C.No. 1139 K/50 dated 7-9-50.

Sub: COLLEGES--Government Colleges--Employment of graduate librarians.

In connection with part II of the Budget Estimates for 1951-52, I have the honour to renew for the favourable consideration of Government the proposal for the employment of Graduate Librarians in the Government Colleges (First Grade Arts and Professional only) in the scale of pay of Rs. 75-5-145 in lieu of the existing Librarians in the scale of pay of Rs. 45-90/-. This proposal has been deferred by Government twice--vide my letter No. 1166 K2/48 dated 30-8-48 and G.O.No. 305 Education dated 7-2-49; and my letter No. 1362 K2/49 dated 6-9-49 and G.O. No. 260 Education dated 1-2-50. The necessity for the employment of Graduate Librarians in the Colleges was fully explained in my letters referred to above. The libraries in the colleges are badly in need of reorganisation and this useful work is definitely beyond the ability and comprehension of the existing lower grade clerks (not qualified in library organization), who are called librarians merely by dint of being placed in charge of the libraries. Keeping in view the magnitude and the utility of a library in a college, also the real purpose it should serve the General Inspection Commission emphasised the employment of librarians in the cadre of Assistant Lecturers, who should be well-versed in two or three languages. It should be unfortunate that the maximum benefit expected of the college library, on which large sums are spent, is not derived by the students only because qualified librarians are not employed. Considering both advantage as well as economy, I proposed the employment of qualified Graduate Librarians in the scale of pay of Rs. 75-5-145 only. I request that Government may be pleased to appreciate the real needs and sanction the employment of a Graduate Librarian in each of the First grade Arts and Professional Colleges, excluding the new Government Training Colleges at Palghat and Mangalore for the present. The ultimate extra cost on account of the proposal will be Rs. 10,800/-per year.

2. I am including the necessary provision in part III of the Budget Estimate for 1951-52.

Yours faithfully,

M. S. Subramanian

for Director of Public Instruction.

In 1947, the D.P.I. submitted a proposal for employing graduate literarians in the place of the existing lower division clerks, in all the Grant Arts & Professional Colleges. The proposal was not accepted by the Govt. The Director renewed the proposal for consideration as a Part II Scheme for 1949-50 and 1950-51. On both occasions the Standing Finance Committee did not accept the proposal. The D.P.I. has now renewed the proposal for consideration as a Part II Scheme for 1951-52. The ultimate extra cost on account of the proposal will be Rs 10,800 per year. The Dir has not adduced any fresh grounds for consideration. As the financial position has not improved in any way since last year, it is for order whether the D.P.I. may be informed that the proposal should be deferred until the financial condition improves for order. The remarks of Fin Dept may be invited before circulation.

The reference from the D.P.I. with the of and the notes on p. 1 alone may be perused. The case relates to the employment of graduate Librarians in all Govt. Arts and Professional Colleges in the place of K. D. clerks who are ^{at present} doing such duties. The extra cost involved works out to Rs. 10,800. roundly p.a.

2. It may be stated that the ~~same~~ proposal was considered more than once in the past and deferred. When the proposal was considered last year, Hon (Fui) remarked that though he agreed to the proposal being considered as a part of Scheme for 1950-51, there was no urgency and that the proposal could wait. The ~~Part II Scheme~~ proposal was however negatived by the S.F.C.

Education have noted that in view of the financial stringency, the proposal should be deferred, and they have submitted the remarks of this Dept.

As stated by Hon. the D.P.I. has not adduced any fresh grounds this year in support of his proposal. Nor does it satisfy any of the criteria laid down in G.O. 713 Fui dated 20.7.50 for being considered as a part of Scheme for 1951-52. As the financial stringency still continues and as the proposal does not appear to be really and immediately essential, I would very agree with the view that the proposal may be deferred.

Finance agree with this ~~2 and~~ Dept, that the D.P.I.'s proposal to appoint graduate librarians on Rs 75-8-145 in the place of the existing librarians (lower division clerks on Rs 45-90) in all the Govt 1st grade Arts and Professional Colleges, may be deferred until the financial condition improves. (The extra cost involved works out to Rs 10,800 roundly per annum.)

The case may be circulated to HM (Lia) for orders whether the D.P.I.'s proposal may be deferred.
