The Secretary to Government,
Education and Public Health Department,
Madras.

C.No. 21 D1/50 dated 31-1-1950.

Sir,

Subject:-

Grant- Teaching- Aided Secondary Schools- Additional amount of Rs.15,00,000/- for 49-50- Sanction- Requested.

The allotment under the Budget Head "37 (g)-Education Secondary- Direct grants to Non-Government Secondary Schools- A. General (g) A.I. Teaching- Voted" for the payment of nominal teaching grants to aided Secondary Schools (i.e.) excluding the provision intended for the "Bifurcated Courses of studies" is Rs. 43,53,600/-. An additional allotment of Rs.15,00,000/- (Rupees fifteen lakhs) under this head is required to meet the increase of expenditure in the circumstances stated below:-

2 In G.O. Ms. No. 372 Edn. dated 26-2-1948 Government have ordered that it is open to managements to grant advance increments to the teachers for their past service, if they can afford to do so, and in cases where such advance increments are given the expenditure in this regard would be taken into account for purposes of assessment of grant. Accordingly, some managements have refixed the salaries of the teachers under their employ giving advance increments.

3 Again in G.O. Ms. No. 1388 Edn. dated 29-5-1948 Government have ordered that the teachers in aided institutions should also be paid dearness allowance at the enhanced rates with retrospective effect from 1-1-1948 and that the expenditure incurred by them on payment of dearness allowance at the enhanced rates should be taken into account in assessing teaching grants payable for 48-49 and subsequent years.

4 As both the above orders were passed by Government only after furnishing the Budget Estimate for 1949-50 provision for the extra expenditure on account of the above orders could not be made in the Budget Estimate for 1949-50.

5 Further grant was assessed for the year 1947-48 at 2/3rds net cost basis from 1-6-1947 only. For the year 48-49 for which grants are payable in the current year grant is being assessed at 2/3rds, net cost basis for the entire year.

6 As the grants should be disbursed to schools before 15th March 1950 to ensure payment in proper time, I request that Government may be pleased to sanction the additional funds now applied for as early as possible. I am including the above provision in the final Revised Estimate for 1949-50.

Yours faithfully,

D. O. Pankaj
for Director of Public Instruction.
