4. The cost of working the scheme is debitable to the head "57-Miscellaneous expenditure on displaced persons-E-Rehabilitation-E-4-Grants- in-aid" and will be reimbursed to the State Govts. by the Central Govt to the extent indicated in the scheme. The total expenditure by any State Govt. on implementing the scheme should not exceed the allotment made to it for educational grants during the financial year.

P.T.O.

5. Displaced students who are already in receipt of loans and who desire to take benefit of the revised scheme may be allowed to do so at their discretion. Payment of loan instalments to such students would then stop, and they should be given stipends at permissible rates according to the revised scheme. It is hoped that most of the students will take advantage of the present scheme and would prefer to secure stipends in lieu of loans. If some students prefer to take a loan however, they will be advanced reasonable amounts according to the old scheme only to the end of the course which they have taken. A student in the 4th year of a medical course, for example will be taken up to the end or the fifth year M.B.B.S. under the old scheme. It is hoped that amount required to grant loans in such extraordinary cases will be negligible.

6. Students studying overseas who were being granted loans under the scheme sanctioned in this Ministry's letter No. R&R-5(2) dated 11.11.47 will continue to be dealt with under that scheme.

7. Loans already granted or to be granted should be recovered within a period of 4 years from the date of the payment of the last instalment of the stipend. In deserving cases the period of recovery may be extended to 6 years at the discretion of the State Government concerned. Recovery of a loan should be started one year after payment of the last stipend and no interest shall be charged during this period of one year. Thereafter, simple interest at the rate of two per cent should be charged. In the event of a default in payment penal interest at the rate of four per cent should be charged. A half yearly review of the financial position of the parent/guardian of the borrower should be carried out and recovery should be started immediately if it is found that the financial position has so improved that he is in a position to repay the loan.

SCHEME FOR FINANCIAL ASSISTANCE TO DISPLACED STUDENTS AND TRAINEES FROM PAKISTAN.

(4)

1. This scheme will apply to:

(a) All displaced students and trainees who have migrated from territories now comprising Pakistan:

(b) All students who were already studying in India and

(i) have either lost their parents/guardians in Pakistan, or

(ii) Whose parents/guardians have migrated from Pakistan to India with the intention of settling down in this country permanently and who are unable to continue their studies or training for lack of funds.

2. Financial assistance to displaced students upto Primary stage:

(a) Liability for free Primary education of displaced children whether in camps or outside should be assumed by the State Governments and intergrated with their own schemes of free Primary education.

(b) Where free Primary education is not imparted by a State Government the displaced students should be exempted from the payment of school fees and in every deserving case a cash grant not exceeding Rs. 5/- per annum to cover the cost of books and stationery may also be made. The concession shall be withdrawn if the student in question fails to pass his annual promotion test.

India see page 9

3. Financial assistance to displaced students of Class V to High School, Matriculation or Higher Secondary and equivalent standards.

Displaced students of Class V to High School,

-2-

Matriculation or High Secondary and equivalent standard should be given freeships for studying in ordinary types of recognised schools on the production of a certificate by the head of the institution that the parent/guardian of the student was unable to pay the tution fee. The concession should be withdrawn on the failure of the student to pass the annual examination.

4. Financial assistance to displaced students for technical education.

Stipends at the rates shown in the schedule attached to the Scheme may be granted to displaced students who are able to secure admission to recognised technical, medical, engineering ~~veterinary, agricultural~~ and other professional colleges and who for want of funds are unable to continue their studies. The following courses of study may be considered as Engineering courses:

a) Civil Engineering.
b) Electrical Engineering.
c) Mechanical Engineering.
d) Chemical Engineering.
e) Navigational Engineering.
f) Irrigational Engineering.
g) Automobile Engineering.
h) Radio Servicing.
i) Technology course, e.g. Textile, Leather, Sugar, Printing, Cinematography and Sound.
j) Mining and Mettalurgy.

5. Financial Assistance to displaced students for non-technical education.

For grant of stipends to displaced students under the scheme first priority is to be given to technical education. However, funds permitting, displaced students pursuing non-technical courses of study and who are unable to continue their studies for lack of funds may also be given stipends at the rates shown in the schedule attached to the scheme, under the following conditions:

a) Displaced students who pass the High

School, Matriculation or Higher Secondary and equivalent standard examination in the first division should be given stipends upto the Intermediate stage (those displaced students who secure 60% marks in the aggregate in the qualifying preparatory examination of the Higher Secondary Education, Delhi should also be assisted).

b) Displaced students who pass the Intermediate examination in the first division should be given stipends to enable them to complete their Degree course.

6. Stipends may be given to displaced students through the Heads of the institutions or colleges where they are studying in such instalments as may be recommended by the latter.

7. Payment of stipends shall be stopped on the failure of a student to pass his/her annual examination. In the case of Medical and Engineering students, however, the payment of stipends shall be stopped only if the student is unable to pass the promotion test even in the second attempt.

8. Applications for financial assistance under this scheme will be sent by the student or his guardian to the Head of the institution or college concerned. The latter, as far as possible will verify the facts stated in the application and shall forward it along with his recommendation to the officer of the State Government duly authorised in this behalf.

9. Financial assistance shall be sanctioned by duly authorised officers of the State Governments concerned in whose jurisdiction the parent/guardian of the student reside.

10. A half yearly review of the financial position of the parents/guardians of the students will be carried out by the State Government concerned and

if the parents/guardians of the students are reported to be in a position to finance them the financial assistance will be stopped.

11. Applications should give the following particulars:

(a) Full name, age and address of the student.

(b) Full name and address of the parent/guardian in India as well as previous address in Pakistan.

(c) The course of studies undertaken and the name of institution and examinations already passed.

(d) Minimum period required for completion of studies.

(e) Fees etc. payable to the institution and when due (items should be given separately whenever possible) e.g. tution fees, deposit for laboratory or library, games fees, examination fees etc.

(f) Allowance required for books, stationary and drawing material (each item to be shown separately).

(g) If the student or his parent/guardian is registered as a displaced persons under any enactment that may be in force in the area, the registration number should be quoted.

12. Pending sanction of financial assistance applied for, the Head of an Institution or College may advance a sum not exceeding Rs. 50/- to a displaced student provided he is satisfied that the student concerned has reasonable chances of getting the stipend asked for. Thise amount shall be adjusted against the stipend when sanctioned by Government.

Education - Non-Muslim displaced students and trainees from Pakistan -Grant of financial assistance, Govt.of India-Revised Scheme.

Ref: Your letter Ref.No.F.6(18) RHD/50 d/4-7-1950.

With reference to the letter from the Ministry of Rehabilitation cited above, forwarding the revised scheme of financial assistance to displaced students and trainees from Pakistan, I am to state that primary education is imparted in this state, free of cost to all students in areas where the compulsory education scheme has been introduced and that in areas where such a scheme is not in force, school fees are levied by the managements of the institutions. In the latter case, this Government will have to compensate the managements of institutions, towards the loss of fee income on account of exemption from payment of school fees, ~~which will have~~ to be granted to the displaced students and they Govt. will also have to incur expenditure, on the payment of cash grants to the displaced students. I am to state that wherever free compulsory elementary education is in force, the children of displaced persons will be allowed the benefits of the scheme. The Government of Madras presume that in areas where such a scheme is not in force and where expenditure has to be incurred on remission of fees and cash grants to displaced children, Govt.of India ~~may~~ will agree to reimburse the State Govt. with the actual expenditure on these items. An early reply will be appreciated.

PRESS NOTE

AID TO DISPLACED STUDENTS

BENEFITS ADMISSIBLE TO SCHOLARSHIP-HOLDERS ALSO

A mistaken impression seems to prevail in some quarters that displaced students who have secured scholarships on merit are inadmissible for the grant of other rehabilitation benefits to which they may be entitled for the prosecution of their studies. It is announced for the information of all concerned that there is no bar to the grant of a stipend or other rehabilitation benefits to students who are scholarship-holders.

It is also announced for general information that displaced students in India are given the following rehabilitation benefits with effect from the current school or college term:

(a) Primary students are exempted from the payment of tuition fees and, in deserving cases, a cash grant of Rs. 5/- per head per annum is given to them for the purchase of books etc.

(b) Secondary and high school students are given freeships in deserving cases.

(c) Deserving college students pursuing technical courses of study are given stipends. Deserving first class students are also given stipends for non-technical courses of study. Displaced students who were already getting loans before the scheme of giving stipends was introduced, have the option of either continuing to take loans or to take stipends.

Sir,

I am directed to state that it has been represented to the Government of India that in some places displaced students who have secured scholarships are being denied the rehabilitation benefits to which they are otherwise entitled under the revised scheme forwarded with this Ministry's letter No.F.6(18)-RHD/50 dated 4th July, 1950. I am directed to make it clear that scholarships secured on merit should not be taken into account while granting stipends or freeships under the revised scheme mentioned above and that students should not be precluded from enjoyment of these concessions if they happen to be scholarship holders. If, however, the scholarship or freeship is a result of any other consideration, the stipend should be reduced by the corresponding amount.

In the schedule to para 7 of the Government of India's letter only the maximum rates of stipends payable to students reading in different kinds of institutions have been prescribed but the number of months for which the stipends may be sanctioned has not been stated. It is presumed that tuition fees, cost of books, stationery, drawing materials and for other expenses excluding maintenance allowance may be sanctioned subject to a maximum amount calculated at the maximum rates of stipends for 12 months in a year. I request to be informed whether my presumption is correct.

2. In the case of displaced students of Class 5 to High school, Matriculation etc., it is stated in the Government of India's letter that freeships for studying in ordinary types of recognised schools should be given on the production of a certificate by the head of the institution that the parent /guardian of the student is unable to pay the tuition fees. Again in para 10 of the same letter it is stated that a half yearly review of the financial position of the parents/guardians of the students will be carried out by the State Government if the parents/guardians of the students are in a position to finance them with a view to stop the financial assistance from Government. According to the original scheme for the award of financial assistance to the non-Muslim Refugee students from Pakistan every application for such assistance should be accompanied by a certificate from an officer of the Revenue Department not lower in rank than that of a Deputy Tahsildar to the effect that the student concerned or his parent or guardian has not sufficient resources to meet the expenditure on the course of study which the student proposes to undergo vide para 3 of G.O. No. 272 Edn. dated 9-2-1948. A similar certificate to show that the student concerned is a refugee from Pakistan having no sufficient resources to meet the expenditure towards his studies seems to be necessary to consider his application for stipend under the Revised scheme. I request that Government may be pleased to inform me whether the above certificate may be issisted upon.

H 13 c/f (M)

3. In the case of children in Elementary schools (standards I to IV) no poverty certificate is necessary as per Government of India's letter dated 27-9-1950. However a certificate from the Revenue Department is necessary to prove that the student is a refugee from Pakistan. I presume this certificate may be called for in the case of children reading in Elementary schools.

H 19-20 c/f (M)

4. In para 6 of the G.O. referred to above it is said that the entire cost on account of the grant of the concessions to the displaced students of Class 5 to the High school standard and of stipends to those studying for the various other courses in Colleges and other institutions will be recovered from the Government of India. It is presumed that the expenditure towards

86

(44) 87

fee remission and book allowance of Rs.5/- per pupil in the case of children reading in Elementary schools will be borne from State Funds. I may be informed whether my presumption is correct.

H19 cd of (M)

H56 cd of (M)

5. In para 2 of the G.O. Government have appointed me as the competent authority to sanction the educational concessions to displaced students taking up collegiate and technical education in the educational institutions of this state and to grant the concessions to students of Primary and those of class 5 to High school standard mentioned in paras 2 and 3 of the Government of India's scheme. It is not clear whether it is the intention of Government that the Director of Public Instruction should sanction these concessions ~~in~~ under the respect of pupils reading in the institutions ~~and to~~ control of other Departments, medical, veterinary, Industries etc., It will be convenient if each Department can be empowered to sanction the concessions to the students in the institutions under their control. I request orders on this point.

6. So far as this Department is concerned, with a view to expedite sanction and to facilitate work I propose to delegate the powers of sanction to my subordinate officers as detailed below:- This is the practice now prevailing in the matter of sanctioning Educational Concessions.

(a) Principals of Government Colleges: In the case of students reading in those Colleges.

(b) District Educational Officers: In the case of students reading in 2nd grade aided colleges, Elementary schools and High schools for boys and Training schools for men.

(c) Inspectress of Girls schools: In the case of students reading in High schools for girls and Training schools for women.

(d) Inspectress of Anglo Indian schools: In the case of students reading in Anglo Indian schools.

REF: Government Memo No. 35842 F/50-2 Edn. dated 5-1-1951

With reference to para 4 of the Government Memo cited, I have to state that the loan given under the old scheme was for 12 months in all Professional and Technical Colleges. Loans varying from Rs. 1000/- to Rs. 1400/- per year have been sanctioned to each student. Even the maintenance allowance of Rs. 45/- per mensem was found inadequate and it had to be supplemented by the grant of gift of Rs. 15/- per mensem from the Prime Minister Nehru's National Relief Fund-- vide G.O.No. 404 Edn. dated 9-2-1950

(not put up)

The maximum rate of stipend under the present scheme is Rs. 60/- per mensem and the total amount for 12 months will be lesser than the loan.

2. In the circumstances, I recommend that the stipend may

be permitted to be sanctioned for 12 months in a year for displaced students in Professional and Technical Colleges. In the case of Arts Colleges, however, it may perhaps be for 10 months in an year. I may also add that in the case of professional colleges, the vacation will be practically Nil.

3. In G.O. No. 2885 Edn. dated 24-10-1950 it is ordered that the revised scheme is to be enforced with immediate effect. It is presumed that loanees who were receiving loans upto 31-3-1950 for the previous year, and who apply for stipends may be given stipends for the year beginning with 1-4-1950 and ending with 31-3-1951.

I am directed to state that benefits under the revised scheme for financial assistance to displaced students appended to this Ministry letter No.F.6(18)-RHD/50, dated the 4th July, '50 may be extended to all those deserving displaced students who are able to secure admission to recognized technical and professional colleges, schools and other similar institutions providing sound and systematical courses of study. Deserving displaced students studying in such technical institutions where prescribed minimum educational qualification for admission is below High School (or its equivalent) may be considered eligible for getting stipends.

2. The maximum rates of stipends to be given to these students should be determined by the State Governments taking into consideration the local conditions and the broad principles on which rates of stipends have been fixed by the Government of India for other courses of study, namely cost of books, stationery drawing materials etc. fees and a small amount for other expenses excluding maintenance.

Subject:- Continuance of stipends to displaced students pursuing Agricultural, Veterinery etc. courses of study who fail to pass their promotion test in the first attempt.

- - - -

Sir,

I am directed to refer to para 7 of the revised scheme for financial assistance to displaced students appended to this Ministry letter No.F.6(18)-RHD/50 dated the 4.7.50 and to state that it has been represented that the concession given to the displaced Medical & Engineering students regarding continuance of assistance even if they fail to pass their promotion test in the first attempt, may be extended to students pursuing other cources of study listed in para 4 of the scheme. The matter has been considered and the Government of India are not in favour of making any general relaxation. Normally the stipends should be stopped on the failure of a student to pass his/her promotion test. Individual cases of hardship may, however, be considered and the stipends continued by the State Governments at their discretion subject to availability of funds, if it is definitely proved that the failure of the student in question was for reasons beyond his/her control.

Subject:- Financial assistance to displaced students in marginal cases.

****

Sir,

I am directed to state that a case has been referred to this Ministry in which financial assistance has not been given to a displaced student because he secured one mark less than the prescribed number of marks which would have entitled him to receive this assistance. The Government of India do not desire to debar totally such evidently marginal cases from receiving financial assistance for the prosecution of their studies. It has, therefore, been decided that in such marginal cases financial assistance may be given to the displaced students by the State Governments at their own discretion subject to the condition (a) that the requirements of all the displaced students who are eligible for assistance according to the revised scheme forwarded with this Ministry letter No. F.6(18)-RHD/50, dated 4.7.50, have been met in full in the first instance, and (b) that funds are available from within the sanctioned allotment to meet the additional expenditure after meeting the regular commitments as at (a) above.

According to para 9 of the revised scheme of the Government of India communicated in the G.O. cited "financial assistance shall be sanctioned by duly authorised officers of the State Government's concerned in whose jurisdiction the parent/guardian of the student reside". A few displaced students reading in the Professional Colleges, some of whom were in receipt of loans granted by me and some who are not in receipt of them being newly admitted into the Colleges, have applied for the grant of stipends. In some of these cases, it is seen from their applications that their parents or guardinas are in other Provincies. I request to be informed whether I may sanction stipends to them on the analogy of the sanction of loans permitted in the Government of India's letter No.RL-2(1-J/48) dated 28-2-49 communicated in Government Memo.No.67453/G2/48-7 Education dated 16-3-49 and letter No.R.L.-2(1-J)49 dated 9-3-49 Communicated in Government Memo.No.43247-G2/49-1 Education dated 15-6-49-Copies enclosed for ready reference.

I am directed to refer to this Ministry's letter No.RL-2 (1-J)/48 dated the 28th December 1948, in which it is stated that Loans to refugee students should be granted by the Province where the parent or guardian of the student concerned is residing. A departure from this practice may be made in the case of students studying in specialised institutions, e.g. Medical and Engineering Colleges. In such cases, the Government of the Province in which the specialised institution is situated should take direct responsibility for assisting the samall number of students involved.

In para 3 of the Government of India's scheme it is stated that "Displaced students of Class V to High School Matriculation or High Secondary and equivalent standard should be given freeships for studying in ordinary types of recognised schools on the production of a certificate by the head of the Institution that the parent/guardian of the student was unable to pay the tuition fee".

It is not clear whether the intention is that the pupils should be exempted from payment of tuition fees alone or other fees such as admission fees, special fees, and Examination fees. In the original scheme sanctioned in G.O.No.272 Education dated 9-12-1948 Students stydying in the 9th and 10th classes were to be given free seats, and no fees were to be charged, also exemption from payment of examination fees.

Subject:- Financial assistance to displaced students pursuing courses of study in commerce.

Sir,

I am directed to state that some displaced students studying in S.M.K. Inter College, Jodhpur, in Inter commerce class have represented that they being II Division Matriculates, financial assistance for the prosecution of their studies has been refused to them on the plea that the courses of study in commerce are not mentioned in para 4 of the scheme forwarded with this Ministry letter No. F.6(18)-RHD/50, dated the 4th July, 1950. The Government of India consider that the courses of study in commerce are "Professional" courses within the meaning of paragraph 4 of the scheme referred to above. The displaced students pursuing these courses of study in recognized commercial colleges should therefore be considered eligible for stipends in the same way as the other categories of students covered by para 4 of the scheme.

Subject: Financial assistance to displaced students studying in Primary classes.

*****

Sir,

I am directed to refer to para 2(b) of the Scheme for financial assistance to displaced students and trainees from Pakistan forwarded with this Ministry letter No. F.6(18)-RHD/50, dated the 4th July,1950, and to state that a doubt has arisen as to whether the cash grant of Rs. 5/- per head per annum could also be given to the deserving displaced students who are covered by the provisions of para 2(a) of the scheme and who are receiving free primary education in accordance with the schemes of free primary education of the various State Governments. The Government of India desire that the cash grant of Rs. 5/- per head per annum should be given to all deserving displaced students studying in primary classes irrespective of whether the cost of their freeships is borne by the State Governments or the Government of India.

The cash grant of Rs. 5/- mentioned above and the freeships mentioned in para 2(b) of the scheme should, however, be given only to those displaced students who are studying in ordinary type of recognized schools. The displaced students who are receiving education in expensive and special type of schools are not covered by the scheme and they are, therefore not entitled to any assistance.

Subject: Financial assistance to displaced students taking up Marine Engineering Training Course and the Courses of study at the Training ship "Dufferin".

Instructions of Govt. of India - Circulated.

Sir,

I am directed to state that the Government of India have decided that the (a) Marine Engineering Training Course and (b) Course of study at the Training ship "Dufferin" should be added to the list of engineering courses given in para 4 of the revised scheme appended to this Ministry letter No. F. 6(13)-RHD/50, dated the 4th July, '50. The displaced students pursuing the above mentioned courses of study may be given stipends at the rate of Rs. 50/- per month per head if they are otherwise eligible. The stipends should be given to such displaced students as are not already receiving any scholarship or stipend awarded by the various State Governments etc., to apprentices whose parents may, without help of such scholarship, find it difficult to bear the cost of the training. Scholarships won on merit should, however, not be taken into account in accordance with the orders issued in this Ministry letter No. F. 6(37)-RHD/50, dated 14th December, '50. In cases where the amount of scholarship or stipend awarded by the various State Governments etc. is less than Rs. 50/- per mensem per head, the difference between the amount of state scholarship and the amount admissible at the rate of Rs. 50/- per mensem per head may be given as stipend.

Please see the Govt.of India's letter on pp 1-2 cf. and its enclosure on pp 4-8 cf. They have communicated a revised scheme of financial assistance to displaced students and trainees from Pakistan. The revised scheme has been drawn up in supersession of the orders of Govt.of India, referred to in G.O.No. 272 Edn. dated 9-2-48 and it will hold good for a period of 3 years ending with 31-3-53. It contemplates the grant of (1) Financial Assistance to displaced students upto primary stage (2) financial assistance to displaced students of class V to High School, Matriculation and equivalent standards and (3) financial assistance to displaced students for higher technical and non-technical education in the form of stipends at the rates specified in the Schedule on page 4cf. The revised scheme may be communicated to the D.P.I. Collectors of Districts and other Heads of Deptts. The D.P.I. may also be asked to give wide publicity to the scheme.

of books and stationery may also be made. Under the existing scheme of financial assistance to displaced students from Pakistan, fee concessions are apparently granted only to those studying in the 9th and 10th classes. So far as Primary education is concerned, it is imparted free of cost to all students in areas where the compulsory education scheme has been introduced, whether the institutions are run by Dt. Bds. or Ml. Cls. In other areas, while no school fee is levied in institutions run by Dt. Bds., such fee is apparently levied in institutions run by Ml. Cls. In the circumstances, if the State Govt. were to assume liability for the free Primary education of displaced students, they may have to compensate managements of private institutions and possibly certain Ml. The total commitment to the Govt. on this account and also on account of payment of cash grants to the displaced students is not known. Education - Financial assistance to displaced students - Govt of India's revised scheme

From the D.P.I. T.M. No. 2085 J/50 d 8/11/50

p1.2 cf

Please see the T.M. from the D.P.I. in the cf. The Director ~~requests~~ enquires (1) whether loans under the old scheme may be granted to displaced students just commencing their studies in Engineering Medical and Arts Colleges or whether they should be granted stipends under the revised scheme, and (2) whether loans under the old scheme may be given to those students in the middle of their courses. In this connection attention is invited to para 5 of the letter from the Govt of India, communicated in G.O. ~~2885~~ Edn d 24/10/50 which is clear on the points raised by the D.P.I. The Director's attention may be invited to those instructions.

In his letter on pages 1-3 c.f., the D.P.I., has raised certain points for clarification in regard to the Govt. of India's revised scheme of Financial assistance to displaced students and trainees from Pakistan communicated to him in G.O.Ms. No.2885, Edn., dated 24-10-50 and they are examined below:

Para 1 of the D.P.I's letter:

The Director presumes that tuition fees, cost of books, stationery, drawing materials and other expenses excluding maintenance allowance may be sanctioned subject to a maximum amount calculated at the maximum rates allowed for 12 months a year. It is submitted that according to the revised scheme, the actual rate of stipends may be determined by the Government, taking into consideration the local conditions. As the tuition fees, etc., may not be required throughout the year, it is for orders whether the D.P.I. may be informed that the grant of stipends may be restricted to 10 months only.

M

The Director may be asked to state why he suggests stipends for 12 months & whether they are not sufficient for 10 months
21.12.50.

Para 2 of the letter:

In the circumstances stated by the Director, a certificate from an officer of the Revenue Department not lower in rank than that of a Deputy Tahsildar to the effect that the student concerned is a refugee from Pakistan having no sufficient resources to meet the expenditure towards his studies may be insisted upon in the case of displaced students of Class 5 to High School and Matriculation ~~standards~~ etc.

The scheme does not require such a certificate from the Dy. Tahsildar - The Principal's certificate seems sufficient

P.T.O.

20

Para 3 of the letter:

The suggestion of the Director ~~xx~~ that in the case of children in Elementary Schools, a certificate from the Revenue Department showing that the student is a refugee from Pakistan may be called for, seems acceptable.

p1 cf

Even here a Certificate from a Rev. Dept official seems to be unnecessary as it is not laid down. This enough if the Headmasters is satisfied

21250

pp1-3 cf

Para 4 of the letter:

Attention is invited to the letter to the Govt. of India and their reply thereto on pp.39 to 41 c.f. of G.O.No.2885, Edn. dated 24-10-50. The D.P.I. may be informed that in areas where free compulsory education is not in force and where expenditure has to be incurred on remission of fees and cash grants, the Govt. of India will reimburse the State Govt. with actual expenditure on these items.

p5/(L) Go 2335 24/10/50

Please see the letter from the D.P.I on p1cf. Para 9 of the Govt. of India's revised Scheme of financial assistance lays down that Stipends should be Sanctioned by duly authorised officers of the Concerned State Govts, within whose jurisdiction the parent or the guardian of the Student reside. The Director now States that he has received some applications for the grant of Stipends under the revised Scheme from Students whose parents or guardians reside in other States, and requests to be informed whether he can Sanction the Stipends to those Students on the analogy of the procedure followed under the old Scheme vide Govt. of India's letter on page 49 cf (E). Under the instructions of the Govt. of India referred to above, the State Govt. should take direct responsibility for the grant of financial assistance (loans) to such of the Students studying in Specialised institutions like Engineering and Medical, Situated within its jurisdiction. There seems to be no objection to a Similar procedure being adopted under the revised scheme also. The Govt. of India may however be Specifically Consulted in the matter.
