Re.No. 1272.K.2/49 dated 2.9.'50

Sir,

Sub: Colleges - Training Colleges - Reorganisation of staff
in the Lady Willingdon Training College, Madras -
Ref: My letter Re.No. 1272.K.2/49 dated 26.5.'50 and G.O.
No. 1938 Edn. dated 4.7.'50

In my proposals for the reorganisation of the staff in the Training Colleges to suit the needs of the revised Secondary Education Scheme, the Lady Willingdon Training College was not taken into account as it was felt that any changes in the staff of this College should be considered along with that of the Queen Mary's College, especially in regard to upgrading of the salary of the post of Principal. The Principal, Lady Willingdon Training College now reports that consequent on the abolition of the post of Kindergarten Lecturer the incumbent has been transferred elsewhere, and that of the college is to have a number of tutorial classes in the general subjects, the appointment of an Assistant Lecturer in Education is essential. In addition, the Principal requests sanction for a clerk and a Mechanic.

There are at present the following permanent and temporary posts in the college, excluding the post of the Principal.

Permanent posts.

1. Lecturer in Education and Psychology.
1. Lecturer in English.
1. Lecturer in History.

Temporary Posts.

- 1 Lecturer in Physics.
- 1 Assistant Lecturer in Natural Science
- 1 Lecturer in Tamil
- 1 Lecturer in Mathematics
- 1 Assistant Lecturer in Music
- 1 Assistant Lecturer in Basic Education
- 1 Assistant Lecturer in Geography.

Under the revised S.S.L.C. Scheme there is no Natural Science or Geography and since there are Lecturers in Physical Science and History, there is no need to continue the Subordinate Educational Service posts in Natural Science and Geography. To meet the immediate needs of the College, I recommend the conversion of the post of Assistant Lecturer in Geography into that of Assistant Lecturer in Education. The post of Assistant Lecturer in Natural Science may, however, be continued till the end of the current academic year, when, it is expected, the question of reorganising the teaching staff will be finalised.

Under the revised B.T. syllabus a large number of registers and records are to be maintained and an additional clerk is absolutely necessary for the College. Additional clerks have

been sanctioned for both Teachers' College, Saidapet and Government Training College, Rajahmundry for the purpose - vide G.O.No. 1938 Edn. dated 4-7-'50. For the present I am sanctioning the employment of an additional clerk on a fixed pay in the college, under the powers delegated to me. The post of clerk will be included in the proposals for the re-organisation of the staff of the College.

I request early sanction for the conversion of the post of Assistant Lecturer in Geography into that of an Assistant Lecturer in Education. Government are being addressed separately for the necessary Visual Education equipment and the employment of an Operator.

Yours faithfully,

Theriot

for Director of Public Instruction.

R.C.No.1272-K2/49 dated 13th November, 1950.

Sir,

COLLEGES--Lady Willingdon Training College, Madras--Conversion
of the post of Assistant Lecturer in Geography into that of
Assistant Lecturer in Education.

Reference:-G.O.No. 2814-Education dated 10th October, 1950.

In paragraph 2 of my letter R.C.No.1272-K2/49 dated 2.9.1950,
it was pointed out to Government that under the revised S.S.L.C.Scheme
there is no Natural Science and Geography and that there was no need
to continue the posts of Assistant Lecturers for these subjects. I
therefore recommended the conversion of the post of Assistant Lecturer
in Geography into that of an Assistant Lecturer in Education. The
Principal has discussed this question with me and she now considers
that it is in Social Studies(History and Geography) that an Assistant
Lecturer is found indispensable. She therefore requests that the
orders issued in G.O.No.2814-Education dated 10.10.1950 may be
cancelled and she be permitted to retain the Assistant Lecturer in

Geography. As proposals for the reorganisation of the teaching staff in this college from 1951-52 have been submitted in connection with Part II Estimates I recommend that the Principal may be permitted to retain the Assistant Lecturer in Geography till the end of the current academic year. In anticipation of approval of Government, I am instructing the Principal not to give effect to the orders already issued.

Yours faithfully,
