Orders solicited.

Ref: G.O.Ms.No.2753 Education dated 3-11-1948.

The Magazine "New Education" published by this department
is being printed at the Government Press, Madras, as ordered in
paragraph 3 of the G.O. cited and the expenditure incurred is
being met by the sale of the copies.

2) Owing to the delay caused in printing the above magazine
at the Government Press, the Superintendent, Government Press
was consulted as to whether it could be got printed at ~~xx~~ a
private press and if so to suggest the procedure therefor. In
his reply No.77566/Computing dated 20-7-1950 he has written to
say that he has no objections to getting the magazine printed
at a private press and that tenders might be called for for
the purpose from reputed firms.

3) In the circumstances, I may be permitted to invite
tenders from the following presses which were suggested by
the Superintendent, Government Press, Madras and which were
approved by the Government in their Order No.1785 Education
dated 30-5-1949 in connection with the printing of the
Guide Book on Various subjects under the Scheme of Reorganisa-
tion of Secondary Education 1948' published by the Department.

In the circumstances, stated by

 Also the price of the magazine should be revised

Read: G.O. No. 2753 Edn. dated 3.11.48
 From the D.P.G. No. 306 - 3/47 dated
 31.7.50.

While sanctioning the publication of the
 magazine "New Education" by the Department
 in G.O. No. 2753 Edn. dated 3.11.48, it was
 laid down, that it should be got printed
 in the Govt. Press, Madras.

2. The D.P.G. has now reported that
 much delay is being caused in getting
 the magazine, printed at the Govt. Press,
 Madras. He therefore suggests that the
 magazine may be got printed in a private
 press and that tenders may be called
 for the purpose from the reputed firms,
 mentioned at M on p.l.c.t. If the suggestion
 of the D.P.G. is to be accepted, ^{the} expenditure
 on cost of printing ^{in a private press may be high} will have to be ~~increased~~
^{extra} expenditure should be taken into account,
 while fixing the price of a copy of the
 magazine. Also ~~the~~ ^{the} magazine should be
 stocked in the Govt. Press ^{for sale to the public} before being sold.

3. Subject to the above conditions, the
 proposal of the D.P.G. may be accepted.
 A draft order is submitted below for
 approval. Finance may see for remarks,

C

Fin (Exp. B).

The Govt. do not generally entrust their printing work to private presses, as it is the function of the Govt. Press to attend to all printing work required by Govt. departments and as printing at private presses will be more expensive than printing at the Govt. Press.

2. Even in cases where the S.G.P. has himself stated that he could not take up certain items of printing work, this Dept. has objected to the entrustment of the work to private presses. The only reason given by the D.P.I. for now getting the magazine "New Education" printed at a private press instead of the Govt. Press is that there has been delay. The Edn. Dept. have issued general orders insisting that the Govt. Press should ~~not~~ attend to the printing work of Govt. depts. promptly and ~~definitely~~ authorities have also been asked to bring to the notice of Govt. any delays caused.

cf. extract at 1

para 2 up to

videy out (P)

3. As are no grounds of urgency advanced in this case & as the acceptance of the proposal in this case would create a precedent, Fin. may advise that the present practice of getting the magazine in question printed at the Govt. Press be continued.

(There have been far too many instances of Govt. printing work being entrusted to private presses & it is desirable to put on a check so that the Govt. may derive adequate work from the Govt. Press staff).

para 2, p. 10

The proposal in this file is, to entrust the work of printing the magazine "New Education" with a private press, instead of ~~with~~ the Govt. Press, Madras, as has been done at present. The main reason adduced by the Director for entrusting the work with a private press is ~~that~~ ^{to avoid the} considerable delay in being noticed in getting the magazine printed at the Govt. Press, Madras. This Dept. agreed to the proposal of getting the magazine printed at a private press. But Finance Dept. advise against the proposal for the reasons specified in their notice on p. 2 ante. In the circumstances it is for a decision whether the suggestion of Finance may be accepted.

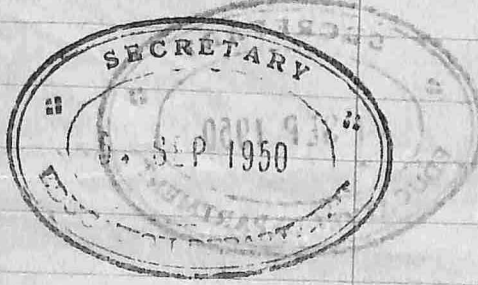

The file may be circulated to HM (Lg), and H.R. (Fin) for orders.

3/8/50

It seems that the suggestion of the Fin. Dept. may be accepted and the S.G.P. may be asked to be more prompt in printing the publication. H. L. (Lg) may see.

31/8/50

I am afraid the Govt. Press is working at full pressure and we cannot with an easy conscience ask the S.G.P. to be more prompt. As Fin. have advised against the magazine being printed in a private press it may continue to be printed at the Govt. Press but the delay will be in a notable degree.

Letter given to private press for year 1950. Tardens may be called.
