**SUBJECT: OVERSEAS SCHOLARSHIPS SCHEMES 1946-1948,
1948 - 1948 - Utilisation of the ser-
vices of Overseas Scholars in temporary
posts selected under - interpretation
of bond.**

Sir,

I am directed to state that the Government of India had under consideration the question as to whether a scholar who has been offered a temporary post by Government within the period of three or, if necessary, five months after his return to India on completion of his studies abroad and is subsequently retrenched before the expiry of five year period stipulated in the bond, could be compelled to accept another offer from Government after waiting for some time. In consultation with the Ministry of Law, the Government of India have decided that it would be best to regard an offer made to and accepted by a scholar within 3 or, if necessary 5 months of his return to India on completion of studies abroad as exhausted. If the scholar is then thrown out of employment, he would be released from his obligation under the bond, and Government would have no obligation to provide another post for him.

Yours faithfully,

D. Madhavi

Sub: Overseas scholarships Scheme - 1946-47-1947-48-
Utilisation of the services of ~~the~~ scholars in
temporary posts selected under -Interpretation of
bond.

Ref: From the Govt. of India, No.F.3-29/45 S.2 d/21-9-50.

In their letter No.F.2-72/48-S2 d/7-12-48 the
Govt. of India intimated, inter alia, that in cases where
a scholar was employed in temporary post and later thrown
out of employment the Govt. would cease to have any hold
on him, if his ^{waiting} ~~waiting~~ period had already lapsed but
if some part of the waiting period remained after the
scholar was thrown out of employment, he would remain
bonded to Govt. for the remaining period only. This was
agreed to by this Govt. ~~later on~~ Later on in Dec. 1949
the Govt. of India communicated their decision to maintain
a waiting list of their sponsored scholars who even after
release from the bond desired to be considered for em-
ployment by Government as and when vacancy^{ies} arise. This
Govt. agreed to maintain a similar list in respect of
scholars sponsored by this Govt. The Govt. of India now
point out that in consultation with the Ministry of Law
they have decided as follows:

(1) It would be best to regard an offer made to
and accepted by a scholar within 3 or if necessary 5
months of his return to India on completion of studies
abroad as exhausted.

(2) If the scholar is then thrown out of employ-
ment, he would be released from his obligation under the
bond, and Govt. would have no obligation to provide another
post for him. ~~This decision may be agreed to in respect~~
~~of scholars sponsored by this Govt. also.~~

A draft order recording the papers is sub-
mitted.

After release from the obligation
under the bond the scholars
are usually after liberation
jobs elsewhere and do
not like to be considered
for employment under
this Govt.
