Sir,

Sub: Pension - Re-organization of the existing pension system - Revised scheme of pension - Provident Fund Insurance - Extension of time for option - Request for G.O.No. 365, Finance (P), dated 28-3-1950.

I submit, that with reference to the first proviso to Rule 2(ii) of G.O.No. 365 Finance (Pension) dated 28-3-50, the option to elect to come under the C.P.P.F. Rules by permanent Government servants in superior service with a total service of less than 10 years who are already in Government service on 1-4-1950 should be exercised within three months from 1-4-50 and the option once exercised shall be final.

Accordingly a circular was issued in good time to all the Technical Sections of the Press drawing the attention of all the employees to the importance and benefits of the new scheme introduced by Government in the G.O. cited above, so that those who are permanent and put in a total service of less than 10 years and thereby eligible to join the Fund as subscribers may opt in time i.e., within 30-6-1950.

Out of about a total number of 500 persons who have put in a permanent total service of less than 10 years and eligible to join the Fund, only about 40 persons have given their option in time and the rest being not much literate did not opt since they did not understand the benefits of the new fund.

I have since received a list of persons giving their willingness ~~of option~~ to come under the new fund and as the time limit for option fixed in G.O.No. 365, Finance (Pension) dated 28-3-50 was over by 30-6-1950, I have informed them accordingly.

As I am of opinion that the new Contributory Pension - Provident Fund scheme gives a scope for compulsory saving to the employees of the Press from their monthly pay and by way of insuring their lives as contemplated in the above G.O., I request that Government may be pleased to extend the option time till 31-10-1950, as a special case, in the case of the employees of the Government Press so that a further opportunity might be given to the non-optees also to join the Fund.

(S) With reference to Government Memorandum cited, I submit
that Government, while amending Rule 2 to the Madras Contributory
Provident Fund-Pension-Insurance Rules, 1950, have ordered in the
first proviso to Amendments I in G.O.No. 830 Finance, dated
28th August 1950 "that the option to elect to come under those
rules may be exercised at any time before the 30th September
1950."

(S) 2. As a copy of G.O.No. 830 Finance, dated 28th
August 1950 was not received in this Office - vide this Office
telephonic message and post copy dated 4th October 1950, I
applied to Government in my letter No. C.P.P.F.2-43684-1950
dated 14th September 1950 to extend the option time till
31st October 1950, so that those who did not opt within the
time limit, viz., 30th June 1950 fixed in G.O.No. 365 Finance
(Pension) dated 28th March 1950 may be given a further chance
to opt till 31st October 1950 from the date of receipt of
orders of Government on my letter cited above.

p 5 of

(U) As I now consider that the time till 31st October 1950
asked for by me will not be sufficient considering the large
number of the employees who have not opted, I request that
Government may be pleased to order the extension of option
time till 31st December 1950 or till the completion of the
admission to the Fund by option; whichever is earlier as a
special case in the case of the Government Press employees.

The Govt. permit the workers employed in the Govt. Press Madras, who have not so far exercised their option to elect to come under the Madras Contributory Provident Fund - Pension - Insurance Rules 1950, to exercise such option before 31st December 201050. ²⁰¹⁰⁵⁰ 1950.

C.No. 28282 E/50.

Sub: Grast. Press. Introduction of Pension Provident Fund Insurance Scheme. Extension of time for option.

Ref: Form the S.G.P. No. CPPF 43684-1950 dated 14.9.50.

Under the first proviso to Rule 2(ii) of the Madras Contributory Provident Pension Insurance Rules 1950, option to elect to come under the new scheme, by permanent Govt. servants in superior service with a total service of less than 10 years, who are already in Grast. service on 4.4.50, should be exercised within three months from 4.4.50 and the option once exercised shall be final.

2. With reference to the above rules, the S.G.P. now reports that only about 40 persons out of the total number of 500 employees who have put in a permanent service of less than 10 years have opted to come under the revised scheme upto 30.6.50 the last date for exercising the option, and he has received a further list of employees willing to come under the revised rules after 30.6.50, which had to be rejected as the last date for exercising the option was over by 30.6.50.

3. As the new contributory Pension Provident Fund scheme gives a scope for compulsory saving to the employees, by way of insuring their lives etc. the S.G.P. thinks that most of the employees have not given their option since they are illiterates and have not understood the benefits of the new scheme. He therefore proposes that in the case of the Grast. Press employees, the last date for exercising the option to come under the new scheme may be extended till 31.10.50 as a special case so that a further opportunity may be given to non optees also to join the fund.

4. The S.G.P.'s proposal may be accepted as the Grast. Press workers deserve special consideration in view of fact that most of them are illiterates.

The S.G.P. who was asked to state whether the extension of time allowed in G.O. No. 830 Fin of 28.8.50 upto 30.9.50 for opting to the new Provident Fund Insurance scheme was sufficient or whether a further extension of time upto 31.10.50 was required in the case of the Govt. Press workers, has replied that even the extension of time upto 31.10.50 originally applied for by him is not sufficient & that the last date for exercising the option to come under the new scheme may be extended till 31.12.50 or till the completion of the admission to the fund by option whichever is earlier, as a special case in the case of the Govt. Press workers.
