Honoured Sir,

Sub: Appeal against the proceeding of the Commissioner, Coimbatore Municipality, Coimbatore, No. 8252/50/C5 dated 11-4-1950 Establishment - Education - Secondary - Sri V.Govindan B.A.L.T., Headmaster - retirement consequential arrangements orders wherein my claim not considered.

p/15 infra

I beg to submit this appeal against the above mentioned order of the Coimbatore Municipality wherein my claim for promotion as Head Master were not duly considered and orders passed on the merits of my seniority in service.

I entered Municipal Service as Head Master, Municipal Deaf and Dumb School in December, 1931. I was sent by the Coimbatore Municipality to undergo L.T. Training in the year 1935 to better my prospects. After my L.T. training, I was posted as Assistant in the City Municipal High School, Coimbatore and asked to do duty as Head Master, Municipal Deaf and Dumb School, without prejudice to my position in the L.T.Cadre in High School service.

I have put in a service of over 17 years as Head Master, and developed a first rate school for the Deaf and Dumb where-in even specialist teachers are trained. In June, 1949 I was transfered to my permanent place as Assistant in the City Municipal High School. When I was transferred to my original post my name should have been recommended for inclusion in the panel for Head Masters and my place in the panel should also have been fixed after due consideration of my long service as Head Master.

Now I am posted as Assistant in the High School. My place and seniority in the panel is not awarded to me. My long service as Head Master is also terminated and the benefits of special pay and Head Master's allowance are denied to me. The special pay sanctioned to me by the Government for my special and additional qualifications ought to have been merged in my pay when I was transferred to High - School. This was also not done. Thus I am hit hard on both ways.

As my doing duty in the Special School was without prejudice to my place and position in the L.T. Cadre of High School, service, I request that my special service may be treated as regular service and my just claims may also be considered in the appointment of Head Master in the Municipal High Schools, Coimbatore and thus justice may be rendered to me.

2. From the remarks of the Commissioner, it is clear that the present Headmasters of the two schools at Coimbatore and Sri S. Natesa Ayyar who is now included in the panel of 1950-51 are sufficiently senior to Sri S. Natarajan and that on ground of seniority there is no case for appeal as there is no injustice. The appeal is recommended for rejection.

3. Regarding the denial of Headmaster's allowance and special pay, it is submitted that such special pay and allowance are apparently attached to the post of Headmaster of the Deaf and Dumb School and as such he is not eligible for them after he is reverted as L.T. Assistant.

4. The petitioner's request to take into account his services in the Deaf and Dumb School for seniority is recommended to be allowed.

Honoured Sir,

Re: Appeal against the orders of the Commissioner, Coimbatore Municipality, Coimbatore, appointing the Petitioner's juniors as Headmasters of Municipal Secondary Schools, while he is yet working as the Headmaster of a Middle School.

The humble petitioner most respectfully brings the following to your Honour's kind consideration and favourable orders:-

1. Your petitioner entered the Municipal Service of the Coimbatore Municipality as early as 4-12-1931, as Headmaster of the Municipal Deaf and Dumb School, Coimbatore. The school, which was started with one boy and one girl, has been built up into a unique institution of its kind in the State by your petitioner's humble service.

2. To better his prospects your petitioner was sent to undergo L.T. training by the Municipality in the year 1935-36. Your petitioner took the L.T. Degree in the year 1936 and entered Municipal Service as Headmaster Municipal Deaf and Dumb School. When vacancies arose in the City Municipal High School, Coimbatore, the petitioner applied for a transfer. He was appointed as an L.T. assistant in the City Municipal High School in the L.T. cadre and was deputed to do duty as Headmaster, Deaf and Dumb School, temporarily in view of his special qualifications (please vide enclosed orders of appointment and confirmation - Enclosures 1 and 2).

3. The petitioner's service in the Deaf and Dumb School continued till the year 1949-50. By this time he had trained Secondary Grade Teachers in the Art of teaching the Deaf and had been instrumental in getting a pucca residential school for the Deaf and Dumb. The School for the Deaf and Dumb is a special school and by the very nature of the work involved in it, it is presumed that it is equal to the Secondary School. The Special Schools are always ranked with Secondary Schools for purposes of recognition, inspection, condition of service and grades of pay. The Education Department allows the incumbants of the special schools to draw the same grade of pay as the incumbants in the Secondary Schools and also allows an additional sum of Rs.15/- per month in the case of L.Ts and Rs.10/- per month in the case of Secondary Grade Teachers employed in such institutions. As such, the cadre of the Headmaster of a secondary school is virtually equal to that of the Headmaster of a Special School. Your petitioner has served as the Headmaster of the Deaf and Dumb School long before his juniors, Sri E.V. Singaravelu, Sri Y. Srinivasa Iyer, Sri K. Anganna Thevar, Sri K. Lakshminarayanasami entered service or completed their probations as assistants in the L.T. cadre. In addition to the appointment and confirmation orders the establishment list of the Coimbatore Municipality - Secondary Department - Men - as published by the Municipality in the year 1942 is also submitted herewith (please vide enclosure No.3), and these documents will clearly prove that the four Headmasters now working in the Municipal Secondary Schools of Coimbatore Municipality are definitely your petitioner's juniors. Of the four Sri E.V.Singaravelu and Y.Srinivasa Iyer have completed their probation and got themselves confirmed while the other two viz: Sri K. Anganna Thevar and Sri K. Lakshminarayanasami are running their probation now.

(Continued)

the year 1949-50 the petitioner was transferred to his permanent Municipal High School as an assistant. To his great disapp w that his juniors had stolen a march over him and that his spec l qualifications had proved to be a great disadvantage to his a driven to conclude that his name had not been included in the ers of the Secondary Schools. He, therefore, appealed to the Dir structions, Madras (please vide enclosure No.4) on 11-10-49 and to the Government on 21-4-50 (please vide enclosure No.5) to revise Headmasters and assign to him his rightful place and rank taking his seniority and additional qualifications. Instead of appoi the High School, he was appointed as the Headmaster of a Munici in the year 1951-52.

m the Establishment list and orders of appointment and confirmation e following points could be clearly seen:-

1. Your petitioner is senior to all the four Headmasters now working in the Secondary Schools.

2. Your petitioner has worked as the Headmaster even in the year 1936 after entering the L.T. Cadre while his juniors were only new entrants then.

3. Your petitioner has more administrative experience than his juniors.

4. Your petitioner's legitimate and rightful claims for the Headmaster's post of a Secondary School have been overlooked for not fault of his.

6. Therefore the petitioner most humbly prays that a detailed enquiry may kindly be instituted k in the matter of appointments of the Headmasters in the Municipal Secondary Schools of the Coimbatore Municipality and justice be render to him. The petitioner feels that a great injustice has been done to him and his future has been blighted and in consequence prays that his just claims may kindly be considered and he may be appointed as the Headmaster of a Secondary School with retrospective effect by setting aside the orders appointing his juniors as Headmasters of Secondary Schools.

Your Petitioner begs to remain,

Sub: Requisition to include the applicant in the Panel list for Head Masters and to grant him his seniority in the list.

I have put in a service of over 13 years as an L.T. Assistant in the City Municipal High School. I was asked to do duty as Headmaster, Municipal Deaf and Dumb School from June 1936 to June 1949 without prejudice to my service and seniority in the L.T. cadre. In June 1949 I was transferred to my permanent Appointment in the City Municipal High School. Since I am transferred to my permanent place in the City Municipal High School, I request that my name may be included in the Panel for Headmasters and my place in the Panel may also be kindly fixed according to my seniority in service so that my future prospects may not be affected.

Honoured Sir,

Sub: Appeal against the proceedings of the Commissioner, Coimbatore Municipality, Coimbatore No.8252/5065 dated 11-4-50 - Establishment - Education - Secondary Sri V. Govindan, B.A.,L.T., Head Master - Retirement - Consequential arrangement - ordered - wherein my claims not considered.

I beg to submit this appeal against the above mentioned order of the Coimbatore Municipality wherein my claims for promotion as Headmaster were not duly considered and orders passed on the merits of my seniority in service.

I entered Municipal service as Headmaster, Municipal Deaf and Dumb School in December 1931. I was sent by the Coimbatore Municipality to undergo L.T. Training in the year 1935 to better my prospects. After my L.T. training I was posted as assistant in the City Municipal High School, Coimbatore and asked to do duty as Headmaster, Municipal Deaf and Dumb School without prejudice to my position in the L.T. cadre in High School service.

I have put in a service of over 17 years as Headmaster and developed a first rate school for the Deaf and Dumb wherein even specialist teachers are trained. In June 1949 I was transferred to my permanent place as assistant in the City Municipal High School. When I was transferred to my original post my name should have been recommended for inclusion in the panel for Headmasters and my place in the panel should also have been fixed after due consideration of my long service as Headmaster.

Now I am posted as assistant in the High School. My place and seniority in the panel is not awarded to me. My long service as Headmaster is also terminated and the benefits of special pay and Headmasters allowance are denied to me. The special pay sanctioned to me by the Government for my special and additional qualifications ought to have been merged in my pay when I was transferred to High School. This was also not done. Thus I am hit hard on both ways.

As my doing duty in the Special School was without prejudice to my place and position in the L.T. Cadre of High School Service I request that my special service may be treated as regular service and my just claims may also be considered in the appointment of Headmasters in the Municipal High Schools, Coimbatore and thus justice may be rendered to me.

I beg to remain,
Honoured Sir,
Your most obedient servant,

sd/- S. Natarajan.

Sir,

Sub: - Establishment - Coimbatore Municipality - Sri S. Natarajan, B.A.L.T., Head Master, A.N. Palayam Middle school - appeal against the promotion of his juniors as Head Master - forwarded -

....

I herewith forward the appeal petition dated 20-11-53 of Sri S. Natarajan, B.A.L.T., Head Master, A.N. Palayam Middle school against the promotion of his juniors as Head Master along with a copy of the resolution No.107 dated 8-3-54. This office file R.Dis.8870/1950 is also sent herewith for perusal and return. In this connection, I may state that this is an appeal similar to that of Sri S. Natesa Iyer which was rejected by the Government in their Memo.No.13612 F/52-1 Edn. dated 21-11-53 on the ground that the appointment of the juniors as Head Masters was on the basis of the panel of Head Masters drawn up long before 1950-51 and that the contention of the teacher that his claims should have been considered as he is senior to these persons on the basis of the date of first appointment under the Municipal council is untenable. The above grounds hold good in the appellant's case also. The posts of Head Masters of High schools are selection posts under the Establishment Rules and the appointment of the juniors mentioned by the appellant in his appeal as Head Masters were made by the Appointment Committee on the basis of the panel of Head Masters drawn up and available at the time the vacancies arose. From the file R.Dis.8870/50, sent herewith, it may be seen that a similar appeal preferred by the same appellant in 1950 was rejected by the Government in G.O.Ms.No.2896 Edn. dated 25-10-50. The present appeal is also not preferred in time.
