Sir,

Subject:-

Madras Educational Subordinate Service- Irregular appointment of Janab Muhammad Alimullah and Janab Syed Bahadur Hussainy as regular Secondary Grade Teachers in Government Madrasa-I-Azham- Ratification- Seeking of.

Hr 5-7 & 15-17

In submitting herewith the petitions dated 14-10-1949 from Janab Muhammed Alimullah and Janab Syed Bahadur Hussainy Secondary Grade teachers, Government Madarasa-I-Azam, I may state as follows:-

The teachers were appointed as Secondary Grade teachers by the Principal, Government Arts College, Madras on 25-6-1942 and 1-4-1943 respectively. It is reported that they have satisfactorily completed their probation as Secondary Grade teachers in 1944 and 45 and that they were granted increments from time to time. The Principal states that the appointments of the above teachers were ordered by him to be treated as if they were made under the emergency provisions in the rules, as it was discovered as a result of the scrutiny of their certificates that they do not possess the minimum general educational qualifications prescribed in the schedule to the general rules. The marks they obtained in certain subjects at the S.S.L.C. Public Examination fall short of the minimum percentage of marks prescribed, and hence they are not qualified for appointment as Secondary Grade teachers. Otherwise they are qualified for the post.

The teachers it is reported have passed only parts I and II of the Intermediate Examination. The Headmaster, recommends that they may be granted exemption from possessing the minimum General Educational Qualifications on the ground that they are good teachers and that there is a dearth of Urdu knowing Secondary Grade trained teachers. I agree with his recommendation. I feel that it will cause great hardship to the teachers if their appointments are not regularised now, In view of the dearth of Urdu knowing Secondary Grade trained teachers and having regard to the long service of the teachers, I request that Government may be pleased to relax the qualification rule in favour of Janab Muhammed Alimullah and Janab Syed Bahadur Hussainy so that they may be enabled to be continued in service as regular Secondary Grade teachers.

I request the favour of early orders.

Yours faithfully,

for Director of Public Instruction.

Applications from (1) Mohd. Alimullah and (2) Syed Bahadu
Hussainy Secondary grade teachers for confirmation.

Submitted to the Principal Government Arts Col Madras with certified copies of their marks in the S examination- that year being their highest marks- and they were declared eligible for college course.

There has been and is dearth of Urdu knowing Secondary Trained hands and even now there are two retired re-employed Secondary grade men and two others ~~maintained~~ untrained Secondary grade men working in this very institution. Hence for want of other qualified hands these candidates have been officiating continuously for seven and six years res pectively and have passed parts I and II of the Intermedite Examinations and as they are very good teachers they may be exempted from Public Service Commission Marks and confirmed

May I be permitted to submit that after a careful scrutiny of my certificates I was first appointed to the post and later my probation was declared to have been completed satisfactorily and later still even increments were sanctioned, drawn and disbursed to me. After seven years of service when I am now 34 years and expecting confirmation to be told that I am unqualified to hold the post as I do not posses the required marks in the S.S.L.C. for Public Service, and that I am appointed afresh under 9(a) (i) and that I am to refund the excess amount of Rs. 299- 3- 0 drawn as increments is rather very hard. Sir,

Sub: Irregular appointment of two secondary grade teachers in the Government Madrasa-i-asam.

At the time when Mr. Md. Alimullah and Mr. Syed Hussainy were appointed as Secondary grade teachers in the Government Madrasa-i-Azam, there were no other persons available for the post. Further, these two people had passed a part in the Intermediate Examination. Since they had passed a part of the examination and the fact that there were no other candidates available, the question whether they were eligible for appointment under Service Rules was not given serious attention. If they were not eligible for appointment for the posts, this fact should have been brought to my notice by the office. Further, the appointments were made at the time when there was evacuation. Owing to the transfer of senior clerks, some lower division clerks who were in charge of the office, did not bring this fact to my notice. As far as I can remember, I did not look into the matter of qualification, firstly because that these candidates had appeared for the Intermediate examination and had passed one or two parts. Secondly they were the only candidates then available for the appointment with the training qualification. In the interest of the Institution and in good fath such appointments were made. If any irregularity is done in the matter of the appointment, I request it may be condoned.

Yours faithfully,

Principal.

Azam - Ratification.

The case relates to the appointment of two unqualified persons, Janab Md. Alimullah and Janab Syed Bahadur Hussainy as secondary grade teachers in the Madrasa-i-Azam attached to the Govt. Arts College, Madras. The appointments were made in 1942 and 1943 respectively by the then Principal of the College, Dr.Abdul Haq. The teachers have satisfactorily completed their probation as secondary grade teachers and they have also been granted increments from time to time. Subsequently it was found out that they did not possess the minimum general educational qualifications prescribed ~~for~~ in the general rules. The teachers are however ~~admitted~~ reported to have passed ~~only~~ Parts I and II of the Intermediate Examination and have undergone the necessary training. In view of the facts that they are good teachers and that there is a dearth of Urdu knowing secondary grade teachers the D.P.I. recommends that the qualification rule may be relaxed in their favour so that they may continue in service as regular secondary grade teachers.
