FROM

EDUCATION DEPARTMENT.

To

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS.

The Secretary to Government, Education Department,
Fort St. George, M a d r a s.

Rc.No. 1010 K2/50 dated, 8/9/50.

Sir,

Sub:-Colleges - Government Colleges - Employment of additional Physical Directors in certain colleges and grant of kit Allowance to all physical Directors and Directresses.

In connection with Part II of the Budget Estimates for 1951-52, I have the honour to submit for the favourable consideration of Government the following proposals for the employment of additional Physical Directors in the Government Arts Colleges at Palghat, Anantapur, Madras and Kumbakonam and for the grant of Kit allowance to all physical Directors and Directresses employed in all Government Colleges.

2. I invite attention to my letter Rc.No.1419 K2/49 dt.27/9/49 in which I explained in detail the need for the employment of additional Physical Directors ~~and~~ the above mentioned four Arts Colleges and also for the grant of a kit allowance of Rs.15/- per mensem to all the Physical Directors and Directresses employed in all Government Colleges. But the Government deferred the proposals in G.O.No.3354 Edn. dt. 3-11-49.

3. The strength of the Government Arts Colleges at Palghat Anantapur, Madras and Kumbakonam is too unweildy for the single Physical Director employed ~~by~~ in each college. The assistance rendered by the Physical Training Instructors is not adequate. Keeping in view the aim of Physical Education in Colleges the General Inspection Commission has emphasised the need for the employment of one Chief Physical Director and assistants, the total number being in the proportion of one for every 500 students. Considering both efficiency as well as economy I recommended the employment of four additional Physical Directors in lieu of ~~the~~ the 6 physical Training Instructors in the four Colleges in question. With the further increase in strength of the Colleges, it has become practically impossible for the existing Physical Directors to attend to Physical Education work in the Intermediate classes and to organise effectively the games and other activities of the entire college. The assistance rendered by the lower grade staff of Physical Training Instructors, is not very satisfactory due to the limitation in the qualification inherent in lower scale, of pay and status. Steps have therefore to be taken to replace them with higher grade staff as early as possible. The four Colleges in question have each a strength of over 800 and particularly the colleges at Madras and Palghat have a strength of over a thousand each. As a first step in the reorganization of physical Education staff in Government Colleges, I request that Government may be pleased to sanction the employment of an additional Physical Director in each of the four Colleges in question in lieu of the Physical Training Instructors employed therein. The Additional cost to government is indicated below.

P.T.O.

COST IN 1951-52.

		Rs.
4 Physical Directors in the scale of Rs.85-175.	85 X 4 X 8 =	2720.

ULTIMATE COSTS.

LESS.

		5,856

Net Cost.	...	Rs.2,736
		2,700

4. In my letter Rc.No. 1419 K2/49 dt.27-9-50 (disposed of in G.O.No.3354 Edn.dt. 3-11-49) I explained the circumstances in which the grant of an allowance, called kit allowance, of Rs. 15/- per mensem is absolutely necessary. This small inducement which I proposed as a very modest alternative for a further revision of their pay, may be expected to go a long way to improve their condition and enable them to attend to their duties without serious drawbacks. I request that the Government may be pleased to consider the case sympathetically and grant them a kit allowance of Rs.15/- p.m. The cost to Government on account of this allowance will be Rs.2,880/- in 1951-52 and Rs. 4,320/- per annum from 1952-53.

5. I am including the necessary provision in Part II of the Budget Estimates for 1951-52.

Yours faithfully,

M. S. Subramanian

For Director of Public Instruction.
