Sir,

Sub:-Fundamental Rules 30 - Officiating promotion with officiating allowance between the posts of peons and gasmen in the Government Colleges; - Orders - Passed.

Requested.

ENCLOSURES

SPARE COPIES

In G.O. Ms. No. 904 Education dated 16-4-1948 Government ordered that the posts of gasmen in certain Government Colleges, hitherto classed as posts of menials paid from contingencies, be brought on to the regular establishment under the Madras General Subordinate Service and granted the ~~Time~~ scale of pay of 22-1/2 A--30 with effect from 1-4-48. Peons in the colleges in the scale of Rs. 16--25 are in the likely candidates for promotion to these new posts of gasmen. The duties and responsibilities of a gasman are reported to be definitely greater than those of a peon as the work of preparing gas for supply to the laboratories involves some technical knowledge and experience, and negligence or inefficiency on the part of a gasman will result in dislocation of the work of the college. In view of this increased responsibility, I recommend that Government may be pleased to permit officiating promotion with officiating allowance from the posts of peons to those of gasmen and to give effect to such orders from 1-4-48 so that peons so promoted already in a few cases may also be benefitted.

Yours faithfully,

4. The D.P.F. now proposes that in order to enable the Principals to maintain the standards of efficiency in the colleges 10% of the seats in the junior classes in all Govt. Arts Colleges may be filled by the Principals at their discretion from candidates who have secured high marks and those who are good speakers without consulting the Advisory Committee. In this connection, it may be stated that in 1946 the Govt. decided that, for the academic year 1946-47, 20% of the total number of seats in the Govt. Engineering & Medical Colleges should be filled by students selected on merit alone. In June 1947, the Govt. renewed the question and decided that this reservation should be abolished.

Govt College - Post of Hasmen -
Training of sub-

By. from the D.P.I. no. 717-C 8/57 delia 327.50.

In his letter cited, the Director of Public Instruction has suggested that Hasmen recruited direct in exam Govt. College must have completed 25 years of age. Whereas the age qualification prescribed for the post of Govt assistant, Presidency College, Madras (vide G.O. no. 319 Edu Dept dated 14.2.46) and for similar post in the General Hospital, Madras, is that the candidate must not have completed 25 years of age if

Recd direct. It is presumed that the
 discrepancy between the age qualification
 prescribed for the post of Gas Assistant in the
 Presy. Coll. Madras and the age qualification
 suggested for the gas men in other colls
 is due to an error in fair copying.
 The Director is requested to confirm this
 presumption. In case the Director considers that
 the age qualification for the post of gas man
 should be different from that of the gas
 assistant in the Presy Coll. Madras,
 he is requested to furnish his reasons.

The presumption of Government that the disparity between
 the age qualification prescribed for the post of Gas Assistant
 in the Presidency College, Madras, and the age qualification
 suggested for the gasmen in other colleges is due to an error
 in fair copying is correct. The following age qualification
 namely "Must not have completed 25 years of age, if recruited
