To

The Chief Secretary to
The Government of Madras,
Fort St. George, Madras.

Through

The President,
District Board, Kurnool.

Appeal petition on behalf of the unqualified Elementary School Teachers of the Defunct Banganapalle State.

Honoured Sir,

Sub:- Unqualified Elementary School Teachers of the Defunct Banganapalle State absorption of - on favourable terms - Requested.

Ref:- G.O.Ms.No.958 Public (Political) dated 26-3-1949, G.O.Ms.No.3490 dated 14-10-1949 of the Government of Madras and R.C.No.C.6-3747/48 dated 6-7-1949 of the Special Officer, District Board, Kurnool.

We the humble unqualified elementary School teachers of the Ex-Banganapalle State beg to submit as follows for your Honour's kind consideration and favourable orders thereon.

2. As per the orders of the Special Officer, District Board, Kurnool, referred to above we have been either allowed Banganapalle salaries and continued in service or served with notices of discharge according as we are permanent or temporary in the State service.

3. The Government orders quoted above offer wide concessions not only to qualified hands but also to unqualified temporary hands. As at present it is evidently seen that except ourselves all other departments are reaping the benefits consequent to the merger of the Banganapalle State. In the Police Department all temporary employees namely persons ~~employees~~ who were recruited under the local Police and who were trained at Banganapalle and not in any Recruits' School are being absorbed on a par with those regularly trained. We are told that they are allowed the usual Indian Union salaries. Clerks serving in the various departments of the State, most of whom are only failed S. S. L. Cs like many of us are allowed the minimum in the clerk's scale, Viz., R.45/-. It is very unfortunate that we poor teachers who are serving in the Nation-building Department should be excluded from the privilege enjoyed by others equally or even less qualified, serving in other Departments.

4. It is laid down in the Government orders quoted above that State employees would be absorbed on terms not less favourable than those obtaining in the State. In this connection we beg to submit that as per the practice in the State all unqualified teachers have been allowed the minimum of the scale sanctioned for trained hands. For example when the Banganapalle Educational Department was

re-organised in 1941 the scale of Rs.15-1-25/- was sanctioned for Higher Elementary Grade teachers and unqualified teachers possessing the minimum General Educational qualifications were allowed the minimum. Again considering the revision of scales in the neighbouring District Board Schools the State Government effected a corresponding revision namely, Rs. 20 - 1 - 30/- and the unqualified ~~teacher~~ teachers were allowed the minimum of Rs.20/- which is continued even to this date. Consequent to the merger of the State the scale of Rs.30 -1- 45/- is brought into force. This is in fact, a revision of scale which, as per the practice and terms of service in the State entitles us for the minimum of Rs.30/-.

5. We further beg to submit that when the Lower Elementary Grade cadre was abolished in the Indian Union some years back various concessions were accorded ranging from exemption from qualifying for the Higher Elementary Grade to affording chances to appear privately for the above examination without any deteriment to the services of teachers.

6. We, therefore, pray that in view of the above circumstances our case may kindly be considered sympathetically and concessions be accorded as follows:-

(i) All teachers permanent as well as temporary may be allowed the minimum of Rs.30/- in the scale of Rs.30 - 1 - 45/- from 1-1-1949.

(ii) Teachers who have put in considerable long service be exempted from qualifying as trained teachers, as it is humanly impossible to pass any examination at this stage and further that the scale of Rs.30 - 1 - 45/- be sanctioned.

(iii) Temporary teachers who have put in short services be continued on the pay of Rs.30/- and permitted to appear privately for the Higher Elementary Grade Examination.

7. We finally pray that none of us may be thrown out of employment as in the case of other departments and the above concessions be granted. For this act

---

of generosity we shall, as in duty bound, pray for Your Honour's Long Life and Prosperity.

We beg to remain,

Rc. C.6. 8747/48 dated 6--7--1949.

Sir,

SUB:- Elementary Education - Banaganapalli State merged with Madras Province - Schools transferred to Kurnool District Board - Absorption of staff - instructions requested.

****

(B) p4506

I have the honour to report that in Memorandum No. 14819-B2/48, Education, dated 27--7--48 the Government ordered that this District Board should take over the management of the Elementary Schools maintained by the defunct Banaganapalli State with effect from the date of merger of the State with the Madras Province. The District Board took over the management of these schools actually only on 3--9--1948 after-noon. As it was not pointed out in the Government Order regarding the refixation of salaries of the staff of these Elementary schools in the existing scales of pay of staff in corresponding grades of posts under the District Board, they were not given the District Board Scales of pay till recently. As the Government in G.O. No. Ms. 855, Public (Services) dated 29--3--49, have issued general instructions for the absorbtion and giving scales of pay to the Ex-State employees in respect of those who are to be absorbed in Government service, and have ordered in it that it should come into effect only with effect from 1--1--1949; To be on a par with ex-State employees absorbed in Government service staff of the Elementary Schools of the state taken over by the District Board, have also been merged and given the District Board scales of pay with effect from 1--1--49 following the principle laid down for absorbtion in Government service. I request that the Government may be pleased to approve this action, and issue instructions whether the District Board scales of pay have to be allowed to them with retrospective effect even from a further back date viz., from 4--9--48, the date of the District Board taking over the schools actually or the date of merger of the State with the Madras Province from which date the management has been ordered to be transferred to the District Board by the Government.

2/- In this connection instruction on the following points may also be issued.

(i) Whether the members of the Permanent staff so ~~abolished~~ absorbed should be on probation for two years and then confirmed by the District Board again, and whether physical fitness medical Certificates for entertainment in service have to be obtained, as they do not appear to have undergone such probation or produced fitness Certificates while in State Service.

(ii) Whether employees who are reported to be under the pensionable scheme of the defunct state have to be continued under the pensionable scheme of the Madras Government, and whether the District Board should pay pensionary contributions on behalf of them to the Government.

(iii) Whether the leave account of the employees have to be worked out as per Fundamental Rules and Madras Leave Rules for the period of service put in under the state also and the balance of leave at credit thus arrived at should be taken over as the opening balance at the commencement of service under the District Board while in the State serviceleave accounts

P.T.O.

16

have not been opened nor do the teachers appear to have been granted leave according to any definite rules framed on this behalf. Instructions may also be issued as to how to regularise the excess leave periods availed on preparing leave accounts now.

(iv) Whether permanent untrained or trained but failed teachers who do not possess the minimum educational qualifications now required to undergo the teachers' training (Viz., who have not passed VIII standard or III Form required for Elementary Grade training) can be considered as those falling under para 2 (iii) of G.O. Ms. 855 dated 29--3--49 (Viz., those who have no qualifications) and whether they may be retired giving three months' notice.

(v) Whether permanent untrained or trained but failed permanent teachers who possess the minimum educational qualifications required to undergo the teachers' training can be considered as those falling under para 2(iv) of G.O. Ms. 855, dated 29--3--49 (i.e., persons that do not possess the requisite departmental qualifications) and whether such of them may be given two years time from 1--1--49 to undergo and pass the teachers training Course. In such a case whether enhanced rates of Dearness Allowance admissible to Local Board servants can be allowed to them in lieu of lower rates of Dearness Allowance and interim relief as under Ex-State Service.

(vi) Whether persons retired from service referred to in sub-para (iv) above and for any other reason, have to be paid compensation as la-id down in para 10 of G.O. Ms. 855, dated 29--3--49, and if so who should bear the Cost, whether the District Board or the Government.

3/- The Government were pleased to inform in their Memorandum dated 27--7--48 cited above, that the question of permitting the District Board to levy an Education Tax in Banaganapalli would be considered after the jurisdiction of the District Board is extended to the area. As the jurisdiction of the District Board has since been so extended, this question may now be considered and the tax ordered to be collected and paid with retrospective effect from the date from which the management of the schools has been ordered to be transferred to the District Board."

2. As regards the date from which the Local Board scales of pay have to be given effect to, it is submitted that the District Board may be asked to give effect to the scales from 4-9-1948 as per Government Memo No. 14819 B2/48 dated 27-7-48 in as much as the District Board took over the management of the Elementary Schools actually on 3-9-1948 (A.N)

3. The following remarks are submitted seriatim in respect of the points raised in paragraph 2 of the President's letter quoted above.

(i) The permanent qualified staff may be allowed to continue without further formalities of producing physical fitness certificate etc.,

(ii) The pension scheme may be permitted to be followed in respect of the permanent staff who are qualified and the other teachers may be granted the benefit of Provident Fund scheme.

(iii) The teachers may be allowed leave as per Madras Leave Rules from 4-9-1948 in addition to the balance of leave that might be at their credit on the date of merger.

(iv) and (v) It is not fair to discharge the permanent teachers absorbed from the defunct state on any ground, but however the unqualified teachers may be asked to qualify themselves within a period of five years from the date of merger. These teachers need be given the requisite exemption under the rules relating to appointment as long as they remain in service. There is no obligation to retain the non-permanent unqualified teachers. In their cases also, however, it is but fair to give them 5 years time for qualifying themselves. They may also be informed that if they fail to qualify themselves within that period they will be removed from service.

4. The request of the President contained in the last paragraph of his letter cited viz to levy Education-Tax from the date on which the Elementary Schools were taken over under the management of the District Board, Kurnool, is recommended.

2/- The President, District Board, Kurnool may be requested to adhere to the instructions contained in para 2 (iii) of the G.O. 855 Public (Political) dated 26--3--49 and to allow the unqualified teachers their previous scales of pay in the defunct State.

3/- If these unqualified teachers qualify themseves within the period of two years referred to in the G.O. quoted above, they may be allowed the time scales of pay applicable to trained teachers.

(E)

4/- As regards Mir. Ibrahim Ali it is submitted that the question of granting special concessions in regard to the exemption from possessing prescribed professional qualification does not arise in view of the general instructions issued in G.O. 855 Public (Political) dated 26--3--49.

R. C.6. 8747/48 dated 11-3-50.

Copy of petition dated nil of unqualified teachers of Banaganapally talu Elementary Schools, addressed to the Chief Secretary, to the Government Madras, through the President, District Board, received from the Governm along with the petition dated 14--2--50 of Mir Ibrahim Ali with the Gover ment Endorsement No. ~~032, Education,~~ 032 C/50-1, Education, dated 2--3--

Resubmitted to the Secretary to the Government, Education Department, through the Director of Public Instruction, Madras,

2). The applicants are Banaganapally Ex-state untrained teachers of Elementary schools absorbed in District Board service and who have been allowed the District Board Establishment corresponding grades' scales of pay with effect from 1--1--1949. Since the applicants are not T.S.L.C., holders, they are ~~tax~~ treated as untrained teachers and as in the case of District Board other untrained teachers have been allowed the salaries prescribed for untrained and unqualified hands according to the general educational qualifications possessed by them, Viz., if they have passed Vth standard but not VIIIth standard or IIIrd Form they are treated as untrained lower grade teachers and are allowed pay at Rs. 15/- P.M., prescribed for untrained lower grade teachers, and if they have passed VIIIth standard or IIIrd Form they are treated as untrained Higher Grade teachers and allowed salary at Rs. 20/- P.M., the pay prescribed for untrained Higher Grade hands. Their present request to allow them Rs. 30/- P.M., the minimum of the trained Higher grade teacher's post is neither just nor is in accordance with the scales of pay of District Board establishment and so does not deserve consideration.

3/- The second request of the petitioners to exempt them from qualifying as trained teachers, as they have put in long service may be considered in view of their having put in ~~a~~ long service as teachers. It may be rather harsh to ask them to qualify themselves as trained teachers at this age when some of them are on the verge of retirement. As such if the Government pleases permanent exemption may be accorded to all permanent teachers who have had at least six years experience as teachers for holding the teachers' post without teachers' training.

4/- The above remarks, may also be considered as a reply called in Government endorsement No. 9528, B.2/50-1, Education, dated 10--2--50.

5/- As regards the petition dated 14--2--50 of Mir Ibrahim Ali, Urdu Munshi, Board Elementary School, Kondapeta, it is further pointed out that in State service prior to its merger with the Indian Union, persons serving in one department were being transferred to the other according to the exigiencies irrespective of the qualifications, and no general prescribed qualifications were insisted upon. The petitioner is such a person transferred from the post of a Clerk to that of a teacher. It will now be harsh to insist on such a person the possession of qualifications required of a teacher of the District Board, as failure to do so will mean his being dispensed with from service. As such, either such persons may be paid compensation for loss of career on their being dispensed with present services ~~of~~ or they may be permanently exempted from the requisite qualifications and allowed to continue in service in their present posts. Government may therefore consider the question of exempting this teacher as well as others of his kind, from the possession of qualifications required for ~~a~~ Board Elementary School, teacher.

M.A.S. 14/3
14/3.

PRESIDENT DISTRICT BOARD.
Kurnool.

re-organised in 1941 the scale of ₨.15-1-25/- was sanctioned for Higher Elementary Grade teachers and unqualified teachers possessing the minimum General Educational qualifications were allowed the minimum. Again considering the revision of scales in the neighbouring District Board Schools the State Government effected a corresponding revision namely, ₨. 20 - 1 - 30/- and the unqualified teachers were allowed the minimum of ₨.30/- which is continued even to this date. Consequent to the merger of the State the scale of ₨.30 -1- 45/- is brought into force. This is in fact, a revision of scale which, as per the practice and terms of service in the State entitles us for the minimum of ₨.30/-.

5. We further beg to submit that when the Lower Elementary Grade cadre was abolished in the Indian Union some years back various concessions were accorded ranging from exemption from qualifying for the Higher Elementary Grade to affording chances to appear privately for the above examination without any detriment to the service of teachers.

6. We, therefore, pray that in view of the above circumstances our case may kindly be considered sympathetically and concessions be accorded as follows:-

(i) All teachers permanent as well as temporary may be allowed the minimum of ₨.30/- in the scale of ₨.30 - 1 - 45/- from 1-1-1949.

(ii) Teachers who have put in considerable long service be exempted from qualifying as trained teachers, as it is humanly impossible to pass any examination at this stage and further that the scale of ₨.30 - 1 - 45/- be sanctioned.

(iii) Temporary teachers who have put in short services be continued on the pay of ₨.30/- and permitted to appear privately for the Higher Elementary Grade Examination.

7. We finally pray that none of us may be thrown out of employment as in the case of other departments and the above concessions be granted. For this act

I submit the following for your kind consideration and favourable orders.

032

2. Your Memorandum No. 06.8747/48 dated 3-2-50 has shocked me to the utmost. It is unfortunate that the assurances given by the Central Government and implemented by the Madras Provincial Government in their G-O.No.855 Public Political dated 26-3-49 as subsequently amended by G.O.No. M.S.3490 dated 14-10-1949 have not been considered in my case. I beg to invite your kind reference to paragraph V of the latter G.O.an extract of which is enclosed for ready reference. (4)

3/- In this connection I beg leave to submit that I entered State service as far back as 1926 as 4th clerk and typist in Dewan's office Dis.No. 338/26 dated 30-10-26. Since then I continued to work in the clerical cadre for sufficiently a long period of 12 years. Thereafter in 1944 I was appointed as Urdu munshi in the Elementary school, Kondapet in Dewan's Office Dis.No. 653/44 dated 27-6-44 and in the same post I continued till the merger of the State and thereafter. I am 45 years old now and I submit kindly to consider, Sir, the condition to which I would be reduced if I were to be discharged. I have well neigh passed the meridian of life and at this stage it is too difficult for me to find any other avocation to sustain me and my family.

4/- It will not be out of place to mention here that I passed III form and Lower type-writing test also. My long service in the State in Dewan's Office as clerk and the service of six years as teacher and above all my present age are the prime factors which I submit to invoke your sympathetic consideration in implementation of paragraph V of the G.O.M.S. 3490 dated 14-10-49. (E)

5/- The benigh government of Madras have been very considerate several rules and regulations were relaxed in the case of many stat employees and they have been absorbed and benefited immensely. In the Police Department many temporary constables who had put in only a nominal service of a few months have been taken in the Madras Police service. It will not be difficult to find several such instances in other departments. I humbly request to reconsider my case and absorb me in the Board service and thus save me and my family from the impending wretched condition of unemployment and consequent miseries attendant thereon.

I beg to remain,
Respected Sir,
Your most obedient servant,

M. Khalimali

V) It is also considered that though the assurances given by the Govt. of India about the absorption of State employees relate to permanent servants only, the cases of temporary servants also who have put in considerably long service may be considered sympathetically. The Govt. therefore direct that their cases also may be considered for absorption but that in the case of unqualified persons their pay shall be fixed with reference to the instructions in paragraph 2(iii) of G.O.No.855 Public (Political) dated 26-3-49.

Notes on pp.1-2 above may be perused. The draft Order below may be accepted subject to the following remarks.

In para.2 (iv) of the draft below, it has been stated that five years time may be allowed to unqualified teachers to qualify themselves. This appears to be too much and also different from the procedure adopted in other cases.

In para 2(iv) of G.O.855 Public(Poll) dated 26-3-49 and in para 2(i) of G.O.3490 Public(Poll) dated 14-10-49, it has been specified that only two years time will be allowed for the unqualified persons to qualify themselves, and in the latter orders, it is also stated that the two years time allowed for acquiring the requisite departmental qualifications will commence from the date of the State employees' actual appointment to the posts in which

There does not appear to be ~~any need~~ adequate justification for a departure from the general orders in the present case. Finance may therefore suggest that a period of two years time may be allowed for the unqualified persons to acquire ~~to~~ the necessary qualifications.

Education may kindly ~~[illegible]~~ amend the draft accordingly.

The Finance Department have suggested that it will be sufficient if a period of 2 years is allowed for unqualified persons to get themselves qualified instead of five years. The period of 5 years was suggested by the D.P.I. and this is to count from the date of the merger of the state with the ~~Dt. Bd., Normal~~ Province (i.e. 20-2-'48); in effect the period of 5 years will expire on 20-2-1953. According to the Fin. Dept. it will be sufficient that a period of 2 years is allowed from the date of employees' actual appointment under the Dt. Bd. Orders regarding the transfer of teachers to the Dt. Bd. service were issued in July 1948 and the staff were absorbed in Bd. service from 3.9.48. If the period of 2 years is to count from 3.9.48 it will expire on 3.9.50. There is no time for the teachers to get themselves qualified within the period specified by Finance. In the circumstances the period of 2 years should count from the date of the order to be issued (i.e it will expire in Sept. 1952) while according to the Director the period of 5 years will expire on 20.2.53. There is not much interval between the two dates of expiry. In the circumstances the period ~~may~~ of either be 5 years from the date of merger as recommended by the Director or 2 years from the date of the order to be issued. The proposal of the Director may be accepted.

With reference to the suggestion of this dept at x on the previous page Education have stated that the period ~~of~~ for acquiring the necessary qualifications should either be 5 years from the date of merger as proposed by the D.P.I or two years from the date of the order to be issued. For the reason that if the period of 2 years is to count from 3.9.48, the date of their absorption as suggested by Finance, the period will expire on

no time to acquire the qualifications. Though the five years period as proposed by the D.P.I expires on 20.2.53 it does not seem reasonable to allow a five year period unlike in other cases. This dept may perhaps agree to the suggestion of the latter that two years time may be allowed for the State employees to acquire the necessary qualifications from the date of order to be issued.

In view of the position stated in this office letter
No.P.C.I.6-707 dated 5/7-11-51 addressed to the President,

A reference is invited to orders of Government in memo No.13151-B/50-2 Education dated 20-6-50 in which it was stated that no pension contribution on behalf of the employees of State Secondary Schools in the Banganapalle State need be paid from 28-7-48 (the date of assumption of management of the schools by the District Board) as they are governed by provisions of Art.804 C.S.R. In the circumstances, it is not clear as to why pensionary contribution should be credited on behalf of Sri K.C.Rangappa with reference to G.O.2780 Edn.dated 6-10-50 as required in your letter under reply. I would therefore request that Government may kindly be addressed (through this office) for clarification of the instructions issued in G.O. Sir,

SUB:-- Establishment Banaganapalli Ex-state Elementary Schools - transferred to Kurnool District Board - continuance of pensiorary scheme to certain teachers - instructions requested.

REF:-- Para 2 (ii) of G.O.No.2780, Edn dated 6-10-1950.

In para 2 (ii) of the G.O. quoted above, it has been ordered that in respect of qualified permanent Elementary School teachers of Banaganapalli Ex-state transferred to this District Board service, the pension scheme may be permitted to be followed. There are two such teachers Viz,- K.C.Rangappa and Rasool Khan in the service of the District Board. The Accountant General, Madras was therefore addressed to intimate the monthly pensionary contributions payable by the District Board on their behalf to continue them under pensionary scheme. But the Accountant General, has informed in his letter No.P.C.1-6-767 dated 7-11-51 that in respect of similary employees of High Schools the Government have ordered in Memorandum No. 13151-B/50.2 Education, dated 20-6-50 that pensionary contributions need not be paid as they are governed by the provisions of Article 804 civil Service Regulations, and so it is not clear why pensionary contributions have to be paid for Elementary School teachers and that Government may be addressed for clarification of the orders in G.O.2780, Edn, Dated 6-10-50. I therefore request the Government to clarify whether the District Board need not pay pensionary contributions for the two Ex-State Elementary School teachers allowed to continue under the pension scheme.
