Copy of letter dated 4th October 1950 from the Joint Secretary, College Committee, M.G.M. College, Udipi to the Deputy Director of Public Instruction, Madras.

Sub:- Mahatma Gandhi Memorial College, Udipi, Building Plan-Approval of.

I am enclosing a copy of the Building Plan of the M.G.M. College, Udipi along with a copy of the letter received from the University approving it.

While I shall be submitting our application to you as prescribed under the grants-in-aid code with estimates etc. from Udipi I shall be grateful if you would just permit us formally to proceed with the construction work. The foundation work has to be got completed by the end of this month as otherwise there would not only be the difficulty in getting sufficient water but also adequate and cheap labour once the harvest commences.

My Committee are anxious to complete the buildings before the next Academic year and we shall be grateful if the Government would give all possible assistance in that direction.

Our Committee is anxious to take up the work departmentally since it would be cheaper and we are expecting donations in kind by way of building materials and we shall comply with all the requirements as laid down for the grants-in-aid code for this purpose.
