No. 11-25032/49 dated 31-5-1950.

Subject:- Elementary Education - Ramanathapuram District Board - Board Girls School, Ilayangudi South West - Transfer of management with the furniture etc., to the Trustees of Melapallivasal - Ilayangudi - Sanction of Government - Requested.

The trustee of Melapallivasal, Ilayangudi requested the District Board to hand over the present Board Girls School, Ilayangudi South West to their control to enable them to open a Higher Elementary School for Girls from out of the trust funds. A copy of the petition of the Trustee to the effect is enclosed for information of Government. The matter was taken to the notice of the Board and the District Board has in its resolution No.1205 dated 30-11-49 (Copy enclosed) sanctioned the request. If the school is handed over, the cost of furniture and equipment is recoverable from the Trustees and the existing staff of the school under the Board at present needs to be necessarily absorbed by the management on the same salary which they are now getting if the incumbents so desire.

The list of furniture now in use in the school is given in a separate sheet and the Trustee of the Melapallivasal has signified his consent to take over the same at a nominal cost and has also promised to absorb the teachers who wish to work in the school from the date of taking over the management of the school. (Copies of the letters of the Trustee in this connection are enclosed). The school which is maintained at present by the Board is housed only in the building owned by the Pallivasal and if they begin to open another school in the same building, there is no other suitable building in the locality to enable the Board to shift it there.

There is mass support for the request of the Pallivasal Trust in Ilayangudi and the Pallivasal is affluent to take up the management and run it as efficiently as the Board, if not more.

I request that, under the circumstances stated above, the Government may be pleased to accord their sanction for the transfer of management of Board Girls School, Ilayangudi South West from the District Board to the Trustees of Melapallivasal and to fix the cost of furniture and equipment to be recovered from the above Trustees in consequence of the transfer of the school.

Sir,

SUB: Elementary Education--District Board, Ramanathapuram
transfer of management of the Board Girls school,
Illayangudi to the Trustees of the Melapallivasal
REF: Government Memo No. 25132 C/50-1 dated 7-9-1950

With reference to the Government Memo I have to state, that
since the private management have come forward to take over the
Board Elementary school, the condition, that free education
should be imparted was ~~imposed~~ improved. The pupils may perhaps receive
free education under the Board management. Similar condition was
imposed when the management of the Ramakrishna Tapovanam took over
the Board Boys and Girls schools, Thirupalathurai from the District
Board Tiruchirapalli vide G.O.No. 7282 Education dated 31-3-1948.

2. I have no objection to delete the condition, that free
education should be imparted, if it is considered necessary.

SUB: ELE. EDN. - Dt. Bd., Ramanathapuram - Bd. Girls' School, Ilayangudi
South West - Transfer of management to the Trustees of Melapallivasal
Ilayngudi - Sanctioned.

Read: From the P.D.B., Ramanathapuram No. E11-25032/49 dated 31-5-50.

Endt. of the D.P.I., No. 1023-B1/50 dated 17-8-50.

The Dt. Bd., Ramanathapuram has resolved to transfer the Board
ele. school at Ilayangudi to the trustee of Melapallivasal. The sanction
of the Govt. has been applied for to the transfer. The D.P.I. has no
objection to the transfer but suggests the imposition of the following
conditions to ^{govern} ~~favor~~ the transfer:-

(1) The articles of furniture available in the school should be
transferred with the school for one year at the end of which period, they
should be returned to the Dt. Bd.

(2) The Dt. Bd., should resume the management of the school at any
time if it so thinks fit.

(3) The school should be open to pupils of all communities.

(4) The teachers in the schools should be transferred to other
schools under the Dt. Bd.

(5) ~~free~~ ^{and} education should be given to pupils in standards
I to V even after ^{the} transfer of management.

2. Conditions (1) to (3) may be accepted. As regards condition (4) it is
seen that the management is willing to get the services of teachers also
transferred and is prepared to pay the teachers on the scales admissible
to them under the Dt. Bd. In the circumstances the ~~x~~ transfer of staff
may be made conditional, i.e., no teacher should be transferred against
his will. The written consent of the teachers should be obtained for
their transfer. Those who are not willing to work under the new agency,
should be provided for in other Bd. schools under the Dt. Bd.

3. ~~x~~ In the matter of ^{levy of fees} ~~transfer of teachers~~ the position is
this. It may not be proper to impose the condition on a private agency.
It is true that elementary edn. is free in Board schools. But private
agencies have the option to levy fees. Even in compulsory areas the levy
of fees in elementary schools under private management is not prohibited.
In the circumstances no mentioned need be made about this in the draft.
The Director ^{ab} agrees to this.

4. A draft order is submitted for approval.
