[Despatch Abstract.]

Govt. Press. Transfer of printing machines
from the Penitentiary Branch Press to the
Central Press. Add. staff. Continuance
sanctioned

In accordance with G.O.Ms.No. 2020 Edn., dated 24-6-1949 sanction for the continuance of posts of 8 Junior Machine Men on Rs 35-55 and 4 Layers-on on Rs 30-50 has expired by the end of June 1950.

For the reasons given above, I request that Government may kindly issue early orders for the employment of the above temporary staff for a further period of one year, as the work in the section has been very much dislocated owing to the reduction of the total strength.

Memo. No 24061 E/50-1 Edn. dated 23.8.50

In G.O. Ms. No 2020 Edn. dated 24.6.49, the marginally noted temporary staff was sanctioned in the Govt. Press for a period of one year for putting into operation the machine transferred from the Madras Penitentiary Branch Press.

2/ The S.C.P. has now reported that the sanction for the temporary staff referred to above expired on 1.7.50 and has requested that the staff already sanctioned in G.O. Ms. No. 2020 Edn & 24.6.49 may be sanctioned for a further period of one year, for the reasons stated in his letter read above.

3/ The S.C.P. is requested to state whether the work, for which the temporary staff was sanctioned has been completed and if not to indicate the amount of work which remains to be done. He is requested to give reasons supported by statistics for the employment of the staff for a further period of one year, as requested by him.

The Reasons given in his letter cited above are not quite clear.

Sub: Government Press - Press and Machine department -
Additional staff - Further continuance - Requested.
Ref: Memorandum No.24061 E/50-1, Education dated 23rd
August 1950.

I submit that the sanction for the temporary staff in
G.O. No.2020, Education dated 24th June 1949 was for putting
into operation the machines transferred from the Penitentiary
Branch Press in 1948. The number of machines transferred from
the Penitentiary Branch Press were put into operation after the
sanction of the temporary staff referred to above and continues
to work at the Central Press. The further sanction of the
temporary staff is therefore imperative for the continuance of
the said machines to work here.

2. The transfer of the 8 machines from the Penitentiary
Branch Press was due to the paucity of long-term convicts to man
these machines and to enable appreciable production to cope up
with the heavy pressure of work in the Central Press. Proportionate
work from the Penitentiary Branch Press has also been
transferred to the Central Press on the reduction of the number
of machines at the Penitentiary Branch Press.

3. Lack of sufficient number of long-term convicts for
allocation to the machine department of the Penitentiary Branch
Press still continues, and the major portion of the forms work
has to be done at the Central Press. The short-term convicts
consigned to the Press find it difficult to train themselves
within the period of their short detention, and it is found
therefore necessary to continue the transferred machines at the
Central Press to be manned by paid staff. The cost of this staff
will be compensated by production at the Central Press.

4. The temporary staff was thus not requisitioned for any
fixed work or period but for the operation of the machines trans-
ferred to aid production at the Central Press for the reasons
enunciated above.

5. I request Government to sanction the additional staff
early so that the machines may not be allowed to idle and work
dislocated.

 (Pre. Finance note above) Notes of Education are way be perused.

It is observed from the letter from the S.G.P. on p 9 of that the staff of 8 Turner Machine men and 4 layers on originally sanctioned in G.O. 2020 Edm dated 24.6.49 was discontinued from 1.7.50 as to sanction on

4
not subsequently renewed in time by the S.G.P. probably due to oversight.

Education have stated that the staff will have to be sanctioned afresh for a period of one year from the date of employment. The additional expenditure will be Rs 10,400 roundly p.a.

Though the sanction already accorded in G.O.2020 Edn. dated 24-6-49 had already expired, it is submitted that the proposal is not to be treated as a new one.

Had sanction been applied for in time before the expiry of the first sanction, the posts would have been sanctioned without any fresh financial procedure. In the present case, the original sanction has expired and the same staff is to be continued by a fresh sanction. It seems unnecessary to follow again a special financial procedure. This Dept. may agree to the continuance of the posts from date of employment.

Finance agree to the continuance of the staff sanctioned in G.O. No. 2020 Edn of 24.6.49. for one year from the date of employment.
