138 (F) The sanction accorded by Government in G.O. No. Ms. 1837, Education dated 4-6-49 to the adoption by the District Board, Tirunelveli with effect from 1-4-1949 of the Government scales of pay in respect of the headmasters and assistants in the secondary schools, under the District Board, is with reference to Section 67 (3) of the Madras Local Board's Act 1920, as amended.

(E) In G.O. No. 4481, L.A. dated 9-11-1938, it was ordered that after the introduction of a revised scale of pay by Government under Section 70 (3) of Madras District Municipalities Act, 1920, as amended (analogous to Section 67 (3) of the Madras Local Board's Act of 1920) the employees had no option under Rule 23 of the Fundamental Rules to retain their old scales of pay.

14

15

-3-

It is seen from the reference that some of the employees have exercised their option to retain the old scales of pay either permanently or until some future dates. The adoption of the Government scales of pay on and from 1-4-1949 should be uniform in respect of all the teachers and the question of exercising any option does not arise.

The enclosures received with the endorsement, are returned herewith.

Establishment. Dt. Board, Tirunelveli - Introduction
of Gent scales of pay - Sri V. Rajangam Iyer
and A. Krishnamoorthy Sastri, Headmasters - Request
to be continued in the local bodies scale of pay

With reference to G.O. No 1837 Edu
dtd 4.6.1949, Gent scales of pay were adopted by
the Dt. Board, Tirunelveli for the teaching staff
in the Secondary schools with effect from 1.4.1949.
Sri V. Rajangam Iyer, Headmaster, Board High School
Koilpatti has requested permission to continue
in the existing (local body) scale of pay till
January 1951 and to elect the Gent scale of pay
thereafter. Another Headmaster, Sri A. Krishnamoorthy
Sastri of the Board High School, Nanguneri prefers
to be in the existing scale of pay itself. The P.D.B.
Tirunelveli has asked for instructions whether
the request of the two Headmasters may be complied with.
It is submitted that orders have since been
issued to the effect that teachers should be
allowed to exercise their option under F.R. 23
to continue in the existing scale until such
time as they consider necessary but they should
be required to exercise their option within a
period of one year from the date of adoption of
the Gent scales of pay. As the Headmasters
in question have not exercised their option within
the time limit prescribed, they may, perhaps,
be allowed to do so by 1.10.1950. For orders.

The D.P.I. has in this connection
forwarded a copy of the letter of the Examiner
of L.F. Accounts dtd 15/4/50 wherein he holds the
view that the sanction accorded in G.O. No.
1837 Edu dtd 4.6.1949 for the adoption by the
Dt. Board, Tirunelveli of the Gent scales of pay

P.T.O

2
is with reference to Section 67(3) of the M.L.B. Act 1920 and that in view of G.O. No 4481 L.A. d 9-11-38, the employees had no option to retain the old

old scale of pay.

3 The orders in G.O. No 4481 L.A. d 9-11-38 have no bearing to this case. Under 67(3) of the M.L.B. Act the Govt have fixed revised scales of pay uniformly for teachers in Secondary schools under local bodies but in the case of certain local bodies the Govt have permitted them to adopt the Govt Scales of pay which are slightly higher than the scales of pay fixed for teachers in the employ of local bodies as a special case to overcome the difficulties in recruiting qualified teachers. Some have adopted the Govt Scales for all teachers while certain others have adopted the Govt Scales for particular grades like L.Ts. The adoption of Govt Scales of pay is not obligatory and there seems to be no reason to compel teachers in Secondary schools under local bodies to come on to the Govt Scales of pay whenever they have been adopted. The option to continue in the local bodies Scales of pay have been allowed deliberately. The Examiner's view is incorrect.

When in G.O. No. 1837 Edn. dated 4-6-49, the Government approved the proposal of the Tirunelveli Dt. Bd. to adopt the Government scales of pay for the teaching staff in Secondary schools, it should be deemed that the Govt. acted in exercise of the powers conferred by section 67 (3) of the Madras Local Boards Act. There is no other provision of law under which such approval can be given. The ruling in G.O. No. 4481 L.A. dated 9-11-38 will therefore govern the

Edn Deptt (F)

Please see the notes from p 2 ante. L.A. Dept are of the view that the teachers in question have no option to continue in the Dt. Board scales of pay when once the Dt. Board adopted the Govt scales of pay. Attention is invited to the fact that the ~~order in G.O. No. 1837 Edn. dated 4.6.1949~~ As pointed out on the previous page, only certain local bodies have been permitted to adopt Govt scales of pay and it does not appear that the orders in G.O. No. 1837 Edn. d 4.6.1949 can be deemed to have statutory implication as those in G.O. No. 975 Edn. d 10.5.1947. It seems, at any rate, unfair to compel all the teachers to come on to the Govt scales of pay without allowing them to exercise option.

Legal Deptt may see

for remarks with reference to the L.A.

Depa's note.

23/9/50

Unlike the orders in G.O.

No. 975 Edn. dated 10.5.1947

G.O. 1837 Edn. dated 4.6.1949

relating to the Tirunelveli D.B. does not make any mention of Sec 67(3) of the Madras District Municipalities Act, 1920. Though the later orders

seem to have been intended as permissive orders, they

seem to be applicable to all staff in the Secondary Schools under the D.B. -

And in the absence of a specific provision in the orders permitting members

of the staff to elect to remain standard scales fixed for local bodies' staff, the

latter order approving the

both scales should perhaps

be deemed to be applicable to all members of the staff.

It does not appear, however to stress the legal aspect

aspect of the order already issued. In view of the representation of the P.D.B. in this case we may now direct in continuation of the orders in (7) that the standard scales of pay fixed for local bodies' Headmasters shall apply to the two Headmasters mentioned in the Pt's letter, as required by them -

2.9.50 X.

Legal may advise whether any specific direction is necessary to permit the Headmasters to elect to remain on D.B. scales of pay.

Legal Department

In paragraph 2(1) of G.O. No. 1060, Edn., d. 31-3-50 Government have allowed teachers in secondary schools under the control of local bodies which have adopted Government scales of pay, to exercise the option under F.R. 23 to continue in the existing (local body) scale until such time as they consider necessary, but they have been required to exercise their option within a period of one year from the adoption of the Government scale of pay by the local body concerned. It is presumed that the intention of Education is to keep these instructions in force, notwithstanding the earlier instructions.

tions to the effect that the employees have no option to retain their pay in the old scales of pay after the introduction of the revised scales of pay by Government. It is therefore open to the Headmasters to exercise their option under F.R.23 within the period of one year specified in the G.O. cited above. Even that seems to have been done in this case. Please see the President's letter d.28-11-49, which shows clearly that the two Headmasters requested permission (one of them up to January 1951 and the other practically permanently) to continue in the local body scale of pay and these requests have been made within one year from the date of adoption of the revised scales of pay by the District Board. In the circumstances, Education may consider whether it will not be sufficient to invite the attention of the President, District Board, to the instructions in paragraph 2(i) of G.O.No.1060,Edn., d.31-3-50 and to request him to dispose of these cases in accordance with these instructions.
