P. O. No.

Dated 29th July 1950.

The Hon'ble Mr. M. Bhaktavatsalam,
Minister for Public Information,
Government of Madras,
Madras.

Sir,

Please refer to the letter from the Education Department of the Government of Madras enclosed for your information. The request for supply of copies of Bills etc., was not made for All India Radio, Madras, as stated in the letter but for the Special Correspondent of the News Services Division of All India Radio. I am afraid the refusal is due to inadequate appreciation of the real nature of the work of the representative of the News Services Division. The Representative functions here both as a correspondent and as one-man news agency and it is requested that all facilities made available to local newspapers and news agencies may be made available to the correspondent also. I may add for your information that similar facilities are extended to All India Radio correspondents functioning in other centres.

Books and publications - Copies of bills published in the Fort St George Gazette - Supply to the Special Representative, A.I.R. Madras

In this Deptt's letter no 9497 F / 50 - 26 dnd 10.6.1950, the special correspondent, A.I.R. was informed that the Govt do not consider it necessary to supply copies of bills published in the F.S.G. Gazette to the All India Radio, Madras. The Director of News and External services, A.I.R. now points out that the supply of copies of bills etc asked for is not intended for the special correspondent of the News Services Division of All India Radio and not for the All India Radio.

He now requests that all facilities made available to local newspapers and news agencies may be made available to the correspondent also.

It does not appear that copies of bills published in the F.S.G. Gazette are now being supplied free of cost to local newspapers and news agencies. What is referred to at X on p1 cf is apparently the supply to certain newspapers of 'press papers' (papers placed at the disposal of the press except administration reports and proceedings of the Legislature) with reference to G.O. No. 1156 E dnd 25/7/1941.

Ref:- From the Senior Correspondent, News Services Division, A.I.R. dated 8-9-52.
From the S.G.P. No. GC 384/52 dated 3-11-52.

In G.O. No. 2847 Edn. dt. 14-10-50 the Govt. sanctioned the free supply to the Special Correspondent News Services Division, All India Radio, No. 56, Burkitt Road, T'Nagar, Madras of all publications of the Govt. placed at the disposal of the Press including copies of the bills published in the Fort St. George Gazette. The Senior Correspondent, News Services Division, A.I.R. reports that in spite of the G.O. referred to above he is not being supplied regularly with the publications mentioned in the G.O. particularly copies of the Bills published in the Fort St. George Gazette. Mention is also made that the Tanjore Tenants and Pannaiyal Protection Ordinance issued on 23rd August has not been supplied to him. The S.G.P. who was consulted, states that the Press ~~press~~ papers released from the Govt. Press are being supplied to the Special Correspondent, News Services Division, A.I.R. No. 56, Burkett Road, T'Nagar, Madras and that no representation has so far been received by him by the Special Correspondent. He also says that the copy of the Tanjore Tenants and Pannaiyal (Protection) Ordinance does not come under the Bills published in Part III A and IV A of the Gazette for which ~~he~~ ^{the Special Correspondent} is entitled. He ~~also~~ says that a copy of the Ordinance is being supplied to him in anticipation of approval by Govt.

It is submitted that the sanction accorded in the G.O. at (K) will not apply to the free supply of the copy of the Ordinance in question which is an Act. However there seems to be no objection to the

Legal (Legislative) Dept. Eam u.o. 39661-Flr-2

As a special case, the Government sanctioned the free supply to the Special Correspondent, News Services Division, All India Radio, Madras, of the Bills published in the Fort St. George Gazette. It may be mentioned that copies of Bills published in the F.S.G. Gazette are not being supplied free of cost to local news papers and news agencies. The Correspondent, A.I.R., Madras has now complained that he has not been supplied with copies of the Tanjore Ordinance. The Superintendent, Government Press, has pointed out that Ordinances do not fall under the category of Bills and that he has not therefore supplied copies of the

Legal u.o. no. 18536/52-1 4.12.52

Ordinance to the Correspondent. Education Department have observed that if copies of all Bills are supplied free, there is no reason why copies of Ordinances and Acts should not also be supplied free to the A.I.R. Already, special treatment has been accorded to the A.I.R., Madras by supplying copies of Bills published free of cost while local news papers and agencies do not enjoy the ^{same} concession. If we extend one more concession to A.I.R. by free supply of Ordinances and Acts, the local newspapers and agencies may have a legitimate grievance. The Acts and Ordinances are priced publications and there should not be any difficulty for the A.I.R. in purchasing them. For orders whether this department may advise against the proposal of Education. After orders are passed, the file may be passed on to Finance.

28/11/52

2.12.52

I do not think that if we can maintain a distinction between Bills of Ordinances. If Bills are to be supplied free, Ordinances will also have to be supplied free. I will give Ordinances and Acts also free to the Correspondent of A.I.R. The A.I.R. is a Govt. organization, and cannot be treated in the same way as local newspapers. I would therefore agree to Education's proposal. X.R. 4/12/52
