NOTE: In the past, the Curator was permitted to take a peon with him whenever he attended the sessions of the I.H.R.C. However, last year, Fin. Deptt. suggested for the consideration of this Deptt. whether the Curator cannot dispense with the services of a peon from here and procure one in the local market for the duration of his stay at the place of the Sessions. Attention, is in this connection invited to the notes on pp 25-26 (S) As the financial position of the State has not yet improved, the Curator may perhaps be asked to manage without taking a peon for this year also. For orders the draft will be suitably added to later Finance may see.
