery of the advance I may state that the subscriber who is on leave is not expected to refund the instalments towards the advance, during the period of his leave -- Vide 15(2) of the G.P.F. (Madras) Rules. The advance has therefore to be recovered only after he rejoins duty. As the subscriber is due to retire in November 1951, and as he requests that the advance may be debited in whole to his account straightaway, I request that the Government may be pleased to consider his request favourably.

5. In this connection, I may state that the previous advance sanctioned to the subscriber in G.O. No. 1307 Education dated 12.2.1947 was also not recovered and the Government in their Memo. No. 13109 A-7 Education dated 9.7.1949 ordered the postponement of the recovery of the advance. The amount of advance is reported to have been debited to his account already.

From the Lt.Col.Hamid, dated 26-9-50.

G.P.F. - Lt.Col. M.A. Hamid, Dvl.Inspr.
of Schools (on leave) - Request for an advance.

In August 1947, an advance of Rs.4,000 was sanctioned to Lt.Col. M.A. Hamid, Dvl.Inspr. of Schools, from his G.P.F. account. He was then on leave. Under the rules, recovery of an advance shd. not be made while the officer is on leave. When Col.Hamid returned to duty in 1949, he represented that he had to repay his motor-car advance, and a special passage advance taken by him in the U.K., and to pay income-tax and postal life insurance premia, and that it would be difficult for him to repay the G.P.F. advance also. He requested that the recovery of the advance might be postponed. As he was due to retire in Novr.1951, the Govt., in relaxation of the rules, complied with the request; the advance was debited to his account; in other words, the recovery was waived.

2. Col. Hamid officiated for some time as Joint D.P.I. He has gone on leave again. The amount standing to his credit is a little over Rs.18,000. To meet the expenses connected with the prolonged illness of his wife, his son's Bismilla and circumcision ceremonies and the anniversary of his father's death, he has now applied for an advance of Rs.11,000. The D.P.I. recommends the application.

The A.G. considers that the object of the advance has been stated in very general terms. No objection need, it seems, be taken ^{on his score} as the rules permit the sanction of an advance for the reasons given by the officer.

But the point that requires consideration seems to be whether such a big sum as Rs.11,000 will be necy. for the purposes mentioned and whether its sanction will be justified when the amount at credit itself is only Rs.18, For orders whether the advance will be sanctioned.

3. About the recovery of the advance, what is stated in the officer's application sent thro' the D.P.I. is that, the subscriber being due to retire in Novr.1951,

suggested a loan of Rs.6,000, as against Rs.11,000 asked for by Col. Hamid. In either case, complete recovery of the amount will not be possible before retirement. It is also seen that even if a sum of Rs.3,000 is to be sanctioned, the amount will have to be recovered in 10 instalments - from Feby.1951 to Nov. 1951 - in case he returns to duty on 17-12-50. He is to get Rs.1,000 per month as pay and the recovery on account of this loan alone will work out to about Rs.300 per month. There are other recoveries as well, and the officer will ~~be able to~~ get only a small amount for these 10 months out of his salary.

2. In view of what has been stated above, I do not think there is any justification to cut down the amount by probing into the financial needs of this officer on the verge of retirement, especially when all that he asks for is an advance from his provident fund accumulations.

3. ~~Considering all the~~ A decision may be taken ^{with reference to} on his request either (a) refusing him any amount by way of loan; or (b) ~~by~~ giving him the amount that he has asked for, without contemplating any recovery, should he return to duty on 17-12-1950.
