Sub:--Indents for the Chemistry Department--Government College, Kumbakonam--1950-51--Sanction--Requested.

* * * * *

I submit herewith indents in two sets for the Chemistry Department of this College, one main indent for chemicals and apparatus for Rs.8830 including the cost of freight and other charges at 10% and the other supplementary indent for Rs.3750/-

The main indent contains the articles which will be ordered in the first instance. The supplementary indent contains the articles which will be ordered to the extent necessary in case the main indent is not fully supplied. I, therefore, request that both the indents may kindly be approved now to save time and repeated correspondence.

The prices quoted are approximate as prevailing in the market. Quotations from the various firms of repute are being called for and orders will be placed only with the lowest quoting firms consistent with quality.

The cost of the Chemistry, main indent taking into account Natural Science Main Indent also is within the available allotment for 1950-51 of Rs.23130 under Laboratory charges after the 10% cut. The indent of the Natural Science Department for an expenditure not exceeding Rs.5000/- has already been approved in Director's Proceedings Rc.No.425 A2/50 dated 12-8-50 and the progressive total of expenditure including this indent will be only Rs.13830/- only. The indent for the Physics Department will be submitted separately on receipt.

As some of the articles included in the indent are of standard foreign make and if orders are not placed early they are likely to be sold out. I, therefore, request that in anticipation of sanction I may be permitted to place the orders out of the main indent to the companies. Such advance orders have been placed in previous years with your kind permission.
