The South India Teachers' Union, Madras, has proposed to hold a "Seminar" on Social Studies for three days from 30th September to 2nd October 1950. The Union proposes to restrict the number of members participating in the deliberations of the Seminar to 75 with a view to making it more effective and compact. The Union has proposed to charge a membership fee of Rs 12/- including boarding charges. The Secretary of the South India Teachers' Union has requested the D.P.S. to commend the Seminar to the managements of all secondary schools and that the expenditure incurred by the delegates on trainfare, membership fees etc. may be treated as an approved item for purposes of assessment of teaching grant to the institution concerned.

2. The D.P.S., while forwarding the Union's letter, has requested that he may be permitted to commend the Seminar to managements of aided and local body Secondary Schools. He has also recommended that the expenditure incurred by the members may be taken into account for purposes of assessment of grants to the schools concerned. The Director has not however indicated the extra cost to Govt. if his proposals are approved. The grant towards this expenditure will have to be disbursed only along with the teaching grant payable to the institutions concerned for 1950-51, and it will become payable only in 1951-52.

There is no time to ascertain it from the D.P.S.

As the number of delegates is proposed to be restricted to 75, the membership fees will amount to Rs 900/- and travelling expenses may come to about Rs 3,750 at an average of Rs 50 per member. Even if all the delegates are from Secondary Schools under private managements, the cost to Govt. on the two-third net cost basis will be less than Rs 3,750. The actual extra cost will be less than Rs 3,750.

It has been stated by the D.P.G. that the seminar ~~will~~ would be held for three days from 30.9.50 to 2.10.50. It was observed from the newspapers that the seminar was in session on those days. In view of this it will be sufficient if the D.P.G. is informed that the expenditure incurred on attending the seminar is

Finance (Exp.A.)

Please see the Education Department's note on pp.1-2 above. Although the D.P.I. has not furnished an estimate of the expenditure involved in the proposal, Education have estimated that it will not exceed Rs 3,100. It is presumed that it will be non-recurring. On the analogy of the case referred to in para 3 above, this Dept. may agree to the proposal, subject to the admissible expenditure in respect of each member ^{being} ~~is~~ restricted to the membership fee of Rs 12 and actual travelling expenses.

be approved for purposes of assessment of teaching grants to the institutions concerned and that the amount may be paid to the institutions concerned along with the teaching payable in 1951-52. As the seminar has already been held, the question of the Director commending it to the schools does not arise. The D.P.G. may be asked to instruct the South India Teachers' Union to apply for such permission in future well in advance if government aid is sought.
