Sir,

regarding.

Ref:- G.O.Ms.2522 Edn., dated 7-8-1949.

I invite attention to the G.O. quoted above

sanctioning the starting of the IV Year Vidwan Course
of the College, and also the staff for the College for
a period of one year from 10-8-1949. The salaries of
the establishment sanctioned for the College were drawn
on salary bills sent for preaudit to the Accountant-
General, Madras, upto October 1949, and were passed
by the Accountant-General for payment till last month.
But, when the token relating to the bill of the
establishment for October 1949 was presented at the
Accountant-General's office last month, issue of the
cheque was refused, in view of the instructions in
Government Memo No.70442-2-49 A.Edn., dated 24-9-1949
to the Accountant-General(copy enclosed). The rejec-
tion of the claim at the last moment resulted in great
hardship to the establishment, and the delayed payment
of last month's salaries by about a week during which
time the lump sum allotment sanctioned in G.O.
No.2941 Edn., dated 21-9-1949 was drawn. While
disbursing the amount, only a sum of Rs 3246-6-0 was
actually disbursed, the balance having been adjusted
by the Accountant-General, towards payments made
during the year, in respect of the expenditure of the
College.

The Accountant General is informed that the Central College of Karnataka Music, Madras, which has just been started, is likely to be a Central Government institution, financed both by the Central and the Provincial Governments. The exact status of the teachers in the College has not been settled. The intention is to constitute a National Academy of Karnataka Music and to entrust the management of the College to that body. The whole matter is under correspondence with the Government of India. For the present, the salaries and allowances of the staff of the College are paid out of funds placed at the disposal of the college by the Central and Provincial Governments. The Provincial Government exercise a sort of control over the college.

I am directed to enclose
a copy of letter No 516/49 of 17.11.49
from the Principal of the Central College
of Karnataka Music. As you are
aware the entire question of the contribution
and the authority which should have the
control of the College, is still under
consideration. So far as the Board of
are concerned, they have agreed to meet
one-half of the recurring cost of the
institution upto a maximum of Rs 40,000
per annum. In respect of 1949-50, they
have so far sanctioned advance
payments to the extent of Rs 20,000 and
have separately agreed to a further
payment of Rs 10,000 for the current year.
The pay and allowances of the establish-
ment of the College may be met out
of this contribution placed at the
disposal of the Principal. But the Govt
of India do not appear to have sanctioned
any expec in this regard. I am directed
to request that they may be so good
as to sanction ^{against their share of the expec} additional funds that
may be required by the Principal in
~~against their share of the expec~~
order to meet the future requirements
of the College in the next year. Further

Contribution, if any, to be paid by
this Govt with ref. to the actual
expenditure, will be decided at the end of
the year after the actuals for the whole
year are known, and will be sanctioned for payment
early next year.

As regards the audit of bills,
I am to request that the Central
head of acct to which the entire
expenditure should be debited in the first
instance may kindly be intimated, so
that the A.C. Madras, may conduct
audit of the bills of the College as
in the case of those relating to any
other Central institution.

I am to request the favour
of an early reply.

P.T.O.

Coming back to the activities of the said college, its proceedings were published all of a sudden, on one day, in the daily Hindu and not in Tamil papers which they ought to have published for the information of the general public. I wish to inform you in this connection that I had been one of the members in the Syllabus committee, Salary Fixing Committee and in the Selection of Candidates Committee. They have wantonly kept me back from the Staff Selection Committee and the selection of the Principal and have done them in secret over a night. I was simply shocked to notice in the Hindu, the name of Sri Masri Subramanya Iyer as Principal who is no better qualified to the post than other Vidwans of today.

Even in financial affairs, they had not been judicious and economical in their distribution. There are eight Lecturers each with a salary of Rs. 150/- for a college consisting of 32 pupils which is a mere waste of money in these days of economy. In addition to this, they have bought unnecessary musical instruments at higher rates and thus shot up their budget which again may be curtailed. Many non-brahmin and Harijan students gain no seat in the college communal feeling is the point on which the administration of the college rotates. The art of music at this stage is sure to decline and there will be no bright prospects for it.

no previous papers read → This matter had been moved to the Education Ministry at Madras and no material action is taken to that effect till now. Hence, I request you kindly to intervene and rectify the matter at your earliest.

Thanking you,

Central College of Karnataka Music - Establishments - Pay and allowances. Head of debit.

Please see the Principal's letter on page 1 of. As stated in the memo on page 5 of. the whole question of the constitution and the authority who should have control over the college is under consideration. Pending a final decision on the question, it would seem that Principal may disburse the salaries and allowances of the staff from the funds placed at his disposal by Govt. from time to time. It may not be practicable for the A.G. to pre-audit the establishment bills of the college as in the case of other city offices. Finance may see for remarks.

Please see the letter from the Principal, Central College of Karnataka Music in the C.F. and the notes of E.&P.H. above.

2. The institution is to be financed by both the Provincial and the Central Governments and the question of management of the College either as a Govt. insti-

tion or under the management of a National Academy for Karnataka Music, to be constituted for the purpose, is still under consideration. So far as the Provincial Govt. is concerned, we have agreed to meet one half of the recurring cost of the institution upto a maximum of Rs 40,000 p.a. In respect of 1949-50 this Govt. have so far sanctioned advance payments to the extent of Rs 20,000 and have separately agreed to a further payment of Rs 10,000 for the current year. The pay and allowances of the establishment of the college may be met out of this contribution placed at the disposal of the Principal. But the Govt. of India do not appear to have sanctioned any expenditure on the institution so far.

E.&P.H. may be requested to address the Govt. of India in the matter and to request them to sanction additional funds that may be required by the Principal against their share of the expenditure in order to meet the future requirements of the College in the current year. Further contribution, if any, to be paid by this Govt. with reference to the actual expenditure may be decided at the end of the year, after the actuals for the whole year are known, and sanctioned for payment early next year.

3. As regards the audit of bills, it is submitted that the institution is not a Provincial one and the Provincial Government's liability is limited to the payment of a fixed contribution. E.&P.H. may be requested to ascertain from the Govt. of India while addressing them as proposed at 'A' above, the Central head of account to which the entire expenditure should be debited in the first instance, so that the A.G. may conduct audit of the bills of the College, just as those relating to any other Central institution.

The case may be returned to E.&P.H. U.O. with these

remarks.
