Office of the Director of

Sir,

Sub: Madras Educational Service - Women's Branch - Direct Recruitment - Estimate of vacancies 1950.

****

There is at present one permanent vacancy in the administrative section of the Madras Educational Service (Women's Branch) viz.,

(i) Superintendent, Government Hobart Secondary School for Muslim Girls, Royapettah from 19-4-48 A.N. Consequent on the resignation tendered by Mrs. S.N. Khan.

The following permanent vacancies will also arise during the year 1950:-

1 ~~(ii)~~ Superintendent, Government Secondary and Training School for women, Mangalore from 22-3-1950 consequent on the retirement of Miss. A. Ittyerah. D.R.

2 ~~(iii)~~ Superintendent, Government Secondary and Training School for women, Cannanore from 18-5-1950 consequent on the retirement of Mrs. M.L. Small. T

3 ~~(iv)~~ Inspectress of Girls' Schools, IV Circle, Calicut from 5--8--1950 consequent on the retirement of Mrs. G.Sankunni. T

4 ~~(v)~~ Superintendent, Government Secondary and Training School for women, Rajahmundry from 22-8-1950 consequent on the retirement of Miss. D. Frank. T

5 ~~(vi)~~ Superintendent, Government Secondary and Training School for women, Vellore from 20-10-1950 consequent on the retirement of Mrs. A. Suares. D.R.

T

Under rule 2(d) of the Special Rules for the Madras Educational Service, the first vacancy has to be filled by direct recruitment and the next three vacancies by transfer from the Subordinate Educational Service. Hence the first vacancy that arose on 19-4-48, consequent on the resignation tendered by Mrs. S.N. Khan has to be reserved for a direct recruit and filled by a muslim candidate with reference to Rule 3 of the Special Rules for the Madras Educational Service. The next three vacancies will be filled permanently by confirming the approved probationers in the Madras Educational Service. Therefore the fifth vacancy that will arise on 22-8-1950 consequent on the retirement of Miss. D. Frank also will have to be reserved to be filled by direct recruitment. I invite the attention of Government, in this connection, to para 2 of their confidential letter No.19146-A-7 dated 12--8--1947 addressed to the Secretary, Public Service Commission communicated to me in their Endorsement No.19146-A-9-Edn. dated 12--8--1947 and the post that will arise on 22-8-1950 consequent on the retirement of Miss. D. Frank may perhaps be filled by a scheduled caste candidate. The sixth vacancy that will arise on 20-10-1950 consequent on the retirement of Mrs. A. Suares has to be filled by transfer from the Subordinate Educational Service.

Collegiate section.

There are no retirements or permanent retentions of posts in 1950 in the Collegiate section. The question of framing ad hoc rules for the post of Lecturer in Nutrition is still under consideration with the Government vide G.O.Ms.No.2217 Education dated 9--7--1949. Hence this post need not be taken into account now. There are two temporary posts of Lecturers in Tamil in the Queen Mary's College, Madras. One temporary post has already been included in the estimate of vacancies by transfer during 49-50.-Vide Government letter No.12176-A-2 Education dated 7-4-49. But the question of framing ad hoc rules for the posting Lecturers in Tamil is still under consideration. Hence the second post - need not now be taken into account. (separate file) -do-

Professional section.

Mrs. H.C. Buck, Woman Specialist in Physical Education, resigned her post and consequently the post is vacant from 30-6-47. In their memorandum No.1849/47-A-24 Edn dated 28-1-1949, Government desired to take up the question of advertising the post of Woman Specialist in Physical Education after ten months, Hence the question may be taken up now and a candidate may be recruited with reference to the revised qualifications prescribed in G.O.Ms.No. 531 Education dated 26--2--1949. Ⓘ/38 Reserved Ⓘ 1.

In the circumstances stated above, the estimate of vacancies to be filled by direct recruitment in the Madras Educational Service (Women's Branch) during 1950 is as follows:-

1. Administrative Section - 2 (Two posts of Superintendents.)
2. Collegiate section. - NIL.
3. Professional section - 1 (Woman Specialist in Physical Education).

Sir,

SUB: MADRAS EDUCATIONAL SERVICE - Recruitment(Direct) - Estimate of the number of candidates to be selected 1950 - Men's Branch.

*****

REF: G.O.No.751 Public (Services) dated 24-3-1948.

With reference to paragraph 15 of the G.O. quoted above I submit the following estimate of the number of candidates to be selected by the Madras Public Service Commission for DIRECT RECRUITMENT to the Men's Branch of the Madras Educational Service during 1950.

2. The following substantive vacancies will arise during 1950 owing to the retirement of officers mentioned below:

S. No.	Name of officer.	Substantive appointment.	Date of Retirement.
		ADMINISTRATIVE SECTION.	
1.	Sri T.V.Apparsundara Mudaliar.	Dt.Educational Officer, Krishna.	29-1-1950.
2.	Sri V. Natarajan.	District Educational Officer, Anantapur.	15-8-1950.
3.	Sri A.V. Tyagarajan.	District Educational Officer, Mathurai.	15-11-1950.
		COLLEGIATE SECTION.	
4.	Sri K.Sankara Unni Nair,	Principal, Government College, Mangalore.	27-5-1950.
5.	Sri A. Ramanatha Pillai.	Additional Professor of Zoology, Presidency College.	18-8-1950.
6.	Sri G.A.Srinivasan. Re-employed until close of College for summer vacation of '50	Lecturer in Mathematics, Teachers College, Saidapet.	15-1-1950.
7.	Sri M.V.Sitaraman.	Lecturer in Chemistry, Govt.Victoria College,Palghat.	15-11-1950.
8.	Sri P. Krishnamachari.	Lecturer in Mathematics, Govt.College, Kumbakonam	20-5-1950.
		PROFESSIONAL SECTION.	
9.	Dr. J.J.Rudra.	Principal, College of Engineering, Guindy.	21-11-1950.
10.	Sri V.H. Sadarangani.	Professor of Civil Engineering, Guindy.	19-11-1950.

Besides the above, the following vacancies have also to be taken into account for the purpose of the present estimate ~~and~~ as the officers concerned were confirmed in the Madras Educ

Service after the submission of the 1949 estimate, they have since retired.

11. Professor of Indian History, Presidency College,

Vacancy caused by the retirement of Sri D. Venkatarao with effect from 30--4--1949. ✓

12. Professor of Pure Mathematics, Presidency College:

Vacancy caused by the retirement of Sri S. Mahadeva Iyer with effect from 28--2--1949. ✓

13. Lecturer in Mathematics, Engineering College, Guindy: 19.9.49

Vacancy caused by the retirement of Sri G. Ramachandra Iyer with effect from 1--7--1949. Date of expiry of the leave after retd.

3. With reference to G.O. No. Ms.1238 Education dated 13-6-1947 the vacancy No.4 in the post of Principal, Government College, Mangalore is not taken into account for the purpose of the present estimate. Though this college has become a frist grade one, all the ~~grade~~ posts of Lecturers are yet temporary and the vacancy is therefore deemed to ~~be~~ arise in the post of Principal of a second grade college. The vacancy No.9 in the post of Principal, College of - Engineering, Guindy need not also be taken into account.

P/4 Removed

as the vacancy has to be filled by promotion from among Profs., & in which branch of Engg. the Prof.'s post will fall vacant, cannot be said now.

4. The method of recruitment to the vacancies 1, 2,3,5,6,7,8,10,11,12 and 13 is discussed below:-

(i) Administrative Section [Vacancies 1, 2 and 3]

The three vacancies will occur in the administrative section of the Madras Educational Service and the method of recruitment thereto is shown below:

S.No.	Vacancy.	Date.	Method of recruitment.
1.	Cessation of lien of Sri N.Subba Rao on the post of District Educational Officer.	17-11-48.	Transfer.
2.	Retirement of Sri G. Krishnamurthi.	15-1-1949.	Direct Recruitment.
3.	" " Sri A. Padmanabha Reddi.	9-7-1949.	Transfer
4.	" " Sri D. Ramayya.	15-7-1949.	Direct recruitment. (Non-Government Secondary School Teachers).
	p.1 ante		
5.	no.1 " " Sri T.V. Apparsundara Mudaliar	29-1-50	Transfer.
6.	no.2 " " Sri V. Natarajan. ..	15-8-1950.	Direct recuitment. //
7.	no.3 " " Sri A.V. Tyagarajan. ..	15-11-50.	Transfer.

P.T.O.

It may be seen from the above that, according to rotation, the vacancy of Sri V.Natarajan has to be reserved to be filled by direct recruitment. I, therefore, request that this vacancy may be included in the present estimate and one candidate got recruited direct for appointment to the category of District Educational Officers.

(ii) Collegiate Section--Vacancies 5,6,7,8,11 and 12.

Vacancy No.5: Sri A.Ramanatha Pillai: This vacancy will arise in the Zoology Unit of the Madras Educational Service. The previous vacancy in this Unit, viz., that of Dr. S.G.Manavala Ramanujam, has been reserved to be filled by direct recruitment (but the actual recruitment has been deferred pending the re-organisation of the Presidency College and the recruitment of Chief Professors). Hence the vacancy of Sri A.Ramanatha Pillai which has to be filled by transfer need not be taken into account for the purpose of the present estimate.

Yes. ✓

S.G.A. Srinivasan — P. Krishnamachari — Mahadeva Ayyar

Vacancies 6,8 and 12: These three vacancies will arise in the Mathematics Unit of the Madras Educational Service. The previous vacancy in this Unit viz., that of Sri K.Ananda Rao was filled by transfer. The rotation governing the three vacancies under reference is as follows:-

12.	Retirement of Sri S.Mahadeva Ayyar.	28.2.49	Direct Recruitment.
6.	" " Sri G./A. Srinivasan.	15.1.50	Transfer.
8.	" " Sri P.Krishnamachari.	20.5.50	Direct Recruitment.

The two vacancies 8 & 12 above have to be reserved to be filled by direct recruit according to rotation. The vacancy caused by the retirement of Sri S.Mahadeva Ayyar (12) is in the post of Professor of Pure Mathematics, Presidency College, Madras. In view of the impending re-organisation of this College it does not seem necessary to make any recruitment to the post of Professor of Pure Mathematics on the basis of the qualifications now laid down in the Special Rules for the Madras Educational Service and the recruitment to this post may, therefore, be deferred until after the qualifications for the post of Chief Professors have been prescribed.

(P.T.O.)

In para 4 of their order MS.362-Education, dated 11--2--1949, Government have observed that the vacancies which occurred in the Mathematic's Unit consequent on Sri T.Suryanarayana's confirmation as Deputy Director and Dr.K.C.Chakko's retirement be reserved to be filled by direct recruits. The latter vacancy has already been so filled by the recruitment of Mir Shabeer Hussain. The former vacancy has to be taken into account for the purpose of the present estimate. In the circumstances, I request that the vacancies of Sri P.Krishnamachari & Sri T.Suryanarayana be included in the present estimate and two candidates got recruited direct for appointment as Lecturers in Mathematics.

Vacancy No.7:(Sri M.V.Sitaraman):

This vacancy will arise in the Chemistry Unit. The last vacancy in this unit, viz., that of Sri P.N.Gowd, has been filled by direct recruitment and hence the vacancy arising from the retirement of Sri M.V.Sitaraman has to be filled by transfer. It need not, therefore, be included in the present estimate.

Vacancy No.11:(Sri D.Venkata Rao:)

This vacancy will arise in the History Unit. As the last vacancy in this unit has been reserved to be filled by transfer this vacancy has to be reserved to be filled by direct recruitment. But it would not however be expedient to include the vacancy in the present estimate. As this vacancy occurs in the Presidency College and as a post of Chief Professor of History is likely to be created soon in this College, recruitment as for the Chief Professor may have to be made. I therefore recommend that this vacancy may be excluded from the present estimate.

(iii) Professional Section:

Law College: Consequent on the grant of leave preparatory to retirement to Sri K.Krishna Menon, the post of

(P.T.O.)

Principal, Law College, Madras, has been filled by the promotion of Vice-Principal. Sri S.Govindarajulu, the Vice-Principal, has been appointed to officiate as the Principal of the College in G.O.MS.2885-Education dated 14.9.1949. The consequential vacancy in the post of Vice-Principal has to be filled by direct recruitment in the present circumstances as the Professor who has recently taken charge is inexperienced and not suited for immediate promotion as Vice-Principal. I, therefore, request that the vacancy in the post of Vice-Principal may be included in the present estimate and a candidate got recruited for appointment to that post.

Engineering Colleges.(Vacancies 10 & 13): These two vacancies will arise in the Professional Section. Class V of the Madras Educational Service. Under the Special Rules, appointment to this Class is not governed by any proportion according to which vacancies should be filled by direct recruitment and by transfer. But, for the reasons stated below, I recommend that these two vacancies be filled by direct recruits.

Vacancy No.10(Sri V.H.Sadarangani): At present there are two Professors of Civil Engineering who are outsiders and who have been officiating under emergency provisions for over 2 years. They are:

1) Sri N.R.Sitapati, Professor of Civil Engineering, College of Engineering, Kakinada.(From 24.2.1947)
2) Sri P.R.Ramaswami, Professor of Civil Engineering, Arthur Hope College of Technology, Coimbatore.(From 8.8.1947).

Both of them are prima facie qualified for recruitment as Professors of Civil Engineering. I consider that it is not equitable to continue these Officers, who are outsiders, indefinitely under emergency provisions with no sure prospect of being absorbed in regular Government Service. With a view to affording an opportunity to them to get recruited direct as Professors of Civil Engineering, I recommend that the vacancy arising from the retirement of Sri V.H.Sadarangani and one of the existing temporary posts of Professors of Civil Engineering be in-

M

cluded in the present estimate and two candidates got recruited direct. The two Officers mentioned above may compete for recruitment and if not selected, they may be replaced by the selected candidates in due course.

Vacancy No.13:(Sri G.Ramachandra Iyer): This vacancy will arise in category 3 of Class V. Engg. College Though it is not necessary to reserve this for direct recruitment, yet I recommend that, in view of direct recruitment to vacancy No.12 in the Mathematics Unit being not proceeded with, the vacancy in the post of Lecturer in Mathematics, College of Engineering, Guindy, be filled by direct recruitment. I therefore request that one candidate may be got recruited direct for appointment to this Post.

iv) Manual Training Expert: I am examining the need for retaining this post in view of the changes in the curricula of Secondary Schools and I shall submit a separate report to Government on the subject. This vacancy need not therefore be taken into account for purposes of the present estimate, though Government have agreed to fill this by direct recruitment if necessary.

(in connection with last year's estimate for Transfer)

5) In connection with the present estimate, I may invite the attention of Government to the following points:-

i) Lecturers in Languages: Government have approved my proposal that the temporary posts of Lecturers in languages be filled both by direct recruitment and recruitment by transfer in equal proportion. The *ad hoc* rules for the posts have not yet been issued. After these rules are issued, a supplemental estimate in regard to direct recruitment to those posts will be submitted.

ii) District Educational Officers: The direct recruitment of three candidates to the category of District Educational Officers with reference to the estimate of 1949, was not proceeded with in view of the proposal to re-organise the Inspectorate and amend the special rules with a view to giving preference to Science Candidates.

(P.T.O.)

---

6) In the circumstances explained above, I recommend that Government may kindly include the following vacancies in the estimate of candidates to be selected for the Madras Educational Service by direct recruitment during the year 1950.

3. Lecturers in Mathematics:- The Government have not requested the Commission to advertise the vacancy of Lecturer in Mathematics in the College of Engineering, Guindy. The proper course to follow is first to bring the post within the purview of rule 2(e) of the Special Rules for the M.E.S. (rule of rotation) and then to decide the method of recruitment for it, taking into account the methods of appointment adopted for previous vacancies. The Director is requested to send up necessary draft amendments to the Special Rules.

[illegible] rules [illegible]

4. Professors of Civil Engineering:- The Government have held that it is better to advertise for direct recruitment two posts both of which are temporary. However, for confirmation in the ~~subsequent~~ substantive vacancy in due course, the claims of all persons, direct recruits as well as promotees, may be considered.

[illegible]

5. Superintendents of Government Secondary and Training Schools for Women:- As Mrs. S.N.Khan, the direct recruit to the post of Superintendant, Government Hobart Secondary School for Muslim Girls, Royapettah, had not been confirmed before she resigned the appointment, the post cannot be taken to have been "filled" but should be considered to continue to be substantively vacant. Another direct recruit has therefore to be selected now for the vacancy. The Director's statement that the post should go to a candidate belonging to the Muslim Community is not correct. - Vide G.O.No.2591-Edn., dated 3-11-1947. He is, however, requested to state immediately whether in selecting a candidate the Commission need be asked to give preference to persons knowing Urdu if that language is the medium of instruction in the school.

The vacancy that will occur on the retirement of Srimathi A.Ittyerah has been taken as the first vacancy to be filled by direct recruitment. The next three vacancies - viz., the vacancies of Mrs. M.L.Small, Srimathi Gowri Sankunni and Miss D. ~~Mank~~ Frank - have to be reserved for transfer. The fifth vacancy - viz., Mrs. A.Suares' vacancy -, again, has to be filled by direct recruitment.

Sub: Estimate for direct recruitment to Madras Educational Service.

Ref: Your Telephonic Message (by Post) dated 15-11-49.

9376

As the exact period of the leave due to Sri K. Ramachandra Ayyar under Fundamental Rules 86 (a) was not known, the date of his actual retirement was taken as the date of vacancy for ~~the~~ purposes of the estimate. Now that he has been granted leave for two months and 18 days in G.O.No.3386 Education dated 5-11-1949 from 1-7-49, the date of occurrence of the vacancy may be taken as 19-9-49. This does not affect the estimate in any way.

The fact of Sri G.A. Srinivasan's reemployment for the rest of the academic year from 15-1-1950 does not alter the date of occurence of his vacancy because he cannot be deemed to hold any substantive appointment during the period of re-employment.

2. The presumption of Government that Sri D. Venkata Rao and Sri S. Mahadeva Ayyar were not granted leave after retirement, is correct.

Sub: Appointment - Superintendents in the Administrative Section of the Madras Educational Service (Women's Branch) - Direct recruits - Proposals submitting.

p. 34 ante

There is at present dearth of experienced Superintendents in the Women's Branch. Two posts of Superintendents - Government Secondary and Training School for Women, Rajahmundry and Lady Ampthill Government Secondary and Training School for Women, Masulipatam - are vacant at present. It would not seem desirable to keep the posts vacant any longer. Miss E. Hendrick, Superintendent, Government Hobart Secondary School for Muslim Girls, Royapettah has also applied for leave preparatory to retirement with effect from 4-10-1950. A substitute has to be appointed in her vacancy also. Smt. N.Rajambal and Smt. V. Kausalya, the candidates selected by the Public Service Commission for direct recruitment as Superintendents of Secondary and Training Schools for girls in the Madras Educational Service, have already put in nearly 8 and 5 years of teaching experience, respectively. There seems to be no necessity to give them training contemplated in rule 14 of the Special Rules relating to Madras Educational Service at present. If necessary, they will be given a short training during the Summer Vacation. I recommend the following arrangements for favourable consideration of the Government:-

(1) Smt. V. Kausalya, a candidate selected by the Public Service Commission may be appointed as Officiating Superintendent, Government Hobart Secondary School for Muslim Girls, Royapettah with effect from 4-10-50 or from the date of joining (Vice Miss E.Hendrick proceeding on leave preparatory to retirement) as she possesses the preferential qualification of adequate knowledge of Urdu.

(2) Smt. N. Rajambal may immediately be appointed as Officiating Superintendent, Government Secondary & Training School for Women, Rajahmundry.

The applications of the candidates together with the other documents are resubmitted herewith, after my perusal.

Early orders of Government are requested in the matter.

An estimate of the no. of candidates to be selected by the M.P.S.C. for appointment by direct recruitment to the M.E.S. during 1950, has to be sent to that body. The proposals ~~sent~~ made in this connection by the D.P.I. in his letters at C.F.3-11 are examined below.

The Dir.'s statement that one of the 3 vacancies due to occur in 1950 (viz., Sri V.Natarajan's retirement) has to be filled by direct recruitment (otherwise than by non-Govt. secy.school teachers), is correct. But his recommendation for the inclusion of the vacancy in the present estimate cannot be accepted.

For, the Govt. have recently approved some schemes for the re-organization of the M.E.S. inspectorate. ~~Under the schemes, th~~ The posts of D.E.Os., etc. will have to ~~will~~ be classified into two grades and the methods of recruitment will have to be altered. Necy. amendments to the Special Rules ~~have been~~ are being called for from the D.P.I. Until after the amendments are issued (in consultation with the Commn.), the vacancy cannot be advertised. If it is to be advertised immediately, the recruitment can be made only under the existing rules. In fact, in view of the re-organization schemes pending sanction, the Commission was requested recently to drop the selection of candidates for the 3 posts of D.E.Os. which it advertised last year.

The vacancy in the post of Prof., Presy.

-- Sri S.Mahadeva Ayyar's retirement -- may be left out, filled in due course after the rules for the Chief Profs.' posts, etc. are issued.

There is another vacancy of Lecturer, in the Guindy Engg. College. In the case of Profs. and Lecturers in the Arts and Training colleges, rule 2(e) BK.113 of the Special Rules requires that vacancies shd. be filled alternately by direct recruitment and by transfer. There is no such requirement in ~~thm~~ respect of the Guindy Engg. College post; the vacancy therein may be filled by either direct recruitment or by transfer, accg. as the Govt. like. In Feby. last, the Dir. was asked why the rule of rotation (rule 2(e)) ~~should not be~~ applicable to posts in the Arts and Training Colleges should not be made to cover the Guindy College post also. He has not replied. Now he says that the present vacancy in the post may be filled by direct recruitment. The proper course is first to bring the post under the rule refd. to and then to decide the method of recruitment for it, taking into account the methods of rect. for previous vacancies.

The post may be filled by direct recruitment for the reason stated by the Dir., viz., that the present Prof. in the college is not suitable for promotion, and may be included in the estimate. But a proposal for the revision of the scale of ~~thm~~ pay of the post is under separate consideration. Therefore, the Commission may be asked to proceed with the advtt. of the post only after the Govt. pass orders on that proposal.

Professors of Civil Engg. Two vacancies may be ~~inf~~ included in the estimate for the reason M at cf.9. The Dir. recommends that the permanent post that will be vacated by Sri V.H.Sadarangani on his retirement and one of the temporary posts (Coimbatore, Kakinada and Anantapur), may be the two vacancies to be advertised. It seems better to advertise two posts both of which are tempy. Two such rotations have so far been completed. The first rotation started with Mrs.S.N.Khan, direct recruit to the post of Supdt., Govt. Hobart Secy. School for Muslim Girls, Royapettah. That ~~xx~~ lady recently resigned her appt. She had not been confirmed before her resignation. It therefore seems that the subst. vacancy against which she was recruited cannot be taken to have been "filled" ~~xx~~ but shd. be taken to continue to be substantively vacant and that another direct recruit has to be selected now for that vacancy. Pub.(Ser.) may see on this point.

The Dir. says that the post, being one in an institution for Muslims, shd. go to a Muslim. This is not the case. The ~~xx~~ rule requiring the appt. ~~xx~~ only of Muslims ~~xx~~ in institutions intended for that community, was long ago abolished - "T". However, whether in selecting a candidate preference need be given to persons knowing Urdu if that language is the medium of instruction in the school, may be ascertained from the Dir. W.r.t. the notes in L.F. and the letter at "M"/28-29, the Commission may be asked to recruit a Harijan candidate to one of the three Supdts.' vacancies and to follow the revised order of communal rotation for the other 2 vacancies. Applications for the Harijan vacancy will be entertained even from those persons who possess a mere Arts or Science degree and a teaching degree but such persons will be considered only if fully qualified (M.A.-I or II Class and B.T.) This was advertised once. But no qualified candidate became available. The qualfn. rules were thereupon amended, in Feby.last, to enable the selection of a candidate possessing lesser qualfns. in the event of a candidate possessing the prescribed qualfns. not forthcoming, and the deputation of the less qualified person for further studies abroad. It was also decided to re-advertise the post after 10 months. The D.P.I. has included the vacancy in the present estimate. The post may be re-advertised.

The other items in the Dir.'s letters cf. 3-11 do not call for any specific remarks.

Last year, in accordance with Public 's instructions in their Memo.950, d/- 21-11-47, the Commission was asked not to recruit any Muslim.x As a result, one turn for that Community in the communal roster has been lost. The instrns. in the Memo. have recently been cancelled. 8/14 It is presumed that the cancellation should be taken to mean that only in future rotations Muslims ~~should~~ read be recruited against their turns ~~and not~~ It does not seem that (unlike in the case of other communities) the passed-over turn also shd. be filled now. Pub.(Ser.) may kindly confirm this.

When the vacancies have been mentioned in ~~xxx~~ rule 2(d) of the Spl.Rules for the M.E.S. as 'substantive vacancies', it does not seem necessary that the word "filled" occurring there ~~also~~ should also have been modified by the word "substantively", to indicate that the appts. shd. be substantive. If Public's interpretation is applied strictly, even the appt. on a tempy. footing of a transferee officer ~~to~~ in a direct recruit vacancy until the ~~appt.~~ selection of a direct recruit, will amount to "filling". In that event, the rotations cannot be maintained properly at all. Inasmuch as there is nothing specific ~~is there~~ in the rule to show that it would suffice even if the vacancies are filled temporarily, this dept.'s view at X on p.3 ante should be the correct view. Legal may advise.

Practice: 'Transfer' vacancies are reserved. Only when persons are confirmed against them, they are taken as filled.

The intention underlying rule 2(d) of the Special Rules for the Madras Educational Service seems to be that out of every four vacancies one should be filled by direct recruitment referred to in item (1) of that rule. That intention will not be carried out if a vacancy which is to be so filled is filled only temporarily by such recruitment and is thereafter filled by recruitment by transfer. To satisfy the rule, such a vacancy must be ear-marked for being filled the direct recruitment referred to in item (1) of that rule only. The view taken by E & P.H. in this matter therefore seems correct.

Three posts of Supdts. of schools in the M.E.S. (Women's Branch) were included in the estimate, sent to the Commission recently, of candidates to be recruited direct during 1950. The post of Supdt., Govt. Hobart School for Muslim Women, Royapettah, is one of the three posts. The point whether the person to be selected for that post should know Urdu was refd. to the DPI and the Commission was asked to withhold advtt. of that post until a reply on the point was given to it.

The D.P.I. has now replied that preference may be given to Urdu-knowing persons in making the selection for the post in question. The Commission may be told that, if it agrees, the vacancy may be advertised with the preferential ~~notfn.~~ qualification specified in its notification and that the Special Rules for the M.E.S. will be amended suitably with effect from the date of the notfn.

Action taken for amending the rules.

Another matter. The Dir. has since put forward separately a proposal for the transfer of Smt. C. Alexander, Kindergarten Lecturer, Teachers' College, as Supdt. of one of the schools in the Admn. Section. The question of appointing overseas scholar Smt. C.D. Kanthimathi as a Supdt. has also been raised. If these persons come to be apptd. as Supdts., there will not be a vacancy left for the ~~xhx~~ third candidate to be selected by the MPSC for direct recruitment. The proposal in the file is to approve the selections, recently made by the M.P.S.C., of two candidates, Smt. N.Rajambal and Smt. V.Kausalya, for direct recruitment to the posts of Supdts. of Secondary and Trg. Schools in the M.E.S., and to ask the D.P.I. to send his recommendations for giving them initial administrative training, as contemplated in the service rules.

Rule 14 of the Special rules for the M.E.S. (K)/2

(N)

Smt.N.Rajambal is a Harijan. She does not possess the I or II Class M.A. or Hons. degree prescribed for the posts; she is only a III Class B.A.(Pass) degree holder. The qualfn. rule has therefore to be relaxed in her favour. The relaxation would be in accord^ance^ with the decision arrived at by Govt. in 1947 - P at p.9 ante. Pub.(Services) agree.

So far as the Madras Educational Service is concerned - since the coming into force of the communal rule, only one turn in the communal rotation allotted to the Scheduled Castes has been passed over unsatisfied for want of a qualified and suitable candidate - and that turn too, not in the Men's Branch, but in the Women's Branch, of the Service.

1947

This year, selection for direct recruitment to a vacancy in the category of Superintendents of Govt. Secondary and Training Schools for Women was made by the M.P.S.C. The qualifications laid down for the post are M.A.(or Hons.) and B.T.(or B.Ed.) degrees. There was no applicant from the Scheduled Castes, in response to the Commission's advertisement and the Commission therefore selected a candidate belonging to the community next in the order of preference, and sent up the selection. The Government considered the question why, in view of the turn for the Scheduled Castes not having been filled for many years because no person was available, the vacancy in question should not be filled by the appointment of a Harijan lady who did not fully satisfy the qualifications, having possessed only a III class Pass degree and L.T., and who applied for the vacancy direct to Government and accordingly addressed the Commission on the point. That body replied that, as there might be many other S.C. candidates who might possess the qualifications of the particular lady and as the method of appointment is through selection on the basis of a competitive examination, the best course would be to re-advertise the post calling for applications from all such candidates. The matter was reconsidered having particular regard, on the one hand, to the delay ~~whxxh~~ which the procedure suggested by the Commission would involve, and, on the other, to the effect which the rejection of the original selection by the Commission would have on the communal order further below in the rotation according to which some subsequent selections had been made, and it has been proposed at the instance of H.M.Edn. to drop the question of recruiting to the present vacancy a Harijan candidate. At the same time, it has also been proposed to record an understanding and communicate it to the Commission and the D.P.I., to the effect that if, for the vacancy that will arise next in the Administrative Section of the Women's Branch, a duly qualified S.C.candidate does not become available, selection should not proceed with reference to the community next in the communal order but should be made only from among S.C. candidates who possess mere Pass degrees plus the teaching qualification. (The file concerned has been sent in circulation to H.P.M. and H.E.). Thus, there is a certainty that the turn will be filled at the next opportunity. A

~~In view of these, there seems to be no need to adopt, in the case of the M.E.S.(Women's Branch), the proposal in para 3 of Public's note at p.56 ante.~~

The appointments under ~~Dt.~~ this dept. mostly require technical qualifications or academic qualifications of a high or
and mere graduates will not be suitable.

With the above remarks this may be sent to Publi

Edu. & ... dept. (A)

The question of giving to Harijans proper representation in the Provincial Services by recruiting them by a special method is considered in this file, having been raised by the Speaker of the Legislative Assembly. ~~The Pub. (Ser.) Dept.'s note, kept below, prepared for the informal meeting of H.Ms., and their latest note at p.15 ante, may be seen.~~

In regard to the M.E.S., the following is the position. Since this department noted at ~~pp.64-66 C.F.~~ ante (July 1947) - no Harijan candidate has been recruited either to the Men's Branch or to the Women's Branch of the service.

In the Men's Branch, in the communal rotation that was in force before 21-11-47, no turn for the Harijan community was lost unfilled. After the revised rotation came into force, selections for direct recruitment were made twice - once in 1948 and the second time in January this year. No suitable Harijan candidate was available on either of the occasions and therefore one turn for that community in the new rotation was passed over and the vacancies were filled by communities next in the order of rotation. No vacancy at present stands reserved for the Harijan community. In the recruitments to be made hereafter, however, the Harijan community will have, until its turn passed over is filled, preferential claim for selection first.

P

About the Women's Branch, one turn for Harijans was passed over in the old rotation - p.65 ~~c.f.~~ ante. Appointments according to the new rotation have not begun at all. It does not seem that because of the introduction of the revised rotation, the passed-over turns for particular communities in the old rotation automatically lapsed. With reference to para 2(b) of G.O.No.218-Pub.(Ser.) dated 25-1-49, it seems that, in this case in the next recruitment, an attempt to recruit first a Harijan candidate against the turn previously lost by that Community should be made. Pub. may kindly confirm. If the view is correct, the understanding referred to at A at p.65 ~~c.f.~~ ante, which was arrived at by Govt. and communicated to the D.P.I. and the Commission, may be followed up in the next selections.
